

The Great Timperley Auction

TSC is not immune to the effects of the current climate nor the numerous challenges that accompany it. Balls remain untouched, goals untroubled and the drayman's drop mate also an all too absent friend from our Stockport Road home.

Yet, in time honoured tradition TSC seeks to make both the best decisions it possibly can and at the same time create the most from the challenges we face. This happenstance allows us to look at how we can come together to support our club in both traditional and new ways.

To this end.....

TSC presents "The Great Timperley Auction"! A never been seen before opportunity to both donate and bid on a truly exclusive collection of Lots, the proceeds will contribute towards the replacing of green pitch along with other ongoing running costs such as grounds maintenance and repairs to the clubhouse at a time when our income has been hit hugely.

Whilst we currently have an opening number of items that we plan to put into the sale, we would also like to present the opportunity for you to take part and help us bridge the '£' gap we face. It couldn't be easier!

1. Take a photo or photos so that Bidders / Supporters get a great idea of what it is that is donated
2. Write a brief 1-2 line description.
3. Email everything to info@timperley-sports.com
4. Deadline for receipt of your photo and description is **Tues 9th June 12noon.** We will arrange delivery / collection of physical items on Weds 10th/Thu 11th June.

The Auction will go 'Live' on Fri 12th and will end on Saturday 20th June at 18.30pm

Over the next 2-3 weeks, we'll be promoting the auction throughout the club via website, social media and whats app groups.

The auction will go 'live' on the club website and anyone can bid on any item. Details about payment by the winning bidder and collection of items will be clearly marked.
