Club Notes

Good Afternoon All,

Today it is our pleasure to welcome to BERKHAMSTED the players, officials and supporters of RUISLIP MANOR on what is I believe their first visit to the ground. Our visitors joined the League only this season and defeated us 4-2 the other week but their playing record like our own is not very impressive so that a fairly even game can be expected.

Last Saturday we came unstuck badly against TRING in the AMATEUR CUP: after being in the lead 2-1 with only six minutes to go, we then lost 3-2.

Today's team had not been finally decided when these notes were written but it is known that T.THOMAS will not be playing as he has moved to Northampton nor D. HEAL who is injured. But JOHNNY GURNEY has returned to the Club from HEMEL HEMPSTEAD and will be playing today.

The fixtures for next week are unknown.
