

Great Yarmouth—Broadland RFC

Mid Season Newsletter

Welcome to the mid season newsletter, with a round up of what's been happening at the club and what's planned for the future. Its been a challenging season so far on the pitch, the league restructure saw both teams being promoted despite finishing mid table, we knew we were in for a tough year. The 1st XV have managed to win in two of the last three fixtures, and the 2nds are still looking for a first win.

If you can get down to support the club, that would be great.

On the social side we have a VP Lunch (14th April) to look forward to, and as a date for your diary the Awards Night on 19th May 2017.

Looking forward to seeing you at the club

Asa Morrison - Chairman

Club Consultation

Back in the Autumn Several Club Members attended a consultation on the future of the club. Two main outcomes were identified.

1. Club Members wanted to stay at the current location
2. Club members were in favour of a longer term arrangement

Committee members are working with the council, and hope to be in a position to provide an update on this over the next few months

April VP Lunch—14th Apr

Club President Andrew Lovick is taking bookings for April's VP lunch (14th April)

Alternative Training

Over the last year we have seen a few alternatives to training with the Senior Players, training on the beach, a fitness session at jump warehouse and a Quasar Session. We also on occasion use indoor sports halls and Astro Turf pitches

If any players have any good ideas for an alternative training session please raise this with one of the coaches.

Security at Club

Some of you will be aware that the club has suffered a number of thefts of oil and more recently a break in to the storage garage. If you see any suspicious activity please report this to a committee member or if need please call the police directly
