

JUNIOR HOCKEY

Attention all Lions, Lionesses, Lion Cubs and Nalas

**** IMPORTANT – IMMEDIATE ACTION REQUIRED ****

Saturday Hockey

This year we will continue to support the Sussex Development League (SDL) on Saturdays by entering one Boys team and one Girls team (the Lions and Lionesses).

Our U16 squads will therefore have the opportunity to play one girls and boys Saturday game each week in this league. In addition, players aged 13 or above who have the physical development and confidence to play safely, will be given the opportunity to play adult hockey on a Saturday (to be agreed between Coaches, Parents and Player) on the understanding they may be occasionally selected for the Development Side to help develop other team players.

Sunday Hockey

We have entered all four teams (Lionesses U16, Nalas U14, Lions U16 and Lion Cubs U14) into the England Hockey Tiered Leagues played on selected Sundays fitting in with England Hockey's centralised Junior calendar – avoiding County dates so those more experienced players can be involved, support their club with their peers.

All games should now be visible on Pitchero so please set play availability in good time.

When playing our Junior Sunday Hockey Leagues and any adult match we are required to have your young player registered on the England Hockey GMS system for team sheets etc. Please follow instructions **as players MUST be registered**.
