# The Deepings Lions Group

The Deeping Lions are once again delighted to be supporting this great Tournament at Deeping Rangers, it is fantastic to see so many young Children playing in such great surroundings in such a well organized event, we wish luck to all involved....

The Deeping Lions have been fund raising for 30 years in and around Deeping and the surrounding villages and have raised over £250,000 for not only local good causes but international campaigns as well.

## **Who are the Lions and what do we do?**

The Deeping Lions are part of an international organisation who number approx 1.3 million people operating in over 100 countries. We are ordinary people from all walks of life (sounds like an advert doesn't it) who give a little time and effort for the good of the community and have fun doing it .

During our year we either run or get involved in

**The Deeping Carnival, The Duck race, Car boot sales, attend various markets (summer / Christmas) selling quiz sheets.**

**Oh yes, and we look after Santa as he does his rounds around the streets of Deeping and the surrounding villages.**

The Deeping Lions also have a good social life meeting up twice a month for meetings which we hold at the White Horse pub in Church Road Market Deeping during which we take care of business all mixed in with light hearted banter and a couple of drinks.

We also have bowling nights, Formal dinner nights, visits to the pub, River boat trips, Quiz's, Ladies shopping trips (sorry lads you cannot go), and supporting local beer festivals.

**All in all, a good group of people doing good and enjoying it.**

# Deeping Rangers Football Club

## Welcome Introduction

The Junior/Youth Section within Deeping Rangers Football Club I would like to extend a very warm welcome to all visiting players / managers and spectators to this year's Neil Olson Memorial Tournament.

Neil Olson was an integral part of Deeping Rangers over a number of years. Neil represented the football club as a player both within the junior/youth section and then into the senior teams. Neil also contributed to the development of junior football within Deeping Rangers through his coaching and managerial qualities. Over the years this tournament has been held in his honour, since his untimely death.

Obviously an event of this size would not be possible without a band of hard working volunteers, so I thank you all for your continued support of this event and Deeping Rangers Football Club.

This weekend's event is all about the junior footballers, and let's hope we have a thoroughly enjoyable couple of days and see some good football played in the right spirit of the game by players / managers and spectators.

All of today's match officials are qualified referee's, some newly qualified, so please show them the support and respect they deserve.

We ask all supporters to follow the guidelines laid down within the **FA RESPECT** campaign during this event and should anyone have any problems please do seek out a club official around the site.

### Please Remember...

- These are children playing football
- This is just a game
- The coaches are volunteers
- The referees are human
- This is not the World Cup

Let the children make their own decisions and support all participants in a positive manner...

# Format of the Day

## Under 7's / 8's

- Each age group will play matches on a 5-a-side basis (max squad of 10 players)
- 15 min games based on 5 teams per group
- As per FA rules (and as directed by Lincolnshire FA) these age groups will be played on a non-competitive basis, and no results will be recorded. All players in the two age groups will receive a participation medal after all the matches have been concluded

## Under 9's / 10's / U11's / U12's

- Each age group will play matches on a 7-a-side basis (max squad of 12 players)
- 15 min games based on 5 teams per group
- There will be two groups of five teams with teams playing each other once. The winners and runners up from both groups will proceed onto a semi-final knockout basis. 3 points are to be awarded for a win, and 1 point will be awarded for a drawn match.

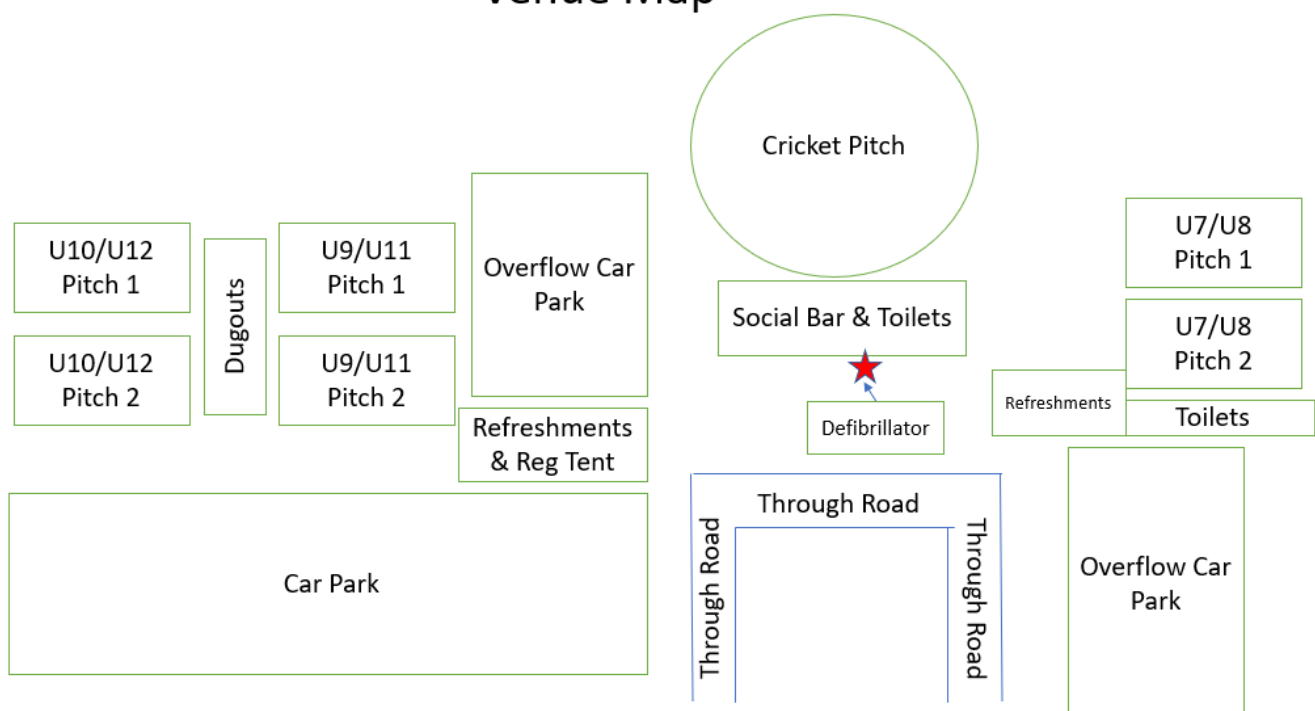

In the event of teams having identical points totals after all group matches have been completed, the basis on which they will be separated will be as follows :-

1. Goal Difference
2. Goals Scored
3. Head to Head record (should more than 2 teams be involved, then matches will form a mini group..)
4. Should there be no means of separation, then a 5min play off will be played

## Semi-Finals & Finals

Should any of these matches finish as a draw after normal time, the tie will proceed straight to a penalty shootout. Any 5 players who are on the field of play at the final whistle will take penalties (if scores are level, then sudden death will decide the tie, with the same 5 players going in rotation...) The winning team will receive a trophy and individual medals, and the runners up will also receive medals

## Venue Map

1. The field of play will be as appropriate for the age groups playing
