Club Notes

Good Evening All,

Tonight it is our pleasure to welcome the players, officials and supporters of BISHOP STORTFORD whom we congratulate on their fine run in the AMATEUR CUP; and they are keeping up their winning form not having lost in their section of the EMERGENCY LEAGUE and defeating BARNET in the HERTS CHARITY CUP, so we can expect a very hard game tonight.

Our team, we hope, will show no change from the side that has been so successful in the last few games. Last Saturday they defeated WINGATE 4-1, the goals being scored by J. GURNEY and C. HAYERS, two each. The winner of today's semi-final will meet HERTFORD in the Final on a date to be arranged.

Next Saturday we travel to WINDSOR K.O. 3 p.m. for what could be the deciding game in our section of the League, for like ourselves WINDSOR have only dropped 3 points; EDMONTON being the only other club to have lost the same amount.

Our final League game will be at STEVENAGE on On May 11th. On Monday May 6th, we meet LEAVESDEN in the Semi-Final of the HERTS CHARITY SHIELD and on a date yet to be fixed we play TRING in the ST. MARY'S CUP.
