## History of CB Hounslow United

CB Hounslow United F.C is a Football club based in the London Borough of Hounslow. The team was originally named Richmond Rangers, and was a collection of friends and local troubled youth that where losing their path in life.

In season 1987/88 Richmond Rangers where disbanded and reformed in 1988/89 under the name of CB united.

CB Hounslow United FC carry the community flag for football and support in Hounslow, since the demise of the historic Hounslow FC which was formed in 1884. Community support is the essence of what we do as a club.

Currently the club supports Promise Academy for 16 to 18 year olds. With a sports and educational programme. Promise Academy Mini Kickers and OHM Sports Mini Kickers

CB stands for 'Cater Bank' which was the company co-owned by the late father of our Chairman/founder Frank James. CB Hounslow played in the Hounslow & District Football League with some distinction, and after 5 successful years we were promoted to the Middlesex county Football League (MCFL) in 1994/95 that is when we then took our present name CB Hounslow United. The club still have 3 sides that play in the MCFL and the 1st team playing in the Premier of Combined Counties FL @ Step 5.

CB Hounslow United 1st team played for 11 years in the MCFL before being promoted to the Combined Counties in 2005/6 season. The club is now affiliated to the Combined Counties League, Middlesex County FL, West Middlesex Sunday League, Allied Counties Youth League, Surrey Youth League, West Middlesex Youth League and Harrow Youth League and Greater London Womens league.

This season and going forward the club has now a Patron: Mr Max Lea MBE a stalwart in football, who come up through the referee ranks and played football for Old Parmerians Football Club. His support to Club is hugely appreciated and can only benefit the club going forward.

Also Frank the owner of CB has handed the reigns over to Mr Dave Fuller who will become the Chairman of the board and handle non on the pitch matters for the club. Allowing Frank to concentrate on just football matters as he enjoys running a team. Dave comes with a huge amount of experience. He is a MCFA Councillor and has officiated in Middlesex for over 50 years and CB itself for 20 years.

The club this season will be competing in The FA Cup, The FA Vase, The FA Youth Cup and MCFA Senior Charity Cup amongst many other Cups.

As always I would like to thank our numerous sponsors, who donate to the Youth & Ladies teams and the main body of the club and also help greatly with the fundraising. The club continues to grow its partnership with DNATA, United Airlines, Biffa, Tarmac. Mohan's Caterers, AIR Consultants, Time Worldwide Express, Mount Café,

As a club we are blessed with have many volunteers who make up our management, coaching and secretarial staff who without them the club wouldn't be where it is now.

## History of North Greenford United F.C.

The club was founded in September 1944 as a youth team. The following season saw the formation of a senior side with the club entering the Harrow League and later the Middlesex County League. In 1983 the club was promoted to the Spartan League but in 1994 it resigned to re-join the Middlesex League. Keen to regain Senior Status, ground improvements were undertaken, including the installation of floodlights, and in 2002 the club was elected to the Combined Counties League.

In 2003/04, managed by Steve Hawkins, the club were runners up in the Premier Challenge Cup losing 4-1 to AFC Wimbledon in front of a crowd of over 5,000 at Woking FC. In 2004/05 the club finished League runners-up and in the following year reached the League Cup semi-final. In 2006/07 the team, under Mick Harvey, went one better, but unfortunately lost 4-1 to Merstham in the final.

Steve Ringrose took over the Manager's job at the beginning of season 2008/09. In his first season Steve led the team to second place in the Premier League with the club finishing Runners-up to Bedfont Green. Season 2009/10 proved the most successful in the club's history when the First Team became Combined Counties Champions, earning promotion to the newly-formed Southern Football League Division One Central, as well as winning the MFA Charity Cup beating Enfield Town 1-0 at Hampton & Richmond's ground in front of a large crowd.

Despite having a difficult first season at the higher level the First Team succeeded in retaining its Step 4 status. However, despite notable cup successes, the first half of season 2011/12 saw the club struggling in the league. Steve Ringrose was replaced by Neil Shipperley in December 2011 and Shipps managed to successfully steer the side away from the threat of relegation.

Experiencing an even more difficult time at the start of season 2012/13, Neil Shipperley was re-appointed for a second term replacing Jon-Barrie Bates as First Team Manager. However, the team continued to struggle and, having lost 14 league matches on the trot, our only consolation was that Woodford United had still failed to notch up a single point. Our campaign that year was saved by an amazing end-of-season run which saw the team finish 19<sup>th</sup> – above the relegation places.

We were hoping to continue where we left off at the start of the following season but, again after excellent cup runs, we struggled in the league and narrowly escaped the drop after crucial wins against our two fellow relegation contenders, Chertsey and Ashford Town (Middx). Reserve Team Manager Paul Palmer, supported by Don Bennett, replaced Shipps following Neil's resignation midway through the season.

Following an indifferent start to the 2014/15 campaign it was decided to part company with Paul and ask Don to take over. Results though did not improve and in December 2014 Don tendered his resignation. Reserve Manager Barry Morris took over assisted by coaches George Bouhet and Fitzroy McLeod. After an initial struggle another impressive end-of-season run saw the team finish four points clear of bottom club AFC Hayes, and we were granted a reprieve by the FA.

Barry and his team were re-appointed for the forthcoming campaign, but in September Barry resigned and George took over. Unfortunately, poor results again left the club rooted at the bottom of the table, and in November 2015 the committee appointed two ex-Greenford players – Ricky Pither and Danny Bennell – as joint First Team managers to replace George. Despite some promising performances, results still did not improve and four wins and six draws were not enough to secure the points needed to avoid the drop. On this occasion there was to be no chance of another reprieve.

We were offered a place in the Combined Counties Premier Division after successfully appealing against an FA decision to place the club in the Hellenic League and, with their wide knowledge of local clubs and players, Ricky and Danny's team were invited to continue in their roles, with Mark Chandler taking over as joint manager following Danny's resignation. Unfortunately, due to poor league results which left the club languishing at the foot of the CCL Premier Division table, the NGU committee reluctantly decided to part company with Ricky and Mark at the beginning of October 2016.

The experienced management team of Danny Vincent and Colin Murphy were offered and accepted the position. They were duly appointed in time to take charge of the Chertsey Town home game on 11<sup>th</sup> October. After the poor start the club eventually finished the 2016/17 season in a creditable 13<sup>th</sup> position on 58 points, and with Danny and Colin still in charge, assisted by Terry Schofield who had joined the First XI management team, we were looking for a higher finish the following season.

Unfortunately, after an excellent start with a fine FA Cup away win against Welwyn Garden City, during the earlier part of the 2017/18 campaign we became the league's draw specialists dropping points in games we should have won. From the turn of the year the season will be most remembered for some of the worst weather conditions in living memory with the season extended to the second week in May 2018. Despite ending the campaign on a high with four wins on the spin, overall 2017/18 was a disappointing season with the team again finishing 13<sup>th</sup> but with fewer points than the previous year.

Two major changes were then forced on the club during the close season. First last season's management team unexpectedly resigned, and this was followed by an FA decision to move us to the Spartan League Premier Division. On the management side we were quick to re-appoint Paul Palmer and Matt Penfold who had just won promotion from the SSMFL Division One with Southall. Neither Paul nor Matt were new to the club. Matt served here for two terms under Neil Shipperley and Paul took over from Shipps after his resignation in February 2014. With the experienced squad they brought to the club, we had high expectations at the start of the 2018/19 campaign.

Unfortunately, these were not realized, and the team became embroiled in a relegation fight. Although three late wins helped secure our survival as a Step 5 club, a 16<sup>th</sup> place finish with just 34 points on the board left the committee with no choice but to make managerial changes. Following an impressive interview and an extremely successful 2 seasons as Under 18's manager, the decision was taken to offer the First Team post to Colin Jones a position which Colin, supported by his full Youth management team, accepted. That team, led by Colin, remained in post, with Dino Pashias taking over the role of Youth Team manager, hoping the re-run of the Covid-19 abandoned 2019/20 season would lead to a much improved league performance!

Unfortunately, a further Covid-19 lockdown again led to the early termination of the 2020/21 season, the highlight of which was a magnificent run in the FA Vase when, for the first time in the club's history, the First Team reached the Third Round Proper. In what turned out to be the final game of that season, played on December 19th, the team came agonisingly close to extending that run with an excellent away performance at an unwelcoming and hostile Lancing club, only to lose out 5-3 in the penalty shoot-out.

In April 2021 Colin Jones decided, for personal reasons, to resign as First Team Manager. The Committee met shortly afterwards and agreed unanimously to offer the position to Assistant Managers Paul Mills and Gary Brown. Paul and Gary accepted the offer, agreeing with each other to share the responsibilities of the post.

Having decided to go ahead with their NLS re-structuring plans, begun during the 2018/19 season, it was confirmed in May that, as expected, the club would be placed in the newly formed Combined Counties Premier Division North, returning to the league we had been moved away from to join the Spartan League at the start of the 2018/19 season. The club is looking forward to re-joining the CCFL confident we will do well with Paul and Gary at the helm.
