

# MINIS AND JUNIORS

## NEWSLETTER

### Spond

To minimise WhatsApp group chat, please use Spond to reply to polls and training / match availability requests.

### Kitchen Helpers

Bourne Minis & Juniors is run completely voluntarily. In order to provide teas and coffees for parents and hot dogs for the children, we need help so that we can focus on coaching. Each week we will ask parents of a particular age group to assist in the kitchen. All help is gratefully received - especially by the kids!

### WhatsApp

Each player should now be part of a dedicated WhatsApp team group for routine communication between coaches and parents.

An announcements group has also been set up to publish M&Js information.
