

# SWANAGE & WAREHAM HOCKEY CLUB NEWSLETTER

25th January 2024

## THE NEWS

### HAPPY NEW YEAR ALL!

The committee have met for the first time in 2024 and there are some of the headlines you need to know about!

### Head Injuries:

England Hockey have specific guidelines regarding head injuries in matches. Please be mindful and sensible when choosing to continue to play after any such incident. The guidance can be found on the England Hockey website.

### Christmas Meal:

Thank you to all that came to the Christmas Meal and donated generously to the raffle. £157.00 made through the raffle for the club and a Merry time had by all!!

**100 club winners:** £25- Paul SELBY. £5- Jess METEAU

There are, as you can see, numbers still available to purchase to be in with a chance of winning. £12 per number- Can be paid cash or Pitchero. Just let committee know which number you would like from the list.

Training:

Training is back on, on Wednesdays at the Sports Centre!!!

Please make every effort to attend training with your teams. It is fun and helps you learn and try new skills ready for your weekend matches.

Additionally, when you are at training please be respectful and engaged with your coaches and others taking the session. You will get out what you put into these sessions!

This is your monthly reminder that the club is celebrating its 60th Anniversary! Jackie and the planning team are working hard to make sure it is a fabulous evening for all, so make sure you get your name on this list and your ticket before they are gone!!

RESPECT!!!!

It is understood that Hockey is competitive and we all want to win, but it is important that we don't lose our heads and respect for our umpires.

If our umpires stop coming it could be YOU having to step up and cover instead of playing. It's everyone's responsibility to ensure we are setting the standard for others!

If you are interested in getting involved in umpiring please let Martyn or your captain know!
