The main header features the club name 'OLD MANCUNIANS AFC' and a navigation menu with links for HOME, NEWS, EVENTS, SENIOR, CONTACTS & LOCATION, VIDEOS & PHOTOS, and CLUB INFO. Below the navigation is a user profile section for 'Joe Bloggs - Old Mancunians AFC' with a 'View All Clubs' link. At the bottom, there is a banner for 'THE COACHING MANUAL' with a price of £22.50 and a 'SIGN UP NOW' button.

You will see a list of 6-7 of the next fixtures for the teams you are likely to be selected for:

Selection is not based on a per team basis but a date basis. So if you aren't available for a date, you are classed as unavailable for either team you may play in.

Next step is to check your diary and complete the simple traffic light system for the fixtures. The comments box is useful to let the captains know any pertinent information such as 'working in the morning, meet at ground' or 'injured will confirm by Friday'.

The completed availability should look something like this:

The idea of this is to enable the team captains to plan for future games/weekends where we have numbers missing or a shortage in a particular position to be able to make the relevant calls earlier.

Team selection will still currently be dealt with via e-mail/text confirmations from your captain prior to the game.

If you have any questions about this feature or about how it is used please speak with your captain or e-mail [oldmancs@hotmail.co.uk](mailto:oldmancs@hotmail.co.uk)
