If your child suffers from any of the following, please let your Team Management know so that in the event of an incident they can take appropriate action. It is compulsory to inform us of any medical condition apart from those stated below including allergies: -

Asthma: YES / NO Epilepsy: YES / NO Diabetes: YES / NO Other: _____

If for any reason during training or through a match my child is taken ill and needs urgent medical attention, I hereby give permission for a responsible person to take my child to Hospital and authorise administration of anaesthetic.

If your child needs medication for a medical condition, the team manager and /or first aider must be informed and permission given to administer such medication, in the event that the parent / carer is not available to do so, however until any training and consent is given the parent / carer must attend training / matches or other organised events. If the child is of an age that they carry their own medication, this must be clearly marked with the child's name and emergency contact numbers. All medication must be readily available if required or asked for.

If the medication is not available or expired, the team manager reserves the right to prevent (in the best interest of the child) from taking part in activities that could affect their condition.
