LADIES SECRETARY REQUIRED

We are looking to find a willing volunteer to take up the role of secretary for our two ladies teams.

This is an admin role for which a background in football is not required, however an interest in football would be advantageous.

The club would be able to offer training and support to the new secretary.

The role varies slightly week by week, but we would not anticipate the tasks required taking any more than 2 hours when spread over a week.

If you are interested, or know of anyone that might be, then please let us know by sending us a message.
