SWANAGE & WAREHAM HOCKEY CLUB

ISSUE NO – COULD BE ANYTHING | NOVEMBER 2022 | 53

The season has started well with all teams now having played a number of matches, although none of us are top of the league, there have been some great wins, some close loses and one or other results!

Last month (October) it cost the Club £1100 to hire the pitch at Wareham for matches and training – which is why paying your match fees and membership fees is important!

Do you know any children who might want to play?
Then why not get them to come to training ?
