

Young Leader Opportunities 2019/20 Season

Apply Now!

We are recruiting again for young leaders for the coming season. If you enjoyed working with us last season then you will need to reapply this season. The young leader programme at Marlow has been a real success and has led to improved results and enjoyment from the young players.

Please apply in writing to kateporter1@gmail.com stating why you want to be a young leader at Marlow HC and what days you are available to help out. I will arrange to meet you over the summer to discuss the roles available.
