WHO ARE WE ?

AFC (Amalgamated Football Club) Sudbury was formed on Tuesday 1st June 1999 from the amalgamation of Sudbury Town (founded 1885) and Sudbury Wanderers (founded 1958) making it then the newest senior club in East Anglia.

The first ever game was played at The Priory Stadium (the previous home of Town) on 17th July 1999 against a full Colchester United side in the Harwich Charity Cup Centenary Shield Semi-Final, and saw a 2-4 defeat after extra time in front of 397 spectators.

The club now plays at King's Marsh, Brundon Lane, Sudbury, which Wanderers purchased in 1972 and were previously water meadows, from which two pitches and a training area were created. The clubhouse was opened in 1985 and the dressing rooms in 1991. Floodlights were added in 1992 and the following year a 200-seat stand was built in addition to the two areas behind the goals being covered. In 2000 a new stand, 'The Shed', was opened and caters for 300 standing fans. In 2016 seating was added into The Shed stand as well.

AFC Sudbury's Academy was launched in 2015/16 and has very quickly become one of the best academy's in the region with numerous silverware in the trophy cabinet and players now studying in USA and playing professional football. AFC Sudbury Girls Academy was launched in 2019 and has proved an immensely popular option for girls interested in studying and playing sport post sixteen.

The AFC Sudbury Women's team has a rich and colourful history, the latest chapter of which begun in late 2018 following a restructure. Now under new leadership and guidance, the future of women's football in Suffolk looks very exciting at AFC Sudbury.

ACADEMY OVERVIEW

We are the only Football and Education Post 16 Scheme that provides the unique 'player performance pathway' where players are taught together, coached together and play together.

Every one of our coaches is also trained to degree level and therefore fulfills the role of coach and class teacher and instructor.

Our four Academy League Teams, AFC Sudbury Reserves, A, U19s and U18s only consist of players who are members of the Academy, we do not draw upon players who attend a different school or work or who plays for someone else. Similarly all our players only play for AFC Sudbury and no one else. We feel this is the only way to ensure your son develops alongside his peers and with the same coaches.

This may sound common but is unique in schemes such as this.

This unique program exposes our players to a high level of adult football from 16 years of age weekly in two leagues as well as regular age group football in our U18s and U19s. Because we do not balloon players in from outside the program a suitable volume of game time is available to maximise your two years with us.

ACADEMY NEWS

A 2-1 victory over Bowers and Pitsea FC booked AFC Sudbury U18s a trip to professional football club Bristol Rovers FC in the FA Youth Cup Second Round. Goals from Rauf Kabangu and 1st year player Jack Palmer saw off the gallant effort of the visiting EJA side who led at the break through a speculative effort following a counter attack.

AFC Sudbury proved to have too much firepower for the away side in the second half and travelled to Bristol on Tuesday 5th November for a 7pm kick off at the Memorial Stadium.

GIRLS ACADEMY NEWS

The AFC Sudbury Girls Academy traveled to St George's Park - the home of the England national teams - to take part in the national football youth league trophy. MEN'S FIRST TEAM NEWS

AFC Sudbury are pleased to announce the appointment of their new goalkeeping coach. Filling the role recently vacated by Darren Gould is Kevin 'Moley' Holland, a player well known to the Suffolk non league community. Our manager Mark Morsley said ' Danny mentioned Moley to me which was interesting as he played for me some years back at Needham Market. He is a really infectious guy who i like immensely and will not only be excellent for Paul Walker, he'll also have a 'presence' in the dressing room.'

WOMEN'S FIRST TEAM NEWS

AFC Sudbury Women made it two wins on the bounce as they ran out winners against Gorleston FC on Sunday, following on from their resounding 4-2 comeback victory against East Bergholt United the week before.

TODAY'S VISITING TEAM – KING

Before the demise of King's Lynn F.C. in November 2009, the Reserves played in the Eastern Counties League Premier Division.

The Club was reformed as King's Lynn Town F.C. for the 2010/11 Season.

The Reserves have been extremely successful by winning the United Counties Reserve League Division 2 in season 2010/11 and the U.C.L. Reserves League Division 1 in season 2011/2012. Cup glory eluded them, in the same season, as they failed to win in the finals of the Reserve Supplementary Cup & the Reserve KO Cup .

For the season 2012/13 they transferred to the Peterborough & District League where they were placed into Division one. They gained promotion in their first season, winning 20 out of their 28 games gaining promotion to the Premier Division, level 7 of the National League Pyramid, for the season 2013/14. They again gained promotion as league winners of the Premier League after a 17 game unbeaten run, to pip Netherton United to the title. Netherton gained a degree of revenge in beating Lynn in an 11-10 penalty shoot-out to win the Presidents shield.

After a successful application they moved back to the Eastern Counties League First Division for season 2014/15, level 6 of the National League Pyramid.

Having had a very successful season, they finished in 5th position.

In another very successful 2015/16 season, they once again achieved a 5th place finish.

GS LYNN TOWN FC RESERVES

In the 2016/17 season, although finishing in 10th position, the Team won the First Division K.O. Cup in a hard fought Final against Wisbech St. Mary.

In the 2017/18 Season the Young Linnets achieved a Creditable 6th position in the Eastern Counties League First Division. With a new squad of young Players the Team finished in 13th position after a slow start to the 2018/19 season.

The Reserve team priority as always is to try and blood youngsters into the first team, over recent seasons many of the younger players have been given an opportunity with the first team, who now play at Level 2 of the National League Pyramid.

It is hoped the development process of young players will continue and grow, therefore adding to the playing squad of the Club.
