A word from the Press Box

Good evening everyone and welcome to Bell Close for this evenings Spartan South Midlands Premier Division clash, between ourselves and Potton United. A warm welcome to our visitors, who we face for the 3rd but not final time of the season!

Well, sadly our FA Vase run has now come to an end. We exited the competition at the same stage we did in 2018, the Quarter Finals. A 4-3 defeat away at the hands of Corinthian FC. We were backed by such fantastic support, with the crowd pretty much all Leighton! We really appreciate and it has shown just how much everyone has come together in recent weeks. We want that to stay, as we still have 15 league games and 2 Cup Semi-Finals to play! We need your help as we make a big push, with the end of the campaign not far away.

In other news, tonight is the third fixture between ourselves and Potton of the season. It's a win for Potton and a win for us so far, both of which came in cups.

Tonight, it's the first league instalment of the season between us. It promises to be another exciting tie and we hope you all enjoy the game this evening. Up the Town!

History

Leighton Town, who were known as Leighton United between 1922 and 1963, were formed in 1885. They were mainly involved in local leagues until the outbreak of the Great War, and were winners of the Leighton and District League on several occasions.

Leighton were one of the original members of the South Midland League in 1922 – which at the time was known as the Bedfordshire County League. They were also members of the Spartan League between 1922/23 and 1951/52, but their only successes being the Spartan League Division 2 title in 1923/24 and 1927/28. They were Bedfordshire Senior Cup winners in 1926/27.

In 1952, they became a founder member of the Hellenic League, but after two disappointing seasons, moved to the South Midlands League. In 1965/66 season however, the Premier Championship sat in the Leighton Town Boardroom. The club then rejoined the Spartan League in 1967/68.

Leighton proceeded to consolidate their League success by winning the Bedfordshire Senior Cup for three successive seasons in 1968, 1969 and 1970. Unfortunately, some of the successful players moved onto other clubs, and Leighton's fortunes again declined. A move to the United Counties League proved disastrous and, after just two seasons, the club rejoined the South Midlands League. During the '70's and '80's, Leighton were unable to capture the success of the '60's.

In 1990/1991 the First Team won the South Midlands League Challenge Trophy and the O'Brien's Premier Division Cup, both for the first time. The 1991/2 season was one of the club's best ever. The South Midlands Premier Division title, which had eluded the club for so long, was won, and with it a place in the Isthmian League.

1992/3 saw the Club's success continue when they won the Bedfordshire Senior Cup for the first time since 1970. The Club missed out on promotion in their first Isthmian League season by just a single point but the Youth Team retained the County Cup.

1995/6 saw the First Team win promotion to Division 2 of the Isthmian League, whilst at the same time retaining the Buckingham Charity Cup.

In the 1996/7 season, Leighton won the Isthmian League Associated Members Trophy for the first time. 1998/99 saw the return of the Associated Members Trophy and the Buckingham Charity Cup.

Season 2003/04 was arguably one of the Club's best ever, as the First Team won the Ryman Isthmian Second Division title. The team was also named Ryman Division Two Team of the Year, and Paul Burgess was awarded Manager of the Year. They also reached the Fifth round of the FA Vase, and the final of the Beds Senior Cup, before losing to Andover and Arlesey respectively.

The 2004-05 season saw the club placed in The Southern League East Division and finished in a creditable tenth place. They also won the Buckinghamshire Charity Cup. The Reserves won the Bedfordshire Intermediate Cup and the U18's won the SCYFL League Shield. This was a significant achievement in the club's history.

The 05-06 Season saw the Club progress again, improving on the year before, as they finished 8th in The Southern League West Division. After a poor start, League results improved and the side only suffered four defeats from the start of November until the end of March, a play-off place just eluding them.

After three excellent victories interest in the FA Trophy competition ended with a single goal defeat to eventual semi-finalists, Borehamwood.

The Club also reached the Beds Senior Cup Final, but sadly they again finished as Runners Up.

The Club were relocated to the Southern League, Midland Division for 06-07 season but only one League win in the first six games and early exits in the two FA Competitions cost Paul Burgess his job in September. He was replaced by former Wycombe, professional Keith Scott, results did improve but it was a disappointing season, although Town did win the Bucks Senior Charity Cup.

The 07-08 started brightly with the first League defeat not coming until mid-October. Three wins in the FA Cup saw the Club reach the 4th Qualifying Round for the first time in its history. A 3-0 defeat to Conference South, Havant and Waterlooville finally ended the run. Keith Scott left in December to join Windsor and Eton. In January 2008, Assistant Manager Sean Downey was appointed as First Team Manager and did a splendid job as the Club ended their League season in 9th place, winning the Bucks Charity Cup and reaching the final of the Beds Senior Cup once more.

The 08/09 Season the First Team finished 8th in the Southern League, Midland Division, achieving their highest points total to date at that level.

The 09/10 season saw Leighton once again finish in the top half of the table, when they finished in 9th place and they also lost the Bedfordshire Senior Cup Final to Southern League rivals, Arlesey Town after penalties.

History

Season 2010/2011, saw Town finish in 7th place in the League, gaining 69 points, their best performance since joining the Southern Football League.

The 2011/2012 a poor season saw Leighton finish in their lowest position for several years.

2012/13 was also very disappointing for the First Team as they finished in 20th place.

2015/2016. After 3 disappointing seasons Leighton finished the season in the bottom two of the Southern League Central Division and were relegated to the Spartan South Midlands League where they had last played in the 1991/92 season.

2016/2017 This was a disappointing season with the club struggling for much of the time after yet another Managerial Change. Things did pick up towards the end of the season and we eventually finished in 16th place.

2017/18 The club retained Scott Reynolds as Manager and finished 4th in the League and reached the Quarter Finals of the FA VASE. Gates improved and it was our best season for about 8 years, however Manager, Scott Reynolds resigned at the end of the season.

2018/2019 The Club appointed experienced coach Danny Nicholls as the new Manager, but he resigned at the start of October. The Club then appointed Joe Sweeney and Paul Copson as their Management Team and results improved but we were unable to reach the top third of the table..

2019 We are hoping to be competitive this season with several new signings but this is a very difficult Division and we are well aware of the quality of many of the teams.

REPORT vs Corinthian

With the rain winning last weekend, the re-arranged game at Gay Dawn Farm saw Town bitterly miss out on progressing to the Semi-Final's. It was certainly a game a neutral would enjoy, but for fans of either team, it was nail-biting. Town started very brightly in the opening exchanges, with Webb firing wide of the mark, before James Towell had a great chance, albeit from a tight angle. His effort just went the wrong side of the post. However, it would be the hosts who took the lead on 9 minutes. Jack Billings rounded the Town rearguard and Jamie Head in the sticks with ease and tucked the ball home to make it 1-0. But, it was only 1-0 for a few moments as Town pulled themselves back onto level terms. Danny Webb's 42nd goal in all competitions, saw him get on the end of James Towell's flick on and poke the ball home past the stranded Corinthian keeper! But in what was a frantic four minutes, Corinthian went back in front just 2 minutes later! Luke Tanner finished off a Corinthian attack, to put the hosts in the lead again. All this, inside 13 minutes. The first half remained very cagey throughout, with neither side grabbing a foothold. Ashton Campbell's testing drive at the keeper on 32 minutes, was a good chance for Town. However, Town did end the Half very strongly and certainly became the more dominate side. There were big shouts for a penalty when Silford's cross clearly struck the arm of a Corinthian defender, but nothing was given by the officials. On 40 minutes, Town were forced into a change. Alfie Osborne picked up a knock and Louie Collier came on in his place. Just before the interval, the ever-lively Collier had a good chance after some great footwork, but his effort was palmed away by the keeper, before McClelland's follow up cross-come-shot was somehow just dealt with. The second half couldn't have started much better for Town, as they were back on level terms on 48 minutes! Collier's beautiful bit of skill on the left allowed him to run to the byline of the Corinthian goal, before squaring to Campbell, who's effort was nodded home accidentally by a Corinthian defender! With Town now on the front foot, they set about to try and get themselves in front. Captain Jordon Frederick entered the book on 60 minutes. Jamie Head made a good save to deny a long range Corinthian strike, but Town continued to play well and looked like scoring again. On 62 minutes, came a massive chance for Town. Webby's great ball into the box found Collier in space just 8 yards out. However, the keeper got out fantastically to make a great save to deny Town going in front. However, he couldn't deny them on 65 minutes, as Town put themselves into the lead for the first time in the game! Webb showed his class on the right to hook a ball into the box, which saw Ashton Campbell rise to meet it and power a header past the keeper, sparking scenes behind the goal between players and the brilliant travelling support! With Town now in front and with only 25 minutes to play, they knew it was going to be tough. Archie McClelland came off on 72 minutes and was replaced by Kieran Turner. With time ticking on, Corinthian continued to pile on the pressure. On 75 minutes, they pulled themselves back on to level terms. A long free kick was whipped into the area and headed home by Jack Bath, to make it 3-3. Despite it now being level, Corinthian we're beginning to dominate the tie. Town still looked good going forward, with pace on the charge. The hosts had a couple of speculative efforts go wide as the game continued to tick on. There were 2 Corinthian yellow cards given in quick succession for 2 fouls on Silford. The first, as he broke away from his own area, he was swiped at horrifically by a Corinthian player, which could've been a red. The second, up at the other box, he was taken out at. However, nothing was conjured up from the free-kick. With the 4th official raising the board for 4 minutes of added time, it was heartbreak for the Town. Corinthian broke through on the right hand side and slid a ball across the penalty spot. A very, very unfortunate slip saw Corinthian's Emmanuel Oloyede with space to finish past Head, to make it 4-3. With injury time still to play, Town still had a few minutes to try and find a way to make it 4-4. Ben Pattie was introduced in place of Dave Murphy. James Towell let fly from the edge of the area, which saw his shot whistle wide. A free kick on the left hand side was whipped in towards Pattie, but it was dealt with by the Corinthian backline. Then, the referee blew that dreaded full time whistle. The Town players sunk to their knees, whilst the Corinthian players celebrated reaching the semi finals, which will see them face Hebburn over 2 legs. Absolutely heartbreaking stuff for Town, who have been absolutely excellent throughout this run and over the last 5 months. Just Town's second defeat in that time, both of which have come in the cups. 8 games played in the Vase and 7 wins, with memorable games like Eastbourne, Eynesbury and Bradford along the way. The players have been magnificent, the managers have made the Town proud. Town go again in the league on Tuesday evening, when they welcome Potton to Bell Close in the league. A massive thank you goes out to everyone who travelled to Kent, to support the Town. There were more away than home fans by quite some way, so thank you for your support yesterday and throughout the Vase this season.
