

Great Yarmouth—Broadland RFC

Mid Season Newsletter

Welcome to the mid season newsletter, with a round up of what's been happening at the club and what's planned for the future. Rugby in Great Yarmouth has had mixed success on the field in the Autumn, and I am sure all three senior sides will be looking forward to a number of key fixtures as we move into the second half of the season.

On the social side we have A Christmas Party (17th Dec) Boxing Day Match (26th Dec) and VP Lunch (14th Jan) to look forward to, and as a date for your diary the Annual Summer Ball and Awards Night on 13th May 2017

To all club members and friends of the club, have a very Merry Christmas and Happy New Year

Asa Morrison - Chairman

Alternative Training

The last few months have seen a few alternatives to training with the Senior Players, training on the beach, a fitness session at jump warehouse and the unusual but well attended Quasar Session. If any players have any good ideas for an alternative training session please raise this with one of the coaches.

Club Vacancies

The club currently has a vacancy for a Catering Manager. If any suitably qualified person is interested in this role please let a committee member know. The role is responsible for looking after the kitchen, organising and/or cooking food for Match Days and Events.

Youth and Mini Rugby

With great sadness Youth/Mini was suspended in July 2016. It remains the ambition of the club to restart the Youth and Mini rugby at the club. In order to do this we will need willing volunteers to take on the roles of Youth Chair, Youth Secretary, Youth Treasurer and in addition a suitably qualified individual to take on the role of lead youth coach and build a youth/mini coaching team. If you interested in helping re-establish a youth and mini section please email asabroadlandrhc@aol.com
