

Using Images of Children

Occasionally, we may take photographs of the children at our Club. We may use these images in the printed publications that we produce, as well as on our website. We may also make video or webcam recordings for cup final matches, festivals and presentations, or other educational use.

From time to time, our club may be visited by the media who will take photographs or film footage of a visiting dignitary or other high profile event. Players will often appear in these images, which may appear in local or national newspapers, or on televised news programmes.

To comply with the Data Protection Act 1998 we need your permission before we can photograph or make any recordings of your child.
