EASTERN COUNTIES FOOTBALL LEAGUE

WHO ARE WE ?

AFC (Amalgamated Football Club) Sudbury was formed on Tuesday 1st June 1999 from the amalgamation of Sudbury Town (founded 1885) and Sudbury Wanderers (founded 1958) making it then the newest senior club in East Anglia.

The first ever game was played at The Priory Stadium (the previous home of Town) on 17th July 1999 against a full Colchester United side in the Harwich Charity Cup Centenary Shield Semi-Final, and saw a 2-4 defeat after extra time in front of 397 spectators.

The club now plays at King's Marsh, Brundon Lane, Sudbury, which Wanderers purchased in 1972 and were previously water meadows, from which two pitches and a training area were created.

The clubhouse was opened in 1985 and the dressing rooms in 1991. Floodlights were added in 1992 and the following year a 200-seat stand was built in addition to the two areas behind the goals being covered. In 2000 a new stand, 'The Shed', was opened and caters for 300 standing fans. In 2016 seating was added into The Shed stand as well.

AFC Sudbury's Academy was launched in 2015/16 and has very quickly become one of the best academy's in the region with numerous silverware in the trophy cabinet and players now studying in USA and playing professional football.

TODAY'S VISITING TEAM – IPSWICH WANDERERS FC

The Club started as an under 14's boys team in 1980 and two years later they entered the lowest division of the Ipswich Sunday League. After several years of success in Sunday football, the Club joined the newly formed Eastern Counties Division One in 1987 as founder members in a league which was at that time sponsored by Jewsons. The home games were played at our present ground at Humber Doucy Lane and the initial season was competed under the name of Loadwell Ipswich. Jimmy Barker became a very influential chairman and he negotiated a name change to Lancaster Ipswich FC before we eventually became Ipswich Wanderers. Jimmy died in November 1994 and his presence is sadly missed. Thankfully after all his work he saw the floodlights switched on in September 1994 in a match against Ipswich Town. Much progress has been made since those days and we now have a stand that seats 50 people covered hard standing on three sides of the ground, easy disabled access, an improved playing surface and refurbished clubhouse and bar. A lot more work was required to bring the facilities up to Premier Division standards and constant improvements are made every season under the direction of Development Officer Roger Woshalo and ground Manager Tim Davey. A losing Suffolk Senior Cup appearance in 1996/97 gave an indication that a promotion challenge was imminent and under the Chairmanship of Alan Haste, the club achieved Premier status the following season becoming Champions of Division One, nine points clear of Maldon Town and losing only three league matches all season. Reaping the rewards of a successful youth policy which saw numerous trophies filling the clubhouse cabinet, a well organised side with a good balance between youth and experience saw us establish ourselves as a Premier Division side for a number of seasons until we suffered relegation on the last day of the 2002/3 season at Wisbech. The following season saw Jason Dozzell join the Club as a Manager and after

a midtable finish in his first campaign, the Second season saw the Club sweep to the 1st Division title and with the assistance of Kevin Cunningham and Glynn Hague, the team finished 7th in the Premier Division in 2005/6, with the League second best defence and boasting home crowds on average exceeding 100. At the end of the 2005/6 Jason Dozzell and then Chairman David Bugg left the club. Local businessman Ed Nicholls became Chairman of the Club and John Clarkson was appointed Manager having arrived with a reputation from the West Country. During the season he guided the club to the final of the Ridgeons League Cup, the 5th round of the FA Vase and a Suffolk Premier Cup Semi Final against Ipswich Town. At the end of the campaign John left the Club and with exodus of players, the Club appointed ex player Louis Newman to the role, Louis built a young and inexperienced squad and after a poor start to a campaign which included some record defeats, he was replaced by another former player Steve Buckle who was brought in to rebuild the squad and hopefully retain the Club's Premier status. Unfortunately Steve was unable to prevent relegation and the only positive from the season was the Reserves capture of the Chell Trophy defeating Wroxham. Despite Steve's best efforts over the following few seasons the Club failed to build a promotion push throughout the campaigns and after a poor start to the 2011/12 season, Steve and Assistant Paul Grainger parted company with the Club. New chairman Terry Fenwick appointed Glenn Read and he brought in his own players and former Stowmarket Town boss Steve Jay as his assistant. He quickly revamped the squad and had the Club climbing the table before the end of the season. The 2012/3 season saw the Club just fail to clinch promotion to the Premier Division and lose on penalties in the semi final in the First Division Cup. The season did finish on a high as the Club clinched its first ever Suffolk Senior Cup trophy defeating local

TODAY'S VISITING TEAM – IPSWICH WANDERERS FC

rivals Whitton United in the final. It was a remarkable victory coming from a goal down in normal time and then from 3-0 down in the penalty shoot out. 2013/14 saw promotion achieved with two long unbeaten runs ensuring a return to the Premier Division, we also lost a tight Senior Cup final against Whitton United and set a new club record with a 12-1 win over Downham Town. The 2014/15 was mixed as we adapted to Premier Division and finished 9th and enjoyed a good run in the FA Vase but off field the club lost one of its driving forces Roger Wosahlo mid-season. In 2015-16 we defeated Canvey Island in the FA Cup and enjoy our best ever FA Vase run but with a heavy fixture backlog, relegation fears were only ended just before the season end. Glenn stepped down at the end of the season and for 2016-17 the Club appointed Shane Wardley as Player/Manager. Shane's first season saw us almost emulate our highest ever position, however, after a poor start to the 2017-18 season Shane resigned and following a disastrous spell under Mark Benterman, club legend Mark Goldfinch took over the side ably assisted by James Buckle and Daniel Thrower. Unfortunately, relegation could not be avoided and last season we consolidated and lost in the Senior Cup Semi Final to Cornard. With Stephen Boyle taking over as Chairman this summer, we have made some good signings and James and Mark will be looking to achieve promotion this campaign.
