THE FOOTBALL ASSOCIATION

A Code of Conduct for Football

Football is the national game. All those involved with the game at every level and whether as a player, match official, coach, owner or administrator, have a responsibility, above and beyond compliance with the law, to act accordingly to the highest standards of integrity, and to ensure that the reputation of the game is, and remains high. The code applies to all those involved in football under the auspices of The Football Association.

Community

Football at all levels is a vital part of a community. Football will take into account community feeling when making decisions.

Equality

Football is opposed to discrimination of any form and will promote measures to prevent it, in whatever form, from being expressed.

Participants

Football recognises the sense of ownership felt by those who participate at all levels of the game.

This includes those who play, those who coach or help in any way and those who officiate, as well as administrators and supporters. Football is committed to appropriate consultations.

Young People

Football acknowledges the extent of its influence over young people and pledges to set a positive example.

Propriety

Football acknowledges that public confidence demands the highest standards of financial and administrative behaviour within the game and will not tolerate corruption or improper practices.

Trust and Respect

Football will uphold a relationship of trust and respect between all involved in the game, whether they are individuals, clubs or other organisations.

Violence

Football rejects the use of violence of any nature by anyone involved in the game.

Fairness

Football is committed to fairness in its dealings with all involved in the game.

Integrity and Fair Play

Football is committed to the principle of playing to win consistent with Fair Play.

**By Order of the Council
November 1998**

Respect

We all have a part to play

Respect Code of Conduct

Young Players

When playing football, I will:

- Always play to the best of my ability and for the benefit of my team
- Play fairly – I won't cheat, dive, complain or waste time
- Respect my team-mates, the other team, the referee or my coach/manager.
- Play by the rules, as directed by the referee
- Be gracious in victory and defeat – I will shake hands with the other team and referee before or at the end of the game
- Listen and respond to what my coach/team manager tells me
- Understand that a coach has to do what is best for the team and not one individual player
- Talk to someone I trust or the club welfare officer if I'm unhappy about anything at my club.

I understand that if I do not follow the Code, any/all of the following actions may be taken by my club, County FA or The FA:

I may:

- Be required to apologise to my team-mates, the other team, referee or team manager
- Receive a formal warning from the coach or the club committee
- Be dropped or substituted
- Be suspended from training
- Be required to leave the club

- Encourage the players to respect the opposition, referee and match official
- Support positively. When players make a mistake offer them encouragement not criticism
- Never engage in, or tolerate, offensive, insulting, or abusive language or behaviour
