

Dear Existing or Potential Sponsor,

Southam Rugby Football Club continues to proactively build up a wide range of sponsors to support our non-profit making organisation that is run by many committed volunteers. We would like to thank those who have sponsored us in the past and look forward to welcoming existing and new ones for this season. The sponsorship monies not only go towards providing a valuable local facility for the youth and young adults of the local area to play rugby and gain important life skills such as teamwork, respect and discipline, but it also acts as the base for many community and charity based events supporting the local area.

In the last four years we have invested significantly in our clubhouse, pitches & facilities and have plans for phase three of a five phase investment programme next year. The results of the that investment can be seen on and off the pitch. On the pitch the youth team has represented Warwickshire, The Midlands and an England U19 place for Joe Tresendern. At senior level in 2016, we were promoted to Midlands II, where we compete at a high standard against the likes of Leamington, Kenilworth, Droitwich & Malvern. Off the pitch we have made great strides in improving the clubhouse and the car park area.

We offer varied levels of sponsorship from an individual player, match day sponsor, inclusion on playing strips and squad shirts right through to pitch side advertising boards etc.

For more information on sponsorship opportunities please contact Mark Harvey on mark.harvey1964@hotmail.com or Tony Porter on tporter@blue-eden.co.uk. Support need not just be cash but could include supplies (e.g building materials), time or a particular service.

As a valued sponsor we hold an annual sponsors day where we invite all our sponsors together for a lunch/drink and watch a game. We extend this invite to include our Presidents and Chairman's days and of course you are welcome at any match day Saturday.

Sponsor's Day 14th Oct 2017 Start 13:30 KO 15:00 v Malvern

Chairman's Day 4th November 2017 start 13:00 KO 14:30 v Nuneaton Old Edwardians

President's Day 3rd March 2018 start 13:00 KO 15:00 v Earlsdon

If you would like to support an ambitious local community based club then please contact us, we know we will have a package for you.

Regards

Southam Rugby Club
