# FROM THE DUGOUT

*Andwar Uddin gives his thoughts on the season so far and today's game*

Good afternoon everyone and welcome to Foxbury Avenue. We hope you enjoy today's festive fixture and we would like to wish you all a very merry Christmas & a happy new year.

We had two very good games last year against Rusthall and I was particularly impressed with some of the players they had last season. We know there has been some change at the club and they will be bang up for today's fixture with new players trying to stake a claim on a playing spot and they will want to improve on recent results. We expect another tough fixture but a challenge we are looking forward to.

It's great to now have Carly our new physio on board who is working her magic on some of our long term injuries. Unfortunately Aaron Frey is still a long way off but Sam Edwards, Phil Wilson and Immed Kartita are all close to a return.

As a club we have had lots to deal with this season and we seem to be a good place for Bostik scouts to watch as each week we seem to be getting more 7 day approaches for our players. We are a club that want to develop players and we will never stand in anyone's way if a good move comes there way but it's important we get the balance right between development and growth. We want to have a squad full of players that want to be at the club and and take pride in wearing the jersey.

With the current squad we have I feel it's time our results reflect our performances. We need to start picking up more points and heading back in the right direction so I'm challenging my players to do so today & take that improvement into 2019. We have some good players and at times play great football but I'd like more points in the new year.

Enjoy the game

# CHAIRMAN'S NOTES

*Matchday message from Rocky McMillan*

A very warm welcome to our friends from Rusthall FC and Cray Valley FC  
Due to the holidays we have had to produce a dual programme .

Both clubs come to us at either end of the league table

Rusthall will be with their new Manager and I'm sure a few fresh faces.  
We know they will be giving 100 pc today and expect a real contest .  
Cray Valley are at the top end of the league , scoring plenty of goals - and  
once again I'm sure they will be asking plenty of our defenders .

Our disciplinary record continues to disappoint . Another sending off last  
week means Max Fitzgerald will miss our next 3 matches .

If we are to compete at the 'business' end of this league - not only must  
players perform with ability , but also with discipline .

At the end of 2018 we find ourselves mid table in the SCEFL Premier  
league . A lack of goals has cost us dearly and we are continually trying to  
improve our squad in that area. Tim Moffatt joins us from Fisher this week  
and we wish him well . Tim is a very experienced and versatile player  
who will bring a lot to the club on and off the pitch .

The SCEFL Premier is hugely competitive with some amazing budgets .  
There will be some very unhappy Chairman at the end of the season  
as five or six clubs have put substantial resources , aiming at promotion .  
As it stands only one will go up .

Our aim is to win every game, However we will never over extend ourselves and will continue to have a strong concrete base, rather than one of sand , likely to collapse at any time . Look at the number of clubs who are a shadow of their former selves or indeed now no longer with us .

Id like to welcome our Local MP Mr Bob Neil to the match versus Cray Valley . Bob is a huge supporter of the club and its a real pleasure to see him here today.

Id like to wish everybody a very happy Christmas and prosperous New Year . Thank you for your continued support

Rocky

### **Senior Honours**

**Winner 2015/16 London FA Senior Trophy**  
**Winners 2015/16 Kent Invicta League Cup**  
**Champions 2016/17 Southern Counties Eastern Football league 1st Division**  
**Runners-up 2016/17 London FA Senior Trophy**

**Glebe FC** were founded in 1995 by the present Chairman & his wife, Rocky and Grace McMillan.

From humble beginnings with just 1 under 8 team, the club has progressed at various stages, today hosting 20 Junior Teams, 4 vets sides, 1 Ladies Senior Side and of course the First XI, with over 300 members.

We are based in Chislehurst Kent, with 15 acres of grounds. Glebe, in the last couple of years have moved in and built a wonderful new sports complex, comprising of 5 pitches, a new stadium pitch, floodlit training area, multi-purpose Gym and a brand new Social Hub.

It hasn't always been easy. For years Glebe were nomads, winning every Junior Trophy that could be won, including 10 London County Cups at various ages, but never seemingly able to find 'a home of its own'. However we never gave up and moved into our 'New Home' in September 2014.

Also in 2014 Glebe FC won the prestigious 'London FA Standard Charter Community Club of the Year Award', voted by the Executive Committee of the London FA.

After progressing through the age groups and becoming a regular feature in Kent Youth Leagues, it was decided by the Committee back in 2010 to form a Senior Section. We are now in our 5th Season. The initial 2 years we ground-shared at Holmesdale FC. This was only going to be a short term stay as we were desperate to find our own venue. When Old Elthamians Rugby Club experienced differences with the Landlords, we were quick off the mark and signed a 25 year lease at Foxbury Avenue. With the help of the FSIF (Football Stadia Improvement Fund), we have built a stadium which we are really proud of.

Glebe FC continues to make new friends in its venture as a Senior Club. Having narrowly missed out on promotion in 2015/16 (where the winners of Sheppey v Glebe went up), Glebe went on to win step 6 by 12 points in 2016/17 as well as Runners up in the London Senior Trophy. This is our second year in the Premier Division and we are looking to build on last year's performance

We have a brief yet exciting history as a senior Club, which follows an exceptional history as a junior Club. Hopefully more trophies will be added in the years to come, in addition to the Cups and League success.

## Rushtall FC

The club were first registered with the Kent County Football Association on June 17th 1899 when the club joined the newly formed Tunbridge Wells League. The "Rustics" first success came in 1905 when the league was won in convincing style. The 1920's saw the club up among the best locally with the Kent Junior Cup Group "A" being won in 1924. The club were champions of the Tunbridge Wells League in 1923, 1924, 1925, 1926 and again in 1930. The success continued through the 1930's with more league titles and another Kent Junior Cup in 1935.

The Rustics were unable to continue these successes after the War and these were lean times for the club and in the 1970's the club were close to folding but just managed to keep going largely thanks to the hard work of the then secretary Peter Smith with just one side in the Tonbridge League.

The 1980's saw an influx of new young players and in 1982 the club won Division One of the Tonbridge League, at this point Derek Seal took on the roll of Chairman. One of his first tasks was to get the club into the Kent Amateur (now Kent County) League and the club lifted the Division Two Title at the first attempt in 1983-84. The success followed in the 1984-85 season when the Division One Title was secured on the last day of the season with a 1-0 win at Paddock Wood. After several embarrassing incidents at the Council owned Southwood Road recreation ground the club obtained the use of a field at Jockey Farm in the village. After a lot of hard work by the committee the ground met the League's ground grading criteria for Intermediate football. By now the club were running three senior sides.

An amalgamation with Rushtall Boys FC was a big step in making the club what it is today, the Rustics currently run three men's teams and close to 20 youth teams from Under 6 through to three teams at Under 18.

Work at Jockey Farm continues at pace as the club strive to improve facilities and a Directors lounge is now up and running and has been named the Derek Seal Suite in memory of our late Chairman who had the idea to build a ground at Jockey Farm. As soon as the 2016 - 17 finished contractors moved in and levelled the pitch and installed new drainage and the whole area was re-seeded. A new 125 seater stand is now installed and has been named in memory of former President Bob Woodhams, a new fence and path installed on the far side of the ground along with new dugouts. And both dressing rooms have been refurbished. The ground will now be called The Jockey Farm Stadium.

All this has been achieved by a small group of dedicated volunteers as the club strive to achieve their motto.....

**To be the best football club possible"**

## Cray Valley (PM) FC

This year will be the club's 100<sup>th</sup> season. Kent FA records show that **Cray Valley Paper Mills FC** was formed in 1919, and played in the new **Sidcup and Kent League Division II**. The Millers first match was a 1-0 victory against **Hamilton House FC** on September 20<sup>th</sup> 1919 which was followed by their first away match against **Sidcup Invicta**, beating them 7-0. Cray went on to win the division in their first season and were promoted to Division I. The following season Cray won the **Kent County Junior Cup** defeating **Sittingbourne Paper Mills** 3-0 in the final and the next registered success was in 1936/37 when they won the 3<sup>rd</sup> Division title in the **Kent Amateur League West Division**. From that time they have appeared in the records in every decade, whilst from the 1950/51 season the records show a continuous existence up to the present day.

The Millers played in various leagues such as The **Sidcup and District League** and were always known as Cray Valley Paper Mills FC, originally playing in green and white, which were the colours of the paper mills vehicles, and company banner. Cray won the **Kent County Junior Cup** for the 2<sup>nd</sup> time in 1977/78, and repeated this in 1980/81, the year the mills at St. Pauls Cray, (where they had played their games at the sports ground), closed.

The Nash family owned the paper mills and supported the football club until the mills closure. Cray lost their ground, and began a nomadic existence, playing out of various venues until they found a permanent home at Badgers Sports in Middle Park Avenue, Eltham, South East London. It was at this time the 'Paper Mills' was abbreviated to (PM)!

The first team enjoyed a successful period in the **South London Alliance**, winning Division 1 in 1983/84, before moving to the **Spartan League** in 1991, where they were runners up in division 1 South in 1998. Cray then became founder members of the **London Intermediate League**, in the following season were runners up, and reached the final of the league cup, whilst they were also runners up in the **London Intermediate Cup**. In 2001/02 Cray were elected to join Division One of the **Kent County League**, gaining promotion to the Premier division in 2003/04. Cray enjoyed a hugely successful season in 2004/05, when they won the Premier division by 11 points, along with the **Kent Intermediate Challenge Shield**, and the **Inter Regional Challenge Cup**.

Between 2000-2010 under manager Mark Edwards Cray enjoyed regular successes in the **London Intermediate Cup**, which has seen them win the competition four times and come runners-up once. In an historic 2011/12 season, Cray effectively gained two promotions, when they moved from the Step 7 **Kent County League**, to the Step 5 **Kent Hurliman League**. In their first season finishing 11th and reaching the semi final of the **Kent Senior Trophy**.

Seasons 2012-14 saw improvements on the previous campaigns with an 8th and 7th placed finishes whilst reaching the semi final of the **London Senior Cup** narrowly losing to eventual winners **AFC Wimbledon**. The Club also experienced it's first taste of the **FA Cup**, beating **Lancing** away before losing to **Redhill**. Steve Chapman handed over the reins to Paul Gross in 2014 and although he managed to emulate the achievement of his predecessor by finishing 7th in the newly named **Southern Counties East Football League** the following season a late season slump resulted in a disappointing 10th place finish.

James Collins took over the reins in 2016 and led the Club to arguably their most successful season in their 98 year existence. In addition to finishing in their highest League place (a very creditable 4th), they reached the final of the **Kent Senior Trophy** losing 2-1 to League Champions **Ashford Town**, before finishing the season on a high by becoming the lowest ranked team ever to win the **London Senior Cup**. On a memorable night at Dulwich Hamlet the Millers beat Ryman Premier Division team **Metropolitan Police** by 2 goals to 1.

Season 2016-17 also saw our youth development continue to flourish and our Reserves won the Suburban League, South Division and narrowly missed out on doing the double when they lost to **Met Police** Reserves in the League Cup final. Last season saw Kevin Watson appointed manager and following a transitional start he set about putting together a virtually new team with a mix of youth and experience. A very successful second half of the season culminated in a sixth place league finish and a runners up medal in the **London Senior Cup** where the Millers were beaten in the final by **Balham**.

Looking forward to our 100<sup>th</sup> season 2018-19, we'll be running teams at U12, U14, U18, and a Ladies side, as well as our senior teams, with ambitions to improve on last year's success.
