

Ballymoney RFC Mini Section

Registration Process Season 2020/21

Due to COVID 19 we have had to change the registration process this year. The steps below should outline this process to make it simple for all parents/players to register.

*****In the event of a future lockdown a full refund will only be provided if less than 10 weeks of training is completed throughout the course of the full season*****

- 1) Download and complete the club registration form from the club ballymoneyrfc.com - https://www.ballymoneyrfc.com/d/documents.html?group_id=10994
- 2) Email the completed club membership to BallymoneyMiniRegistrar@gmail.com. If payment has been made for a family, please add this note to the email to assist us.
- 3) Payment this year will be collected electronically. Contact the relevant year group coach for bank details or email BallymoneyMiniRegistrar@gmail.com to gain a copy of these. Please use the child's name/family name as the reference when completing the bank transfer. Cost of registrations are;

1 Player	£65
2 Players	£110
3 Players	£135
4 Players	£145

There may be a future requirement to complete an online IRFU registration later in the season. If/When this arises year group coaches will provide more information at that time.

For Each Training Session

On the day of training every **parent/guardian** must complete a self-declaration for their child and this must be dated for the date of the session up to 3 days in advance. **No form, no play**. This form needs to be shown to the Covid compliance officer in person on arrival to the session either physically or via photograph (but must be dated). Alternatively it can be sent digitally to the compliance officer before the session up to 3 days in advance.

A copy of the self-declaration form can be found here - https://s3-eu-west-1.amazonaws.com/files.pitchero.com%2Fclubs%2F25407%2FxxXUaz4fQTIKT5YrniupW_02_IRFU_RETURNTORUGBY_PRERUGBY-ASSESSMENT-V2.pdf
