

## Parking

The Club Car Park off Brendon Grove (access from Wychwood Road; look out for the “Town Pavilion” sign) does get full on Sunday mornings so please park considerately. When the ground is sufficiently dry we will open the gate into the overflow car parking areas on the grass. Please do not park on Brendon Grove itself, as we often receive complaints from residents.

There are some places on Wychwood Road & Forest Road (marked below in red) where houses are not opposite each other which could provide parking spaces. Additionally, Wynhill Court is a private road off Forest Road and informally parking on one side of the road is possible provided access to Wynhill Lodge is maintained.

If you decide to park on Forest Road or Wynhill Court, access is only via the Carnarvon Place / Forest Road junction (marked with a star). To access the club from Forest Road, simply walk down Wynhill Court to the end and straight onto the pitch.
