COACHING AND UMPIRING COURSES

We are currently applying for funding so that club members can attend vital coaching and umpiring courses. If anyone would like to be considered for one of these courses please contact any member of the committee and/or mention to your captain and we can put you forward for the next available course.

COVID-19

Although the government rules have changed and continue to change re COVID 19, we expect that each and every one of us will continue to act responsibly.

While free testing is still available, we ask that you continue to test regularly and please don't turn up to training, matches or any social event if you have tested positive. From now on, as we live with COVID, we would ask that if you are Feeling unwell and think you may be infectious, to think about the rest of our club and not put other people at risk. With no free testing available, we may not know it's COVID, a bad cold or flu. We don't want any of these to spread within the club so have an honest chat with your captain if you need help in coming to the right decision.

AGM & AWARDS NIGHT

As you're all aware, this will be held on Friday April 29th. You will be notified of the venue in the next newsletter very shortly, it would be great to see as many of you as possible. Seeing as we haven't had an Awards evening for two years, we're hoping it's going to be a good evening for all who attend.

PLAYING

If there is an issue whilst you are playing on the pitch please address this immediately. This includes any adverse behaviour from either one of you own team towards the opposition or the opposition acting inappropriately towards your own team. This needs to be highlighted and brought to the attention of your captain at the time, it is much more difficult to deal with issues like this after the event.

This also includes being vigilant re people taking photographs at matches. Captains should double check photo permissions of all under 18s in their team or ask the membership secretary to check. On match day captains or someone else (delegated) should make sure anyone taking photographs has the appropriate permissions from all home and away side players.

SWANAGE CARNIVAL

After a two year break, this is now taking place once again during the first week of August. The club will be applying for funding so in return we need to lend a hand to help make this a success. More information will follow in future newsletters.

100 CLUB

Congratulations to the February winners of the 100 club:

Pete Phillips £25

Andy Barker £10

Stuart Grenville-Cleave £5

Don't forget it's not too late - you can pay £10 to be entered for the draws from March onwards.

MATCH

CANCELLATIONS

There have been many match cancellations this season for many reasons.

This means that there are quite a few matches to catch up on before the end of the season so please be aware of extra fixtures to the calendar and make your captains' job easier by indicating your availability for these extra fixtures.

Forthcoming extra fixture - Sunday March 6th - Ladies 2nd team
