Please select a team you already play for or think are likely to play for and put a brief description of where you play. The team really isn't important at this stage as as you play games you will be assigned the correct team and squad.

Click save

You will then be prompted if you wish to help out with any admin. Click no thanks, web and team admin are allocated at the committee meetings each season.

You are then given the option to upload a profile picture. This is great if you have one but you can add this at a later date.

You will then see this screen:

The screenshot shows a user interface for 'Joe Bloggs - Old Mancunians AFC - View All Clubs'. The navigation bar includes 'Website Membership', 'Pitchero Profile', 'Inbox (0)', 'Friends', 'Photos', 'Videos', and 'Logout'. The main heading is 'Hello Joe, welcome to your club membership page.' Your application to be a player is currently pending and will be approved shortly. In the meantime it is a good opportunity to confirm your e-mail address, add a profile image, update your profile etc. The Pitchero website will prompt you to do various tasks to get to know the site.

Then once your membership is approved you will have full access to the photos, videos, fixtures, tables, stats and match reports for the club. You will also be able to set your availability for the forthcoming games (see next How to...).

If you have any problems logging on please speak to a team captain or e-mail oldmancs@hotmail.co.uk
