Maurice was well known locally, he played football for Leighton Rangers Old Boys and Leighton Town.

He later became a successful referee and linesman to the Southern League standard.

He was not only a local sporting legend but a true Gentleman who will be missed by all who knew him.

Even in his later years when things were difficult for him, he remained a true supporter and always wanted to know how Leighton were doing.

Welcome To Bell Close

Good afternoon and welcome to Bell Close for today's Spartan South Midlands League game against Broadfields United. We welcome everybody from Broadfields for this the first game between the two Clubs this season. We also welcome our Match Referee, Christopher Howes and his two assistants John Panconi and Adam Marsh. We hope they enjoy the game and our hospitality afterwards.

We also extend our welcome to today's Match Sponsor – Kevin Luff, in memory of Maurice Luff who was a well known local Sportsman and involved with the Club for many years.

Last Saturday saw us gain all three points against a good Harefield side thanks to goals from James Towell and Ashton Campbell but we probably should have scored a few more goals. A full Match Report by Max Bradfield is included in this programme. Once again our fans attended in good numbers to support the team, thanks to you all.

Next Saturday, 20 November we take a break from League games when we play in the FA Vase at Newport Pagnell, we know this will be a difficult match but hopefully we can start another run in a competition where we have done very well in the last two seasons, reaching the quarter finals twice.

Our Under 18 team will be playing here on Monday 15 November ko 7:45 against Luton Cedars, please come along and support the team who have been playing some excellent football this season. The experience they are currently gaining can only benefit them in the future, hopefully in Senior Football with Leighton Town.

The next home game for the 1st Team is on Tuesday 23 November ko 7:45 against London Colney.

Then on Saturday 27 November we will be playing away at Totternhoe in the League Challenge Trophy. This match will kick off at 2pm. Car parking will be available in Dunstable Town Cricket Club.

We hope you will enjoy today's game and hopefully another Leighton win.

A Message from the Luff family

Maurice Roger Luff: Born 29/01/1936

Sadly passed away: 16/3/2020

Maurice was a well-known and respected member of the local sporting community throughout his life. He played football for Leighton Rangers Old Boys and Leighton Town before assisting George Lathwell as physio to the 'Reds' first team. He was also a successful referee and linesman, officiating at the heady heights of Southern League level. As an avid cricketer he represented Mentmore, Leighton Buzzard and Eggington cricket clubs and in later life, he turned to bowls and represented both Linslade and Bedfordshire. A true sporting enthusiast who loved both the competition of team sports and the camaraderie.

As one Leighton Town old boy commented on his passing, "we have not only lost a sporting legend but also a gentleman".

Maurice contracted Alzheimer's disease in his later years and we as a family, stand in solidarity with all those individuals and families who are, or have been affected by the challenges this terrible condition presents.

There are 3 collections pots in the clubhouse bar, and we would be extremely grateful if you could make a donation to support the Alzheimer's Society who do such amazing and important work in this field.

Sincere thanks to Leighton Town FC for allowing us to sponsor today's game in memory of our beloved Maurice and for their generous contribution to the Alzheimer's Society. It is much appreciated by us all.

Let's celebrate Maurice's life with a Leighton Town win. "Up the Reds".

FOOTBALL

It's not about sitting in your £60 replica shirt 'watching' your team on an illegal feed in the back room of a pub. It's not about £5.2 billion TV deals and still paying fortunes for a cramped seat with a rubbish view. It's not about racist fans letting your club down on foreign soil. It's not about never playing at 3pm on a Saturday afternoon. It's not about your last 45 FA Cup games being live on the box. **It's not.** It's about making your way to your local stadium, getting you and a couple of kids in, buying a programme and still having change out of £20 to buy a drink in a bar that's friendly and welcoming to all supporters. It's about standing where you like on the terraces and shouting yourself hoarse in encouragement, jubilation and frustration. It's about the half time burger with too much ketchup. It's about warming up back in the bar after the game and convincing everyone that you'd do a better job as manager. It's about going home with a smile on your face. It's about non-league. It's about proper football.

Broadfields United Club History

1993: The Club was formed.

1994/1995 season: We ran ten teams, eight in the Southern Olympian League on Saturdays, five of those teams won their leagues with two teams finishing as runners-up.

1995/1996 season: Broadfields 1st team won the Presidents Cup at Harrow Borough.

1996/1997 season: They then went on to win Division One by six points, thus winning promotion to the Premier League.

1998/1999 season: Broadfields United Reserves came runners-up in Division One.

2001/2002 season: Broadfields ran six teams, 1st and Reserves playing in the Middlesex County Football League, Premier and Division One (Saturday's). Two teams played in the Harrow Sunday Challenge League and one played in the Hillingdon & District Sunday Football League. This was also the season of Broadfields Social Clubs disaster. We burnt to the ground, leaving only the changing/shower facilities. This however did not stop us from playing football, as indeed we did.

2003/2004 season: Broadfields runs less teams, 1st playing in the Middlesex County Football League, Premier Division, Manager: Marvin Hall, Coach: Mike Jennings, Physiotherapy: Mick Croft. Our Vets team played in the London Commercial League, Division 6 and went through to a cup Final. We also had two Sunday teams playing in the Harrow Sunday Challenge League. Chris Webster's team won the Harrow Sunday Challenge League Cup.

2005/2006 season: Chris Webster's team won the Harrow Sunday Challenge League and Jack Walker Cup.

2006/2007 season: Chris Webster's team won the Harrow Sunday Challenge League and Benevolent Shield.

2007/2008 season: Chris Webster's team were runners up in both the Sunday Premier Cup and Champions Cup.

2008/2009 season: Chris Webster's team won the Champions Cup and Jack Walker Challenge Cup. They were runners up in the Premier League.

2009/2010 season: Dene Gardner's (Saturday) team were runners up in the Middlesex Intermediate Cup. Chris Webster's team won the Middlesex County Premier Cup and Champions

Cup. They were runners up in the League and the Harrow Premier Cup.

2010/2011 season: A disappointing season by Broadfields standard. The Sunday team came runners up in the Champions Cup Final, narrowly losing 2-1.

2011/12 season: Alec Smith Premier Cup Champions. Chris Webster and Ryan Duffy lead the Saturday team to their first bit of silverware in many years.

2012/13 season: Alec Smith Premier Cup Champions. Ryan Duffy and Chris Webster defended their title whilst the newly reformed reserves under the management of David Webster and Robbie Pearce who lost in the Junior Open Cup Final and came runners up in the league. A successful season for the club.

2013/14 season: David Webster and Robbie Pearce proved very successful with the reserves by winning the Middlesex Senior Reserve Division and the Junior Open Cup. A platform for a new challenge next season.

2014/15 season: A terrific end to the season saw Ryan Duffy and Chris Webster lead their side to promotion to the Spartan South Midlands League Division One. The side lost just one of their final ten games and were granted promotion on the final day. The second side, led by David Webster and Robbie Pearce, moved their team to the Hertfordshire County League Division One and managed a mid-table finish and were unlucky to not make a final, being knocked out at the semi-final stage twice.

2015/16 season: The clubs first season in Spartan South Midlands League football saw us achieve an 11th place finish. The side also reached the semi-final of the Division One Cup. The Sunday Side completed a quadruple, winning the Harrow Sunday Challenge Premier Division, the Premier Cup, the Champions Cup and the Jack Walker Cup.

2016/17 season: The First team, under the guidance of Mark Barnham, Liam Bird & Ryan Duffy, won the Middlesex Premier Cup by defeating Hillingdon Borough 4-1 at Northwood FC's ground. They also reached the second-round proper of the FA Vase. The Reserve side managed by Dean Foster, won promotion to the Herts Senior County League.

2017/18 season: The First team, under the guidance of Liam Bird, Mark Barnham & Ryan Duffy, successfully defended the Middlesex Premier Cup by defeating landlords, Harefield 1-0 at

Harrow Borough FC. Success continued 5 days later when they triumphed in the Spartan League Challenge Trophy cup final when they beat Risborough Rangers in the final 3-1. Finally, first time in the club's history, we booked a place in the FA Cup for the forthcoming season after finishing 4th in the league. The Reserve side managed by Dean Foster also reached the Anagrams Record Trophy Final but went down 2-0 to Catholic United from the Essex League.

2018/19 season: The end of the 2018/19 season saw the first team achieve their main aim as promotion was secured. A tally of 94 points saw us finish behind runaway leaders, Harefield United, but guaranteed us a place as one of the top 9 teams from the 19 leagues at Step 6 and thus achieving promotion to Step 5 for the very first time. It was a long season which saw us play in our first ever FA Cup game, beating Banstead Athletic 3-0 in a memorable Extra Preliminary round tie. Unfortunately, in the next round we went down 4-1 to AFC Uckfield Town but nonetheless it was a great experience for the club to appear in the oldest cup competition in the world.

It wasn't to be quite as memorable for the reserve side who struggled in the league and although they managed to stay up on the last day of the season, the tough decision to withdraw the side in the close season was made.

2019/20 season: The season started full of optimism with the club playing Step 5 football for the first time and although the season started off brightly the team found the step up in opposition quality hard to deal with at times. We managed to find our feet and began picking up some good results along the way before COVID-19 curtailed the season. The highlight of the season was unquestionably a 2-1 victory away at Conference South side, Hampton and Richmond to reach the Semi-Final of the Middlesex Senior Cup in our first season in the competition. Although we were defeated in the next round away at Bedfont Sports.

2020/21: Ahead of the new season the club secured a new groundshare with Rayners Lane FC, a move back closer to the club's traditional 'home' of Harrow. Sadly, it meant departing Harefield United's Preston Park after many successful seasons.

LEAGUE HISTORY

The League is relatively young compared to other's being formed in 1922 as the Bedfordshire County League. With new clubs keen to join from outside the County it was decided in 1929 to change the name to the South Midlands League.

The League continued to consolidate and strengthen over the ensuing 70 years or so providing quality football for many teams over a large area of the South Midlands.

In 1997 it became apparent that the London Spartan League, which was very much to the South of the League's geographical footprint, was struggling administratively and, with the full support of the Football Association, the decision was taken to merge the two competitions with the new League being known as the Spartan South Midlands League.

The League now covers a wide area from North London in the South to Milton Keynes in the North and from Ware in the East to Aylesbury in the West.

The League is part of the FA's National League System (NLS) and comprises of three Divisions; Premier at Step 5 of the NLS, Division One at Step 6 and Division Two at Step 7.

The League has a proud record of promoting clubs to Step 4 of the NLS and has also provided 4 FA Vase Finalists including two winners in Arlesey Town and Hoddesdon Town FC.

The History of Leighton Town Football Club

Leighton Town, who were known as Leighton United between 1922 and 1963, were formed in 1885. They were mainly involved in local leagues until the outbreak of the Great War and were winners of the Leighton and District League on several occasions.

Leighton were one of the original members of the South Midland League in 1922 – which at the time was known as the Bedfordshire County League. They were also members of the Spartan League between 1922/23 and 1951/52, but their only successes being the Spartan League Division 2 title in 1923/24 and 1927/28. They were Bedfordshire Senior Cup winners in 1926/27.

In 1952, they became a founder member of the Hellenic League, but after two disappointing seasons, moved to the South Midlands League. In 1965/66 season however, the Premier Championship sat in the Leighton Town Boardroom. The club then rejoined the Spartan League in 1967/68.

Leighton proceeded to consolidate their League success by winning the Bedfordshire Senior Cup for three successive seasons in 1968, 1969 and 1970. Unfortunately, some of the successful players moved on to other clubs, and Leighton's fortunes again declined. A move to the United Counties League proved disastrous and after just two seasons, the club rejoined the South Midlands League.

During the '70's and '80's, Leighton were unable to capture the success of the '60's.

In 1990/1991 the First Team won the South Midlands League Challenge Trophy and the O'Brien's Premier Division Cup, both for the first time in the club's history.

The 1991/2 season was one of the club's best. The South Midlands Premier Division title, which had eluded the club for so long, was won, and with it a place in the Isthmian League.

1992/3 saw the Club's success continue when they won the Bedfordshire Senior Cup for the first time since 1970. The Club missed out on promotion in their first Isthmian League season by just a single point but the Youth Team retained the County Cup.

1995/6 saw the First Team win promotion to Division 2 of the Isthmian League, whilst at the same time retaining the Buckingham Charity Cup. In the 1996/7 season, Leighton won the Isthmian League Associated Members Trophy for the first time. 1998/99 saw the return of the Associated Members Trophy and the Buckingham Charity Cup.

Season 2003/04 Leighton won the Ryman Isthmian Second Division title. They were also named Ryman Division Two Team of the Year, and Paul

Burgess was awarded Manager of the Year. They also reached the Fifth round of the FA Vase, and the final of the Beds Senior Cup, before losing to Andover and Arlesey Town respectively.

The 2004-05 season saw the club placed in The Southern League East Division and finished in a creditable tenth place. They also won the Buckinghamshire Charity Cup. The Reserves won the Bedfordshire Intermediate Cup and the U18's won the SCYFL League Shield.

The 05-06 Season saw the Club progress again, improving on the year before, as they finished 8th in The Southern League Western Division. After a poor start, League results improved and the side only suffered four defeats from the start of November until the end of March, a play-off place just eluding them.

After three excellent victories interest in the FA Trophy competition ended with a single goal defeat to eventual semi-finalists, Borehamwood. The Club also reached the Beds Senior Cup Final, but sadly they again finished as Runners Up.

The Club were relocated to the Southern League Midland Division for 06-07 season but only one League win in the first six games and early exits in the two FA Competitions cost Paul Burgess his job in September. He was replaced by former Wycombe professional Keith Scott, results did improve but it was a disappointing season, although Town did win the Bucks Senior Charity Cup.

The 07-08 started brightly with the first League defeat not coming until mid-October. Three wins in the FA Cup saw the Club reach the 4th Qualifying Round for the first time in it's history. A 3-0 defeat to Conference South, Havant and Waterlooville finally ended the run. Keith Scott then left in December to join Windsor and Eton. In January 2008, Assistant Manager Sean Downey was appointed as First Team Manager and did a splendid job as the Club ended their League season in 9th place, winning the Bucks Charity Cup and reaching the final of the Beds Senior Cup once more.

The 08/09 Season the First Team finished 8th in the Southern League, Midland Division, achieving their highest points total to date at that level. The 09/10 season saw Leighton once again finish in the top half of the table, when they finished in 9th place and they also lost the Bedfordshire Senior Cup Final to Southern League rivals, Arlesey Town after penalties. Season 2010/2011, saw Town finish in 7th place in the League, gaining 69 points, their best performance since joining the Southern Football League.

The 2011/2012 a poor season saw Leighton finish in their lowest position for several years.

2012/13 was also very disappointing for the First Team as they finished in 20th place.

2015/2016 After 3 disappointing seasons Leighton finished the season in the bottom two of the Southern League Central Division and were relegated to the Spartan South Midlands League where they had last played in the 1991/92 season.

2016/2017 This was a disappointing season with the club struggling for much of the time after yet another Managerial Change. Things did pick up towards the end of the season and we eventually finished in 16th place.

2017/18 The club retained Scott Reynolds as Manager and finished 4th in the League and reached the Quarter Finals of the FA VASE. Gates improved and it was our best season for about 8 years,

2018/2019 Manager, Scott Reynolds resigned in the close season and Danny Nicholls was appointed as Manager but left in October due to work commitments. The Club then appointed Joe Sweeney and Paul Copson, who had previously won the Premier division title with London Colney as their new Management Team. They steadied the ship and we finished in mid table.

2019/2020 Was a good season for the Club as we again reached the Quarter Final of the FA Vase and after a slow start in the League the team started to find some good form as we slowly climbed up the table.

The team were also awarded the Team of the Month twice.

2020/2021 Town for the third time in 4 seasons reached the Quarter Final of the FA Vase but sadly lost out to 2 late penalties. An indifferent start in the League meant we could not quite gain the points needed to gain promotion in a Covid affected season.

2021/2022 Leighton are hoping to be challenging at the top end of the table but we are well aware that this is a difficult Division and several other strong teams will be competing to finish in the top 2 places.

Interview

Leighton boss talks Harefield game after late winner keeps Town top.

7th November 2021 by Andy Bone

Leighton Town manager Paul Bonham spoke to Sports Shots after his side's late winner against Harefield.

The result keeps Leighton Town top of the Spartan South Midlands League, Premier Division.

Despite the victory, Bonham gave a truthful view on the game, giving credit to the opposition.

If I'm honest, I don't think we played as well as we have, or could have, but we have to give credit to Harefield who I thought were set up very well and caused us a few problems .

Bonham did highlight the positives from the display.

The players had to dig really deep and they were rewarded with three massive points . We've not seen this side of the team yet and they showed great character.

Obviously the points are a huge positive but I'm pleased with how

many chances we created as a team. I don't think it's an unfair reflection to say we could have gone in at half time 4-1 up.

In the little time we've been here , you can see elements of what we are working on at training taken into the match .

Defensively I thought we were excellent, we were up against one of the best forward lined in the league and restricted them to only a couple of chances.

In closing, Bonham wanted to show his gratitude to the Bell Close faithful.

A massive thank you goes out to the fans, another huge crowd at Bell Close. It's a real privilege to have this huge following.

It was Ashton Campbell in the 86th minute who kept his composure after being put through to net the winner past the advancing goalkeeper.

Earlier in the day, in the 31st minute, Campbell was the provider as his centre was slotted home by man-of-the-match James Towell.

Nine minutes later the visitors were level but it was Campbell's strike that earned another vital three points.

Leighton Town: Connor Coulson, Joe Fitzgerald, Tom Silford, Brian Foulger, Bill Morgan, Ethan Flanagan, Sonny Newbury-Barr, Jordan Frederick, Ashton Campbell, Luke Dunstan, James Towell.

Subs: Tom Bryant, Alfie Osborne, Josh Hatton, James M'Glinchey, Freddie Heeps.

MATCH REPORT 6/11/21

Leighton Town 2 – 1 Harefield United By Max Bradfield

Leighton Town returned to the hallowed Bell Close on Saturday and sealed a deserved three points in dramatic fashion against a determined Harefield United.

Despite the Autumn chill creeping in, Leighton brought in 356 avid supporters, the majority of which, would have been left delighted after Ashton Campbell's late winner capped a dogged performance by the Reds against equally dogged opponents.

FIRST HALF

After a relatively timid start to proceedings, Bonham's Town broke the deadlock on 17 minutes with a goal that was far from glamorous. Ashton Campbell worked the ball excellently down the right wing before his low cross found James Towell whose finish caused chaos in the Harefield box. cannoned off the advancing goalkeeper and hit a defender, who was helpless as he watched the ball trickle into the empty net.

Leighton revelled in the good fortune and after this looked to really grow into the game. With dominant possession, Town were able to carve out good chances. With just over 25 minutes played, the home side will have been wondering how they hadn't doubled their lead. Jordon Frederick brilliantly pounced on a loose ball in midfield and provided a sublime showing of skill to get away from a hapless Harefield man. In a scorpion kick-like motion he was away and pushed the ball down the right. With the keeper rooted at the front post, the number eight looked up and squared calmly to an open Campbell who just got under the ball and lifted his effort over the empty goal. The out of character miss left many scratching their heads and seemed to give Harefield a new lease of life.

With their first chance of note, the visitors almost equalised six minutes later. A ball from the left was whipped in but the header went just over. This was a warning shot for Town as Harefield then went one better and equalised in the 40th minute. Breaking forward, Harefield cut the ball back to the right side of the box. Louis Bircham was there and slotted his effort smartly into the bottom right corner – narrowly evading Connor Coulson's dive.

SECOND HALF

This equaliser, and a cynical Fitzgerald booking put a damper on the

end of Leighton's first half and Harefield seemed to have momentum at the start of the second.

Five minutes in, the away side brought the pressure and won a series of corners. Leighton dealt with these well but were on the back foot now. On '52, it seemed a Harefield injury stoppage gave the home team time to collect their thoughts.

After the subsequent free kick, Town broke quickly. Campbell beat his man and found Luke Dunstan but the number 10's shot was straight at the keeper. This was the final real chance of any note as the game slipped into a trademark spell of non-league scrappiness. As the club Twitter reflected, the match took on a very stop start nature and Paul Bonham looked to the bench to shake things up.

67 minutes saw Dunstan make way for Alfie Osborne as Town continued to battle away. As the game approached the final 15 minutes, a draw looked to be imminent. Inside the final knockings subs were called upon again. This time, young Josh Hatton replaced Sonny Newbury-Barr on '83.

Leighton kept pushing. As the half chances came in for both sides, that earlier Campbell miss looked more and more important. So, how poignant it was that the man himself would score the winner.

Amidst a bitty second half, this Leighton attack seemed like a bolt from the blue. The ball was won in yet another midfield battle and Osborne played in Campbell. The Harefield back line was awry and with the forward bearing down on goal, the goalkeeper made a final charge. Campbell displayed fine composure that was perhaps missing in the first half and from 30 yards out slid the ball through the goalkeeper's legs to emphatically make it 2-1 on 86 minutes.

It was a great finale and yet another fine example of Leighton Town's resilience. The back four and keeper were once again excellent for Leighton, with new signing Bill Morgan and Ethan Flanagan particularly outstanding. With only 2 goals conceded in the past 5 games the Reds seem to have addressed their early season defensive frailties. In fairness the whole team appear to be defending more tightly as a unit and credit most go to the manager and coaching staff for their work on the training pitch. James Towell was chosen by match sponsors Nationwide Copiers, as Leighton Town's man of the match for his tireless running and attacking threat throughout.

Town are still top of the Spartan and after this breath-taking finish, attention turns to the next fixture when 13th place Broadfields United pay Bell Close a visit next Saturday.

How you can help

Many Non League football clubs survive with the help of volunteers, unfortunately like us they cannot survive on that alone. Sponsors, local businesses and their financial donations are also a huge help in keeping the club maintained and helping us to buy equipment, keep up repairs and every few years, purchase a new kit.

Even the smallest of sponsorship money contributes to our football club in so many ways. Programme Sponsors, match and player sponsors all help towards the up keep of the club and to keep it running for our supporters and the local community.

We are here to provide a nice happy place and to provide local football for everyone to enjoy. If you watch it, play it, or volunteer to help the club in any way, Leighton Town FC is for everyone.

Please spread the word about Leighton Town FC, tell your friends and family about us, to show them they have a local football club where they can enjoy a great friendly atmosphere, watch good football and to cheer on their local team.

What does more supporters watching our game mean? It means our team and players out on the pitch get the inspiration, the passion and the knowledge that the local community and supporters are behind them. Home supporters cheering on their team means so much. The noise and support the players receive when people watching cheer during the match, is inspirational for them and raises the desire to win.

When everyone pulls together to achieve success, from volunteers at the club generous sponsors, to the supporters and of course the players and Management, success will be accomplished.

Tell your friends and family, invite them down to Bell Close to come and support us and who knows what might happen

*If we behave positively

COMMITTEE AWAYDAYS

SSMFL Board & Committee member Bob Flight watched the top match in Division one as Winslow United entertained league leaders Stotfold.

On bright but very windy afternoon, Winslow played with the strong wind behind their backs and it was no surprise that they dominated the first half and led at half time by goals from Lewis Workman and Rio Deall. The large crowd expected Stotfold, now with the wind, to quickly get back into the game in the second half. However, in a mad few minutes just after the restart, they were reduced to 10 men by a straight red card and from the resulting free kick Winslow scored their third goal as Curtis Brown lashed the ball home from the edge of the penalty area. Whilst Stotfold tried to gamely respond, and they did pull a goal back, another straight red card saw them reduced to 9 men and a late Winslow goal from Robbie Carter sealed their fate. Had Stotfold kept the full team on the pitch they could have rescued something from this game. Perhaps it was just a bad day at the office!

ABOUT THE BUILDBASE FA VASE

The FA Vase effectively replaced The FA Amateur Cup in 1974.

In that year The FA Council had decided to abolish the official distinction between amateur and professional footballers and this meant the end of The Amateur Cup and Amateur Internationals involving England.

In its first season 220 clubs entered, but they did not include those that had dominated in The Amateur Cup. Enfield, Hendon, Dagenham, Skelmersdale United and others at their level were immediately allocated to The FA Trophy.

For the first time in history, small clubs – even village clubs – had the chance of playing in a national final at Wembley.

The first Vase finalists were Hoddesdon Town from the Spartan League and Epsom & Ewell from the Surrey Senior League. The Hertfordshire side edged home 2-1 before a crowd of 9,000.

Even a competition as democratic as The Vase had its elite clubs in the early years. Billericay Town, initially of the Essex Senior League, won it three times in four seasons. Halesowen Town, then in the West Midlands Regional League, appeared in three Finals and were successful in two. They even beat a Southall side that had a young Les Ferdinand leading the attack.

Until the new Wembley opened in 2007 the record attendance for a Vase Final was the 26,489 who saw the drawn 1989 Final between Sudbury Town and Tamworth at the old Wembley.

Tamworth won the replay 3-0 at Peterborough and Ian Moores, a former Division One player with Tottenham Hotspur, scored one of the goals.

The 2013-14 Vase competition was the 40th in history. Wembley had hosted 34 Finals, Villa Park and St Andrews two each, Upton Park and White Hart Lane one each. Thirty-two different clubs have got their hands on The Vase, donated by former FA Councillor Frank Adams. Whitley Bay lead the way with four wins.

Aficionados of The Vase competition tend to rate the 1992 Final between Wimborne Town and Guiseley as the best so far. Wessex League Wimborne had a modest record in the competition before then, having never ventured beyond the third round, but they embarked on a spectacular journey that took them all the way from the first round to the Final. A goal down after 14 minutes at Wembley, the Dorset side fought back to win 5-3.

When The Vase Final returned to Wembley, a record 36,232 fans saw Truro City beat AFC Totton 3-1. Whitley Bay, the 2002 winners, achieved a sensational hat-trick of Final victories from 2009 to 2011.

The Northern League's dominance continued for two more seasons, with success for Dunston UTS and Spennymoor Town before Sholing, then Wessex League champions, got their name engraved. North Shields then came from behind to win the first Final to go to extra time since 2001-02.

In 2015-16 Wembley Stadium staged the first Non-League Finals Day, which saw both the Vase and the Trophy decided back-to-back in front of almost 47,000 fans. Morpeth Town came from behind to stun Hereford 4-1 with 45-year-old Chris Swailes on the scoresheet to win the Vase with a third different club.
