## WELCOME TO DROITWICH SPA HOCKEY CLUB!

You are joining a fantastic volunteer led town club that was established in 1973. We have teams for all abilities: 3 Mens Teams, 2 Ladies Teams, and a growing Junior section for Badgers (11ys+) and Minis (6-10yrs).

If you are new to Hockey, you're particularly welcome – many of us played for the first time at this club. The season run from September to April with a 3 week break over the Christmas period. Matches take place on Saturdays and training takes place each week on Wednesday evenings.

For me, the best thing about Hockey is that it offers more than just playing in games and going to training, it is also a very social sport. Since moving to Droitwich and joining DSHC 25 years ago now, I have made lifelong friends and created so many memories on and off the pitch. My children have been involved with the club and it has always been the welcoming nature of the club that fills me with pride. As Chairman I am determined to ensure this continues and as such welcome you into the DSHC family and if there is anything I can do to help you please let me know.

Alasdair Littlejohn (Chairman)
