

Kings Marsh Venue Guide

Surrounded by water meadows and beautiful countryside, the Kings Marsh Venue is the perfect setting for private and corporate events.

Home of football club AFC Sudbury, the state-of-the-art Kings Marsh Venue was opened by former England mid-fielder Jamie Redknapp in 2010. Kings Marsh Venue boasts four spacious, modern, and versatile function rooms for hire with plentiful free parking for 200 vehicles and full disabled access and facilities.

Our experienced events team can help you plan your function or you can consider our rooms a blank canvas to add your own personal touch.

Situated on the River Stour, the small market town of Sudbury can trace its history back to the Saxons. In the 18th Century, Sudbury became famous for its local artists that included painter Thomas Gainsborough who was born in the town and who's work was inspired by the stunning countryside.

Whether you're having a party, wedding reception, conference, meeting, away day, exhibition, class, or charity event, you can be sure of a warm welcome.

VENUE GUIDE

Kings Marsh Suite

A spacious, versatile, and yet stylish room, it has the capacity for up to 250 people for a reception or 150 for a seated dinner. Alternatively the Suite can be divided into two separate function rooms for smaller events (see the Redknapp Lounge).

The suite has a fully licensed bar (which is provided staffed as part of our evening hire) and wine list, sound system, and TV screens.

There is a fully equipped professional catering kitchen that can be used by our preferred external caterers to prepare food for your event or a smaller second kitchen that can be hired if catering for your own event.

The Mezzanine

Overlooking the Kings Marsh Suite is our mezzanine. Providing stunning views across the stadium's pitch on one side and looking down onto the King Marsh Suite from the other, the mezzanine is truly impressive.

The area is an ideal setting from which to impress a business associate, to celebrate a special occasion with loved ones or to be used as a 'breakout' area at corporate events and workshops.
