Rayners Lane Club History (short version)

The club was formed in the 1933/34 season and played in the Harrow, Wembley and District League. The Tithe Farm Social Club was formed and the football club absorbed into it, where it's remained ever since.

Spartan League football followed from 1956/57 but a step up was one too far and failure to gain re-election in 1970/71 forced a drop to the Middlesex League.

Looking for a new challenge 'the Lane' joined the Hellenic League in season 1978/79. Two years later the club were Division 1 Cup winners and a year later won promotion to the Premier Division, followed by a win in the Middlesex Premier Cup. Imposition of standards demanded by the Pyramid forced demotion to Division 1 of the league for season 1994/95. After a further two seasons 'the Lane' resigned from the Hellenic League to re-join the Middlesex County League and re-group. Attempts to transfer to the Chiltonian League were made, finally successfully at the end of season 1997/98. Efforts by the Chiltonian League to achieve a merger with another league eventually came to fruition with, surprise, surprise, the Hellenic League to form an Eastern Division 1 and 'the Lane' were champions of this league in 2012/13.

Since 2013 it has seen an influx of younger players, mainly from the local area and they have represented the club with some credit, but lacking experience have not really challenged for any honours.

The 1st team spent the past four seasons in the South Midlands Spartan League. We have established a good squad of players and two seasons ago finished a creditable fourth in the league and it looked like they could have achieved promotion before Covid-19 aborted the season early. This season Ben Hanley has been appointed Manager and he will have a new challenge as under the re-structuring by the FA the first team are now members of the Combined Counties Division 1.

Development off the pitch has accelerated. It started with the erection of floodlights and the ground finally meeting Step 6 criteria. In the last three seasons the club not only had a 3G pitch but a brand-new clubhouse. It also has a floodlit MUGA and car park to cater for all spectators and hopefully will lead to an increase in members joining the club.

History of CB Hounslow United

CB Hounslow United F.C is a Football club based in the London Borough of Hounslow. The team was originally named Richmond Rangers, and was a collection of friends and local troubled youth that where losing their path in life.

In season 1987/88 Richmond Rangers where disbanded and reformed in 1988/89 under the name of CB united.

CB Hounslow United FC carry the community flag for football and support in Hounslow, since the demise of the historic Hounslow FC which was formed in 1884. Community support is the essence of what we do as a club.

Currently the club supports Promise Academy for 16 to 18 year olds. With a sports and educational programme. Promise Academy Mini Kickers and OHM Sports Mini Kickers

CB stands for 'Cater Bank' which was the company co-owned by the late father of our Chairman/founder Frank James. CB Hounslow played in the Hounslow & District Football League with some distinction, and after 5 successful years we were promoted to the Middlesex county Football League (MCFL) in 1994/95 that is when we then took our present name CB Hounslow United. The club still have 3 sides that play in the MCFL and the 1st team playing in the Premier of Combined Counties FL @ Step 5.

CB Hounslow United 1st team played for 11 years in the MCFL before being promoted to the Combined Counties in 2005/6 season. The club is now affiliated to the Combined Counties League, Middlesex County FL, West Middlesex Sunday League, Allied Counties Youth League, Surrey Youth League, West Middlesex Youth League and Harrow Youth League and Greater London Womens league.

This season and going forward the club has now a Patron: Mr Max Lea MBE a stalwart in football, who come up through the referee ranks and played football for Old Parmerians Football Club. His support to Club is hugely appreciated and can only benefit the club going forward.

Also Frank the owner of CB has handed the reigns over to Mr Dave Fuller who will become the Chairman of the board and handle non on the pitch matters for the club. Allowing Frank to concentrate on just football matters as he enjoys running a team. Dave comes with a huge amount of experience. He is a MCFA Councillor and has officiated in Middlesex for over 50 years and CB itself for 20 years.

The club this season will be competing in The FA Cup, The FA Vase, The FA Youth Cup and MCFA Senior Charity Cup amongst many other Cups.

As always I would like to thank our numerous sponsors, who donate to the Youth & Ladies teams and the main body of the club and also help greatly with the fundraising. The club continues to grow its partnership with DNATA, United Airlines, Biffa, Tarmac. Mohan's Caterers, AIR Consultants, Time Worldwide Express, Mount Café,

As a club we are blessed with have many volunteers who make up our management, coaching and secretarial staff who without them the club wouldn't be where it is now.

. A SHORT HISTORY OF WEMBLEY FOOTBALL CLUB

WEMBLEY FOOTBALL CLUB was formed in 1946 following an amalgamation of various junior clubs, predominantly Sudbury Ratepayers Association and Sudbury Rangers. Nicknamed the 'Lions', (the symbol of the British Empire Exhibition held at Wembley in 1924/25, the emblem was also used by the local speedway and ice-hockey teams), they found a home at Vale Farm and have remained there ever since, developing a roped-off pitch into a respectable non-League football ground.

Entry was immediately made into the Middlesex League. After finishing a creditable fourth in their first season they went on to win the championship in 1947/48. A further season was spent in this league before the Club progressed into the Spartan League in 1949/50. Here they stayed for two years, clinching the Western Division title in 1950/51 as a result of which they became founder members of the Delphian League.

In season 1955/56 they reached the finals of both the London Senior Cup and Middlesex Senior Cup and also finished runners-up in the Delphian League. In recognition of these achievements they were invited to join the Corinthian League and subsequently vastly improved the facilities at Vale Farm.

Following a quiet period the Club moved into the Athenian League (1963/64) which had absorbed both the Corinthian and Delphian Leagues to create three divisions. Wembley were placed in the middle section. Malcolm Allison (1962-1963) and Allen Batsford (1964 -1965) were both employed as coaches by the Lions during this period, although their respective spells were brief. Both gentlemen went on to have distinguished careers elsewhere and who knows where the Club might be today had either one of them remained at Vale Farm.

Wembley did manage to gain promotion to the Premier Division in 1967/68. To anticipate further progress floodlights were installed, a new clubhouse and dressing-room complex were built and eventually admission to the expanding Isthmian League was granted in 1975. Finished runners-up in their final season justified Wembley's elevation.

Wembley began their first season in the Isthmian League (1975/76) in the second division (now the first division). The closest they came to promotion to the Premier Division was in 1985/86. After completing their fixtures, Wembley headed the table, but missed out on going up by two points when both St.Alban's City and Bromley won their respective games in hand. Only two teams went up in those days.

Despite failing to achieve promotion, Wembley obtained some minor compensation by recording various cup successes during this period. In 1980/81 they reached the First Round Proper of the F.A. Cup for the one and only time, losing 0-3 to Enfield at Southbury Road.

The Middlesex Charity Cup was won outright for the first time in 1982/83, while the Middlesex Senior Cup was also clinched for the first time a season later with a dramatic 5-1 success over Hendon. In 1986/87 Wembley won the coveted Middlesex Cup double with final wins over Hayes in the Senior Cup and Feltham in the Charity Cup, a feat nearly repeated during the following season. Both finals were lost although the disappointment was tempered by beating Brentford at Griffin Park in the semi-final of the Middlesex Charity Cup, and having the final played at Wembley Stadium.

Several unprofitable years have followed and a fire at Vale Farm during the summer of 1992 almost ended Wembley's existence. Fortunately, thanks to some splendid off-the-field work, new facilities were quickly erected and the Club survived.

Wembley last won some silverware in 1994/95 with a 2-0 victory over Hampton in the final of the Middlesex Charity Cup. The Lions also went on to reach the second round proper of the F.A. Trophy in 1995/96 (their best run in the old F.A. Amateur Cup was also ended at the second round proper stage 1966/67 and 1968/69). However, their lengthy first division status was ended at the finish of that season when they suffered relegation into division two (now in Step Five). By claiming third place, a quick return to the first division was achieved a season later, but their division one tenure lasted just two seasons and they relegated again at the end of 1998/99. As a result of the restructuring of the Isthmian League's constitution, Wembley regained a berth in the first division (north) for the 2002/03 season. But they were unable to maintain their place and were demoted into the second division at the end of that campaign.

Wembley were forced to leave the Isthmian League set-up at the end of the 2005/06 season following the disbanding of the second division. They joined the Combined Counties League. A sterling effort was made to win promotion during their first season (2006/07)), but they ran out of steam to end the term in third place.

Apart from that, they failed to make a real impact, although they did reach the final of the Combined Counties League Cup in 2010/11, but lost to Sandhurst Town, 0-1, at Farnborough. However, after their participation in the following season's F.A. Cup, (their Extra-Preliminary Round tie with Ascot United was covered live on Facebook) the competition sponsors, Budweiser, offered the Lions a much-publicised deal which they could not refuse. This included the signing of several retired professionals to help the Lions progress as far as possible in the 2012/13 F.A. Cup under the guidance of Terry Venables. Unfortunately, Wembley only played three games in the competition before bowing out.

After eight years, Wembley's membership of the Combined Counties League was ended by a lateral move across Step Five of the non-League pyramid into the Spartan South Midlands League Premier Division, joining in 2014/15. Here they stayed for seven seasons. Their highest placing was fourth in 2016/17, and the closest they came to winning a trophy was also in the same season, when they were runners-up in the Premier Division Cup, beaten nil-one by Hoddesdon Town in the final at Oxhey Jets.

Following two curtailed seasons in the S.S.M.L due to Covid 19, and further alterations to the non League structure, Wembley were moved back into the Combined Counties League (2021/22), and celebrate their 75th anniversary in the newly formed Premier Division North.
