

Maldon & Tiptree FC – Club Location and Directions

Maldon & Tiptree FC play at the Maldon Stadium, Park Drive, Maldon CM9 5JQ

When approaching from Chelmsford on the A414, at the first roundabout on the Maldon bypass take the third exit on the Morrisons roundabout onto Limebrook Way.

At the second roundabout take the second exit (straight over) remaining on Limebrook Way and do the same at the third roundabout on to Park Drive.

The entrance to Maldon & Tiptree FC is on the right immediately as Park Drive bends to the left.

We do have a carpark however this can become very busy. Please note that there are parking restrictions along Park Drive which includes parking on the grass verge. Car parks can be found in the high street and if parking in nearby streets we kindly ask you to be considerate to residents and do not block any driveways.

The club turnstiles are accessed via the parking area and will be open 90 minutes prior to kick-off.

Using What3Words for our location, the entrance to our car park is “surfacing.rummage.deny”

The ground has covered seating on three sides.

Access to the clubhouse is after the turnstile and there is a tea hut where hot drinks and food can be purchased and a licensed bar within the clubhouse.

There are toilets available within the clubhouse with additional toilets available either side of the entrance to the pitch.

Please be advised that the bar in the Clubhouse and the tea kiosk is now cashless accepting contactless card and mobile payments. Both cash and card payments are currently accepted at the turnstiles for admission to the ground.
