We would like to welcome the players, officials, and supporters of **Woodbridge Town** to the Kings Marsh Stadium, the home of AFC Sudbury Academy, for what will surely be an exciting game of football. We hope you enjoy our hospitality and have a safe journey home.

AFC Sudbury run an elite football programme for 16-19 year olds. The AFC Sudbury academy is a unique place to study, play and train. With our state of the art FIFA 2* artificial main pitch, through to our purpose built Academy building and high end club house, AFC is a great environment for each youngster to develop both on and of the football pitch. The academy has numerous full time and part time staff to oversee the development.

The 2008-09 season began with a new Chairman at the helm with John Beecroft taking over from Keith Dixon who served the club for over sixty years as player, Secretary and for the past three decades as Chairman, A period that saw the club rise from the second division of the Ipswich & District League to the Eastern Counties League Premier Division. In February the club appointed Christian Appleford to replace Glenn Read who resigned his post as the club hovered perilously near the foot of the table but an 18th position was achieved to ensure survival. At the beginning of 2009-10 Mark Scopes took charge and began rebuilding an under strength squad. We flirted with relegation once again but a flourish in March and April earned enough points to rise clear of Wivenhoe Town and away from the threat of relegation.

After an inauspicious start in 2010-11 the team prospered to finish in a creditable 10th position. This was again improved in 2011-12 with the club finishing in 6th place, the club's highest finish since 1995-96. This season in 2012-13 the club embarks on its eighteenth consecutive year of Eastern Counties Premier League Football as the longest serving member of the Eastern Counties (Thurlow Nunn) Premier Division, with Mark Scopes starting his fourth season in charge assisted by club stalwart Marty Thorpe. The 2013-14 was a turbulent season for us which saw a number of senior players leave and after a poor start both Mark and Marty resigned from their positions, Sean Clements and Louis Newman took over the reins on a caretaker basis until Lee Elliston was appointed as our new manager. Although Lee recruited a number of players and performances started to improve he was unable to prevent relegation thus ending our stay in the premier division.

August 2014 saw us with a new manager in place, Jamie Scales, a local lad who played for the club taking over from Lee Elliston who returned to manage his previous club. Jamie was aware from the start that this would be a difficult challenge but could see it as a chance to rebuild and more importantly try to steady the team whilst working without a player's budget. Over the course of his three years in charge results and performances have improved seeing us continue to improve our final league position each season. After securing a fourth place finish last season, which gained us qualification into this season FA Cup competition, we are looking to continue these improvements in the forthcoming season.

In 1988/89 the Suffolk and Ipswich League Senior Division Championship was won under the management of Bill Riseborough, and it was during this season that Woodbridge applied for membership to the expanding Eastern Counties League. Town were duly accepted into Division One of the Jewson League and for the first season, 1989/90, home games were played at Kingston Field. During the three previous years negotiations had been taking place to secure a new ground and in March 1990 work began on the pitch, changing rooms and clubhouse facilities at Notcutts Park. In September that year Town moved to the new ground and the official opening in October was marked by a floodlit friendly against an Arsenal XI, which attracted a crowd of around 3,000.

After managing Woodbridge to respectable mid-table positions in their first two Jewson League seasons, Bill Riseborough resigned in March 1991 and was replaced by Dave Dixon and Les Simmons who steered the team to third place in each of their first two seasons, missing out on promotion in 1992/93 on goal difference. Consolation came with another Suffolk Senior Cup Final victory by defeating Stonham Aspal 5-3.

The 1993/94 season was one of Woodbridge's most memorable so far. By finishing runners-up in Division One the Club achieved promotion to the Premier Division, and further successes came via the retention of the Suffolk Senior Cup, the Harwich Charity Cup and the Churchman Cup. Woodbridge also became the first Division One side to win the Jewson League Cup by beating Chatteris Town 2-0 in the final. Having gained promotion, Town finished in a respectable tenth position under the guidance firstly of Dave Dixon and then, following his resignation, by Malcolm MacKenzie, whilst 1995/96 saw further improvement when fifth place was achieved and the final of the Suffolk Premier Cup was reached for the first time, although after two goalless games Bury Town lifted the trophy following a penalty shootout.

In 1996/97 the last 32 of the F.A. Vase was reached for the first time and the Harwich Charity Cup was won for the third time in five seasons. Towards the end of the season Malcolm MacKenzie resigned as Manager and was succeeded by ex-Town striker David Hubbick. In his first season in charge Hubbick guided Woodbridge to their second Jewson League Cup triumph, defeating Warboys Town 4-2 in the final, and also presided over The Woodpeckers' best F.A. Cup run so far, reaching the Third Qualifying Round before losing to Solihull Borough. Town's F.A. Vase hopes were ended by AFC Lymington in the last 64, and after enjoying a promising run in the New Year, Woodbridge faded to finish twelfth in the league.

Fantastic fundraising night for the Academy USA tour

Saturday night saw the camels arrive and the tote open at AFC ! There were around 130 punters in attendance, all looking to back the winning jockeys- made up from players, over 50s, supporters, children and coaching staff. The action packed evening was kindly hosted by Dave Mann from BBC Radio Suffolk. Adam Dunnage managed to be crowned top jockey, winning all of his races with his camels owner, Ricky Cornish, cheering from the crowd.

The evening was kindly sponsored by Richard Smith and the AFC Sudbury Vice Presidents' Club, along with DM ELECTRICAL.

Thank you to Multisports & Performing Arts, Mick Cannon, Melton Day Nursery, Jules Ankers, Mark Morsley, Pierre Skubich, Cally Brooks and Mark Dunnage for sponsoring the races and to chairman Phil Turner for his generous donation to the tour.

The first year academy lads are off to play games in California during late May.

Anybody that may be able to help sponsor the Academy California tour kit, please contact Gavin Peters on Strikersltd@aol.com or 07919051790
