Welcome to Bell Close

Good afternoon, today we welcome the Officials and Players of Harpenden Town and our 3 match officials, Jon Panconi, David Murphy and Eddy Clifford for what should be a very interesting and competitive game with both sides sitting in the top two places in the table on 14 points after 6 games, our superior goal difference puts us at the top of the table. Congratulations to Joe and the Team, it's been a long time since we were last leading any League Table and we all hope it continues but as you all know the League is a marathon not a sprint and there are still lots of difficult games to play.

After today's game we travel the short distance to Leverstock Green on Tuesday for another tricky game and we then have another away game against Tring Athletic on Saturday 18th. As the League are awaiting the results of today's FA Vase games, we are unable to tell you about any more fixtures for September at present but we have asked the League for away games while we carry out some major repair work to the pitch. We had a terrific crowd of 323 for the game on Tuesday night and we thank you all for coming along to support your team. Three consecutive home games with over 300 people at each game is incredible in this League and there must be many clubs at higher levels who would be delighted to get similar support.

A very rare sight on Tuesday night, when Dave Murphy scored his first goal of the season for Leighton. Dave is better known for his defensive qualities and has been a consistent player for us for a few seasons now as well as captaining the team on many occasions. Keep up the good work Dave cannot wait for number two.

Our Under 18 team also continued their good results with a hard fought 3-1 win over Luton Cedars.

Well, done James Heeps and his Team.

A Brief History Of Harpenden Town Football Club

Harpenden Town Football Club was formed as Harpenden F.C. 1891 playing in both the Mid-Herts and Herts County Leagues, winning the Mid-Herts on numerous occasions. Town was added in the 1908.

Town climbed into the South Midlands League in 1957 winning the Premier Division title in 1962 and 1965 and in 1968 adding both the Herts Charity Shield & the South Midlands League Shield to their trophy haul.

Season 1990-91 saw a significant investment in the club with the erection of the Centenary Stand, and, the installation of floodlights. The Club obtained entry to the FA Cup for the first time in 1998 and is a regular contender in the FA Vase.

After a turbulent period resulting in relegation from the Premier Division in 2000 and 2005. At the start of the 2006/07 season a new committee was in place their first move was to gain the Football Associations Charter Standard Accreditation, which ensured the correct structures were in place.

On the field the club also required stabilising and it was felt that more local community approach was needed so links with Harpenden Colts were established to bring through local young players ensuring a pathway from under sevens to adult football.

Success soon followed and after only one year Harpenden Town was named Herts FA Charter Standard club of the year thanks to their community work, which included hosting an anti racism event, an adult seven aside competition, free coaching offered to schools/junior teams and the development of women's football through the Herts youth system.

In 2015 having successfully obtained £100k of funding the clubs facilities were refurbished, this made a positive impact on the club and its profile.

2018-19 was the last for our very successful manager Danny Plumb. He achieved our promotion to the Premier Division in 2016-2017, the following season the club finished in 3rd place, winning the League Cup.

Over the last two seasons the club has established a strong position in the Spartan South Midlands Premier League with a stable group of enthusiastic coaches led by Micky Nathan.

Celebrating our 130th year we have been able to install state of the art LED floodlights.

Thanks to our expanding group of volunteers for the first time in a number of years the club have First, Reserve and U18 squads.

LEAGUE HISTORY

The League is relatively young compared to other's being formed in 1922 as the Bedfordshire County League. With new clubs keen to join from outside the County it was decided in 1929 to change the name to the South Midlands League. The League continued to consolidate and strengthen over the ensuing 70 years or so providing quality football for many teams over a large area of the South Midlands. In 1997 it became apparent that the London Spartan League, which was very much to the South of the League's geographical footprint, was struggling administratively and, with the full support of the Football Association, the decision was taken to merge the two competitions with the new League being known as the Spartan South Midlands League. The League now covers a wide area from North London in the South to Milton Keynes in the North and from Ware in the East to Aylesbury in the West.

The League is part of the FA's National League System (NLS) and comprises of three Divisions; Premier at Step 5 of the NLS, Division One at Step 6 and Division Two at Step 7.

The League has a proud record of promoting clubs to Step 4 of the NLS and has also provided 4 FA Vase Finalists including two winners in Arlesey Town and Hoddesdon Town FC.

MATCH REPORT

Leighton Town 2-0 Dunstable Town

Leighton went joint top of the Spartan South Midland Premier League following Tuesdays closely fought local derby with an ever improving Dunstable Town. Leighton started strongly and went ahead after nine minutes when Ashton Campbell's defence splitting pass found in form striker Dave Parkinson whose powerful shot beat visiting 'keeper Gould to the delight of another 300+ crowd. Leighton dominated the play and keeper Gould made a great low down save to stop Parkinson doubling the lead. Despite having most of the play Leighton were unable to increase their lead due to some excellent defending by the visitors.

Dunstable looked a different team in the second half and took the game to Leighton and whilst they had a lot of the ball, they really didn't trouble home custodian Coulson. The same could be said for Leighton who took back control as the game entered the last 20 mins but not many clear-cut chances were created. As the game drew to a close Dave Murphy popped up in the Dunstable 6-yard box and calmly smashed home Town's second a few minutes from the end following a corner.

This was a fair result and took Leighton to top of the table on goal difference with Harpenden Town, who they meet at Bell Close this coming Saturday 3pm. Dunstable will not be in their current League position for much longer if they continue to play as they did in the second half their ability and spirit which will take them up the table very soon.

Another big crowd is expected at the Club on Saturday, please arrive early to avoid delays at the gate.

Thanks for your wonderful support.

The History of Leighton Town Football Club

Leighton Town, who were known as Leighton United between 1922 and 1963, were formed in 1885. They were mainly involved in local leagues until the outbreak of the Great War and were winners of the Leighton and District League on several occasions.

Leighton were one of the original members of the South Midland League in 1922 – which at the time was known as the Bedfordshire County League. They were also members of the Spartan League between 1922/23 and 1951/52, but their only successes being the Spartan League Division 2 title in 1923/24 and 1927/28. They were Bedfordshire Senior Cup winners in 1926/27.

In 1952, they became a founder member of the Hellenic League, but after two disappointing seasons, moved to the South Midlands League. In 1965/66 season however, the Premier Championships at in the Leighton Town Boardroom. The club then re-joined the Spartan League in 1967/68.

Leighton proceeded to consolidate their League success by winning the Bedfordshire Senior Cup for three successive seasons in 1968, 1969 and 1970. Unfortunately, some of the successful players moved on to other clubs, and Leighton's fortunes again declined. A move to the United Counties League proved disastrous and after just two seasons, the club re-joined the South Midlands League.

During the '70's and '80's, Leighton were unable to capture the success of the '60's.

In 1990/1991 the First Team won the South Midlands League Challenge Trophy and the O'Brien's Premier Division Cup, both for the first time in the club's history.

The 1991/2 season was one of the club's best. The South Midlands Premier Division title, which had eluded the club for so long, was won, and with it a place in the Isthmian League.

1992/3 saw the Club's success continue when they won the Bedfordshire Senior Cup for the first time since 1970. The Club missed out on promotion in their first

Isthmian League season by just a single point, but the Youth Team retained the County Cup.

1995/96 saw the First Team win promotion to Division 2 of the Isthmian League, whilst at the same time retaining the Buckingham Charity Cup.

In the 1996/97 season, Leighton won the Isthmian League Associated Members Trophy for the first time.

1998/99 saw the return of the Associated Members Trophy and the Buckingham Charity Cup.

Season 2003/04 Leighton won the Ryman Isthmian Second Division title. They were also named Ryman Division Two Team of the Year, and Paul Burgess was awarded Manager of the Year. They also reached the Fifth round of the FA Vase, and the final of the Beds Senior Cup, before losing to Andover and Arlesey Town respectively.

The 2004–05 season saw the club placed in The Southern League East Division and finished in a creditable tenth place. They also won the Buckinghamshire Charity Cup. The Reserves won the Bedfordshire Intermediate Cup and the U18's won the SCYFL League Shield.

The 2005–06 season saw the Club progress again, improving on the year before, as they finished 8th in The Southern League Western Division. After a poor start, League results improved and the side only suffered four defeats from the start of November until the end of March, a play-off place just eluding them.

After three excellent victories interest in the FA Trophy competition ended with a single goal defeat to eventual semi-finalists, Borehamwood.

The Club also reached the Beds Senior Cup Final, but sadly they again finished as Runners Up.

The Club were relocated to the Southern League Midland Division for 06–07 season but only one League win in the first six games and early exits in the two FA Competitions cost Paul Burgess his job in September. He was replaced by former Wycombe professional Keith Scott, results did improve but it was a disappointing season, although Town did win the Bucks Senior Charity Cup.

The 2007–08 started brightly with the first League defeat not coming until mid-October. Three wins in the FA Cup saw the Club reach the 4th Qualifying Round for the first time in its history. A 3–0 defeat to Conference South, Havant and Waterlooville finally ended the run. Keith Scott then left in December to join Windsor and Eton. In January 2008, Assistant Manager Sean Downey was appointed as First Team Manager and did a splendid job as the Club ended their League season in 9th place, winning the Bucks Charity Cup and reaching the final of the Beds Senior Cup once more.

The 2008/09 Season the First Team finished 8th in the Southern League, Midland Division, achieving their highest points total to date at that level.

The 2009/10 season saw Leighton once again finish in the top half of the table, when they finished in 9th place and they also lost the Bedfordshire Senior Cup Final to Southern League rivals, Arlesey Town after penalties.

Season 2010/2011, saw Town finish in 7th place in the League, gaining 69 points, their best performance since joining the Southern Football League.

The 2011/2012 a poor season saw Leighton finish in their lowest position for several years.

2012/13 was also very disappointing for the First Team as they finished in 20th place.

2015/2016 After 3 disappointing seasons Leighton finished the season in the bottom two of the Southern League Central Division and were relegated to the Spartan South Midlands League where they had last played in the 1991/92 season.

2016/2017 This was a disappointing season with the club struggling for much of the time after yet another Managerial Change. Things did pick up towards the end of the season and we eventually finished in 16th place.

2017/18 The club retained Scott Reynolds as Manager and finished 4th in the League and reached the Quarter Finals of the FA VASE. Gates improved and it was our best season for about 8 years,

2018/2019 Manager, Scott Reynolds resigned in the close season and Danny Nicholls was appointed as Manager but left in October due to work commitments. The Club then appointed Joe Sweeney and Paul Copson, who had previously won the Premier division title with London Colney as their new Management Team. They steadied the ship and we finished in mid table.

2019/2020 Was a good season for the Club as we again reached the Quarter Final of the FA Vase and after a slow start in the League the team started to find some good form as we slowly climbed up the table. The team were also awarded the Team of the Month twice.

2020/2021 Town for the third time in 4 seasons reached the Quarter Final of the FA Vase but sadly lost out to 2 late penalties. An indifferent start in the League meant we could not quite gain the points needed to gain promotion in a Covid affected season.

2021/2022 Leighton are hoping to be challenging at the top end of the table but we are well aware that this is a difficult Division and several other strong teams will be competing to finish in the top 2 places.

THE NON-LEAGUE PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

THE BEAUTY of watching football is not knowing what's going to happen inside those 90 minutes.

Unfortunately, for me, I was on the wrong end of that last weekend.

The National League went crazy with 50 goals flying in across 11 games. There were three 4-3s, two 3-2s, three 2-2s and a 3-3. There were comebacks galore, red cards, own-goals and more big attendances. The start of the National League season really has delivered a strong advert for Non-League football.

However, on the same day in the division, there was also one 0-0, between Boreham Wood and Stockport County, which myself and 782 others attended. Groundhoppers especially will have had a moment like this, watching a drab stalemate as wild scores from around the country filter through. 'Why did I pick this game?'. It could even be happening right now as you read this! Sods law!

There was a spell last season when, in consecutive weeks, the games I went to finished: 1-0, 0-0, 0-0, 1-1, 1-0, 0-1, 1-0 before Hartlepool United ended my torrid run with a 7-2 victory at Wealdstone. I'd put in the hard yards.

I can't complain too much, though. A month or so later, I was at Ashton Gate, watching Torquay United goalkeeper Lucas Covolan score a 95th minute equaliser against, coincidentally, Hartlepool in the National League play-off final. It's cliché but it was truly an unbelievable moment. My brain couldn't process what my eyes had just seen.

It was the first time I'd attended a game in which a goalkeeper had scored and it made the arduous fixtures gone before all worthwhile. For every goalkeeper scoring a goal, there's several dozen 0-0s waiting around the corner!

Besides, if we knew how every game would finish, who would score and in what way, then football wouldn't have made it this far.

It's part of being a supporter too, each season different to the next, although usually with hopes of success often dashed as early as Christmas.

Football happiness is rare and short-lived. Here on Saturday, gone by Tuesday. Another fixture ready and waiting to deliver a dose of sporting reality.

In a strange way, however, as Boreham Wood and Stockport toiled to a goalless draw, it felt good, it felt normal, as the world continues to heal.

NLP reader Neil David wrote in our letters page last week how nice it was to be back in Non-League grounds after attending Mildenhall Town's FA Cup victory over Yaxley.

"The chatter among fans, having a beer watching the game, seeing how much the players are enjoying being back," he said, before delivering the crucial line, "I didn't think I'd miss live football as much I have."

And that's exactly how I felt at Boreham Wood despite the outcome. I hope now we have learned not to take things, or football, for granted. Not even the 0-0s.

HOW YOUR SUPPORT HELPS

Many Non-League football clubs survive with the help of volunteers, unfortunately like us they cannot survive on that alone. Sponsors, local businesses and their financial donations are also a huge help in keeping the club maintained and helping us to buy equipment, keep up repairs and every few years, purchase a new kit.

Even the smallest of sponsorship money contributes to our football club in so many ways. Programme Sponsors, match and player sponsors all help towards the upkeep of the club and to keep it running for our supporters and the local community.

We are here to provide a nice happy place and to provide local football for everyone to enjoy. If you watch it, play it, or volunteer to help the club in any way, Leighton Town FC is for everyone.

Please spread the word about Leighton Town FC, tell your friends and family about us, to show them they have a local football club where they can enjoy a great friendly atmosphere, watch good football and to cheer on their local team.

What does more supporters watching our game mean? It means our team and players out on the pitch get the inspiration, the passion, and the knowledge that the local community and supporters are behind them. Home supporters cheering on their team means so much. The noise and support the players receive when people watching cheer during the match, is inspirational for them and raises the desire to win.

When everyone pulls together to achieve success, from volunteers at the club generous sponsors, to the supporters and of course the players and Management, success will be accomplished.

Tell your friends and family, invite them down to Bell Close to come and support us and who knows what might happen
