Thank you for joining Bloxham Football Club for the 2018/19 Season. It is necessary to deal with various administrative matters as part of your joining and details of these are in this pack.

Subscriptions for the season will be:

Option 1: £150

Payable in 2 instalments. £80 before the end of September, £70 by the end of January.

Option 2: £140

Payable in full before the end of September, this is a discounted for early payment.

If subscriptions are not paid before the due dates then unfortunately a player is not eligible to play for the club until payment is received in full. This is also the case if any booking or sending off fees are not reimbursed to the club, by the player, within 30 days.

The subscriptions, together with the completed membership information, requested on the attached form, should either be given to your team manager or handed in on membership day. Subscriptions can be paid by the following means:

- Cheques made payable to Bloxham FC
- Cash (if paid at membership day you will be requested to sign a form confirming the amount paid)
- Direct bank transfer (sort 20-03-84 Account 40197750, please ensure players name is in the description and team playing for and email Matt Cartwright at treasurer@bloxhamfc.co.uk letting me know the above details)

All players who have paid their subscriptions by the due date and provided the requested membership information are covered by the Club's Group Personal Accident Scheme. Details of this policy, which provide benefits in the event of certain injuries, are available on the Club's website (www.bloxhamfc.co.uk). If you require greater cover, such as loss of earnings arising from an injury, for example, you will need to take out this insurance privately. (You can also find on the Club's website details of the Club's Public Liability insurance).

Whilst the subscriptions aim to cover running costs, the club's development is funded through sponsorship and fundraising activities. If you know of anyone who might be interested in sponsoring the club in any way then please speak to your team manager. In terms of fund raising activities we would ask you to respond positively when your team manager is seeking assistance at any team or club event. Better still if you are interested in getting more involved in the running of the Club we would love to hear from you.

If you have any queries about anything to do with the Club, then further information is available on the club website or you can of course speak to you team manager or a club official (see below).

Have a good season.

GDPR – Data Protection

As a club it is important that we maintain up to date records of our players and associated parents, where applicable. This inevitably requires us to store personal data as paper records and as part of our website membership system. Managers are required to hold a paper copy of players details whenever they attend training and matchdays and they will ensure this remains only accessible to them. Should you need to update yours or your child's personal details then please notify your team manager. Our website management system allows us to maintain a database of players, coaches and club representatives. It also allows managers to carry out tasks such as team messaging, team availability and team selection. You will be able to manage your personal data, held online, by visiting our website – bloxhamfc.co.uk - and logging in to your account.
