LAST MAN STANDING 2020/21 SEASON (First Edition)

Last man standing is a prediction game that will ultimately help raise crucial funds for the club as well as giving the winner a cash prize.

The Rules

1. You pay to enter (£10 Entry Fee)

£10 Entry Fee to enter 50% going to the club and 50% going to the winner.

2. Pick 1 football team each week

The rules are simple, pick 1 team each week (Friday, Saturday, and Sunday games) from either of the English Premiership, Championship, League 1, or League 2. **If your team wins you pick a different team next week, if they lose, you're out.**

3. You cannot pick the same team twice

You cannot pick the same team to win more than once during the competition period. That means if you pick Liverpool to win in the first week you may not pick them again during the rest of the competition.

4. Cup Games don't count

In the event of a cup weekend, only teams playing in the league games will be eligible for picking.

5. Deadline for your pick is 7pm Friday Night

This is to allow us time to collate all the entries. We allow picks for Friday, Saturday, and Sunday games so anyone who misses the deadline will be automatically assigned a team (see point 6). Please send your picks to the following number.

Kevin Heathcote – 07368 832 119

Sample Text – Kev Heathcote – Man United

6. Forget to make your pick? we will make one for you.

Should you forget to make your selection in any week you will automatically be assigned a random team. If you fail to pick a team twice then you will be removed from the competition and no refund will be given.

7. Automatic Bye if the match is postponed

If the team you have selected has had their match postponed after you made your pick, then you will automatically continue to the next round but will not be able to pick that team again.

8. In the event of a tie

The last person standing wins the pot, however, should there be 2 or more players left and they all pick a losing team, the pot will not be split between them, the competition will be a ROLLOVER.

If this occurs, all original entrants will be allowed back into the game if they wish but a further £10 entry fee must be paid. If you choose not to re-enter the rollover game, you cannot have your original stake money refunded. At this stage, new players will be allowed into the competition, but they would have to pay a £20 entry fee.
