Hoyland Common Falcons JFC U8's

Everyone associated with Hoyland Common Falcons JFC would let to say a big 'Thank You' to Sports & Active Recreation at Barnsley M.B.C.

Thanks to the grant from Sports & Active Recreation at Barnsley M.B.C, we have been able to purchase much need training equipment for our team.

This has made a huge difference to our team.

Unfortunately, after paying for kit, insurance and pitch costs we did not have the funds to purchase any training equipment.

We didn't want to increase the cost of participating in sport as this would have meant some children not being able to take part.

We see sport/exercise as an essential part of youth development. This grant has helped us to continue to help provide a healthy lifestyle for our team.

Many Thanks

Dene Firth – Hoyland Common Falcons JFC U8's
