THE NEWS BIT

Welcome back to Bell Close to all of our wonderful supporters and our friends from Risborough Rangers, we're delighted to have you here this evening, for your first game back in the SSML and of course, at Step 5.

It's been almost 9 months give or take since we played a competitive fixture at Bell Close in-front of our supporters, however, it's been closer to 18 months since we played one with no restrictions. We're delighted to have you all here, it's been a journey and a half.

I'd like to add that this programme is far from complete. The first full issue of our new state-of-the-art programme will be for our next home league game.

For details regarding Clacton away, please see the next page.

Enjoy this evening.

A WORD FROM THE GAFFER

Joe Sweeney: Welcome to all our supporters for the start of a new season, it will be fantastic to see you all back at bell close , for me, the best thing about the club is the people at it and that includes all our brilliant supporters who care just as much as the players and myself. As usual pre season has been a mix of positives and negatives as we look at players, systems , tactics and measuring physicality of the whole squad.

Contrary to popular belief, we have not signed half of the league , we go into the new season, with a very settled squad made up of most of the players we have been lucky to have at the club for the last 2 years, plus we have added half a dozen to a squad that needed some freshness much like most clubs at our level .

What a week to have to kick off the new season, with a tasty local game at home in the league, followed by an exciting away trip to sunny Clacton!!

Football is always a mixture of ups and downs, and lots of hard work, we try to find a balance at our club, where we never get to down when things haven't gone to plan, and we never get to up when we have good days, for me at the level we are at, keeping a smile on your face, enjoying the company of others at the club, and having enthusiasm for all you do are what we try to concentrate on.

It's great to be back, we look forward to seeing you all, and remember that we stand together through it all.
