

Trowbridge RFC vs. Frome RFC South West 1 East Matchday Program

3:00PM Kick Off // Saturday 25th SEPTEMBER 2021 // Doric Park

A semi-truck with a dark blue trailer and a red cab is driving on a multi-lane highway. The sun is low on the horizon to the right, creating a bright orange and yellow glow that reflects on the road surface. The sky is a mix of blue and orange. The truck is moving away from the viewer towards the horizon.

We remain the only dedicated
driving agency in the area.

Presidents Welcome - Welcome to Doric Park

A warm welcome to our guests from Frome RFC, who make the short journey across the Wiltshire/Somerset border this afternoon for this local ,derby.

I am also very pleased to welcome all VPs who are joining us today for lunch ,and who hopefully will add to our home support and cheer home the boys in blue, for what will undoubtedly be a tight close-fought encounter.

Today is also an important day as we take time to remember some old friends and members who unfortunately are no longer with us. They all however have all helped make this great Club what it is today - either on the field of play, or off it. We will all raise to glass in the fond memory of Adrian Dark, Clive Aisbitt, Mike McGee and Pat Townsend.

In particular today we will also pay a special tribute to Keith Taylor (Car Park Keith) who also sadly passed away recently. Keith will be sorely missed by us all. His unfailing dedication to helping keep our car park organised efficiently in all weathers both on Saturdays and Sundays, made a massive contribution to the smooth running of our Club, since the move to Doric Park in 2013. He certainly will be a very hard act to follow!

We are pleased that some of his family will be with us today as we unveil a permanent memory of Keith's contribution to this Club. Please join us in the Car Park at around 2.00pm.

The past 18 months have been a very difficult time for us all. With no community rugby in which to participate or enjoy, compounded by the curtailment and closure of our commercial activities, we have been enormously grateful for the continued support and goodwill provided by our many sponsors and members. Their contributions have been vital in ensuring that TRFC is in a good position to enter what will be a new and interesting chapter in the Club's history

We sincerely hope that we are now on a road to the "new normal" without any significant bumps around the next corner. Covid does however appear to be here for some time to come, but hopefully we can come to terms with this and learn to adapt our lifestyles accordingly – time will tell?

Enjoy your afternoon here with us at Doric Park. Stay safe.

Ali Lund (Director of Rugby)

Hello everyone,

It is pleasing to be writing these programme notes off the back of two hard fought wins, a fortnight ago against Buckingham and last week a bonus point win over Chippenham RFC. I am happy that we are starting to front up and put in aspects of performances that the coaching team are pleased with. The performance against Chippenham was a step up from the week before and it is great that the leaders in the team have recognised the good stuff we did as well as identifying areas where we would like to get better.

It will be fantastic to welcome local rivals Frome to Doric Park today who I don't think we have played in a league fixture since 2018. They are a dangerous team, but it is all about making sure we control the ball and when we don't have the ball ensuring we increase the physicality levels from the past two games, that way we will put pressure on their attacking game otherwise they can be dangerous if we allow them to play.

Today will mark two home game debuts to Alafoti Faosiliva & Ethan Hutt. These are two players with excellent pedigree who are not only capable of some individual pieces of skill but also raising the standards of the players around them. It has been fantastic to watch & learn from both players in training. Enjoy the game lads!

Today marks the start of league rugby for all three of our sides in 2021/22 season which everyone is very excited about. We are starting to develop real competition for places through the squads and there are several players who are disappointed not to be selected to play for the 1st, 2nd or 3rd XVs today, but I try to remind the players regularly that a league season is a marathon not a sprint and there will be players who may have limited involvement today who could have significant impacts in the coming weeks. We aim to make training as competitive as possible to not only help players learn and improve but also have a lot of fun along the way.

It is fitting that a memorial is being unveiled today for Keith Taylor who sadly passed away recently. Keith was a top man and a huge asset to Trowbridge Rugby Club and respected and admired by everyone at the club. Clubs like ours only survive because of our amazing volunteers and I am truly thankful to everyone who gives up their time no matter how large or small to the benefit of our great club. You know who you are. Thank you!
