# 1st XI Team News & Fixtures

## From the dugout:

Our last home match against Brimsham was definitely the lowest point of our season and was hugely disappointing. We just never got going at all, in fact in recent weeks the only bright note was beating Roman Glass home and away and let's be brutally honest they are a very poor side. When we play with rhythm and tempo we look unbeatable but we must strive for consistency and see us to where we believe we should be a top three side. A couple of months ago my expectations were high in achieving that goal but unfortunately it just didn't materialise. However we've got the opportunity today to pick ourselves up and finish on a high, I think overall the lads would deserve that. I certainly can't praise them enough especially for the mid season performances when we were at our best and the fact that we only lost one game away all season. It's a very tough league we're in we must never underestimate that, our squad is young I guess the average age is around twenty so we should have a great future ahead of us. They're also a great bunch of lads to work with and we all feel we can only get stronger.

**Gary Johns - First Team Manager**

I would also like to take this opportunity in saying congratulations from everyone connected at Wick FC to today's opponents St Phillips. Jim and Kenny gained promotion last season and have managed to maintain the consistency throughout this campaign and have been confirmed as runners up, add a league cup final appearance last Wednesday night to their season and need I say any more than we are very envious.

# RES Team Statistics & Fixtures

## From the Dugout – Paul Bond’s End of Season Round Up

This season was always going to be one for consolidation for the res but it was made harder following a slow start with 4 losses in the first 4 games. We then went on a run of 9 games with out getting beat in the league which took us up to Christmas. We started slowly again after Christmas and in the end finished the last 5 games strongly which enabled us to finish in a pleasing 5<sup>th</sup> position. We have also seen more players this season that have moved between the 1<sup>st</sup> & Res which is good for the future of the club. Our success this season has been built on a defence that have conceded one of the least amount of goals in the division but scoring goals have been our weakness. I feel that the future will look good in the 2008-2009 season if we can keep the same nucleus of the team but look add some players to strengthen the squad.

I would like to thank Alan, Kev for their support this year as well as Gary, Big John and all players that have played for the Res this year. I would also like to give a special thanks to Mark Faithful for the work he has put in on maintaining what is now one of the best pitches in local football

Paul Bond

R Frampton  
(25)

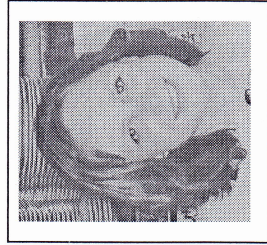

Following a good 2<sup>nd</sup> half performance and win against Pucklechurch Res we go into today's game with a changed side. Mark Faithful & Ryan Frampton step up from the 3<sup>rd</sup> team to make their first start of the season for the res. We started the game with well and within 5 minutes Steve Hall was played in on the right but his shot was well saved by the Lawrence Rovers keeper. With both sides looking to get the ball down and play football it was an entertaining game to watch. After a heavy tackle Liam made way for AJ who moved up front with Ryan going out to the left. With 25 minutes gone Lawrence Rovers started to make use of the wind and had a couple of good opportunities on the break but on each occasion failed to hit the target. The game was very even and following a good passage of play involving AJ and Jack, which found Ryan on the edge of the box with his shot finding the bottom corner. 0 - 1. The goal kicked Lawrence rovers into action and they started to put us under more pressure and had 3 corners in quick succession. As the ball was cleared it was played out wide and cross was headed in giving Jason in goal no chance. 1 - 1.

We started better in the 2<sup>nd</sup> half and used the wind well with Ryan getting the best of his marker a couple of times but he was unable to find a final ball. After 20 minutes we had the best chance of the 2<sup>nd</sup> half as the ball was played into the box Steve Hall found himself unmarked on the penalty spot but his shot was straight at the keeper. With 20 minutes left Lawrence Rovers started to push players forward to try and find the winner. Bondy replace Kev Bence at right back and he was called into action as he headed away from inside the 6 yards box. As time went on Lawrence Rovers pushed more players forward and on two occasions Jason made outstanding saves. The first was from a freekick that was going in the top corner. The 2<sup>nd</sup> was following a deflected shot with Barry heading away the rebound. Our goal was coming under more pressure and Jason was called into action again as this time he punched away a dangerous cross. For all the pressure we were under we did look dangerous on the break, but could not create and clear opportunities.

# Wick FC Club Rules

In order for the club to successfully run three sides, it is appropriate that we remind everyone of the clubs expectations. The club now has the strongest squad for many years and team selection is an increasing hard task. The aim of the club is to have the first team promoted to the Gloucestershire County League and both the reserves and A team promoted within the District League to be near as is possible to the first team. To achieve this we need team managers who are winners and a squad of players with a desire to win. We believe we are lucky to have both.

The club expects the managers to be as fair as is possible as much as success on the field will allow and equally the club has expectations of its players. With the number of players now available for selection, it seems timely that we remind everyone of what those expectations are. Failure to comply with these expectations may or will result in non-selection for any Wick side.

Wick will expect that:

- All players must make themselves available for selection to any of the three club teams.
- All players should attend training on Tuesday unless there is a good reason and not without an apology.
- A player should not be asked to start as substitute for more than two weeks in succession unless there are exceptional circumstances.
- After two successive weeks starting as substitute, a player will be offered a full game in the team beneath that for which he has been sub or a starting place in the A team, if it was for the A team that he has been a sub, if circumstances allow.
- Any player refusing to start as a substitute for any of the club teams should consider themselves unavailable for selection to any of the three club sides.
- Players who owe outstanding fines or subs will be considered unavailable for selection.

Failure to accept these general rules would make team selection impossible, therefore all team managers will be asked to enforce these rules, unless there are exceptional circumstances and with agreement of the chairman. The managers will endeavor to be fair, however should anyone have a grievance, they can choose to discuss the problem with the team manager concerned or direct it to the committee via the players representative Jason 'Chico' Johnson.

The club understands that a player would not normally choose to be a substitute, but they should expect that they will start as substitute on occasion. It must also be recognised that when all registered players are available for selection, we will have more players than the three teams can accommodate. As a result there will be players who will not be picked for any of the three sides. To these people we apologise and ask that they through attending training press their case for future selection.

Thank you On behalf of Wick FC John Towler – Chairman

**LATE EQUALISER SAVE CHAMPS** - Bristol Evening Post (07 May 2008)

New Premier Division champions Chipping Sodbury rounded off a memorable season with a 2-2 draw in their local derby at Brimsham Green after coming from behind to grab a late equaliser. Darren Andrews marked his return from four months out of the game by firing the visitors deservingly in front at the break after a bright first-half display. Ollie Nelson hit a post for Brimsham, who levelled the scores when Simon Groves netted with a fierce volley following a corner to spark off a fightback. The hosts took control and Groves struck again with a free-kick only for Ryan Bath to pop up with an 85th-minute equaliser, much to the relief of Sodbury manager Jeff Clark. "We are hopeful of going up to the Gloucestershire County League but will not know until after their annual general meeting on May 22," said Clark. St Philips MAS made certain of finishing runners-up with a sparkling 4-1 home victory over Highridge Reserves, who had already climbed out of the bottom two thanks to several good results over the last few weeks. Mark Walton slotted in a first-half equaliser for Highridge but they had no answer to goals from Ibrahim Sarr, Anthony Whiller, Paris Allen and Jermaine Wright for Saints, who meet Roman Glass St George Reserves in the Premier Combination League Cup final at AXA tomorrow (6pm). St George were also in cracking form, winning 5-2 at relegated Tottenham United, whose creaky defence presented the visitors with two own goals. Liam Osborne, Ben Nenear and Ricky Scrase completed the nap hand, with Matt Sweet and Lewis Roberts hitting back for the Totts, whose secretary Jeff Bryant is hoping his team can bounce back next season. Bitton Reserves were unable to field a team for the trip to Hartcliffe because several of their young players were involved in a representative game.

**KELVIN CLINCHES COMEBACK WIN FOR LAWRENCE ROVERS** - Bristol Evening Post (07 May 2008)

Lawrence Rovers made certain of finishing third behind Longwell Green Reserves and Hartcliffe CC in the Senior Division after coming from behind to win 3-2 at home to Shirehampton Reserves.

After Danny Morne had shot Rovers in front, Paul Filer and Rob Sage hit back for Shire, who were sunk by a second-half double from Kelvin Napierski.

Secretary Vic Powell, back at the helm for relegated Knowle United because player-manager Terry White was getting married, was pleased with the 1-1 home draw with Hanham Athletic Reserves. Cliff Baker Junior gave Knowle the lead but Stuart Cleeve deflected the ball into his own net for the equaliser.

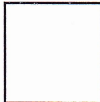

Richard Genge bowed out on a high note as manager of Talbot Knowle Reserves with a 4-2 Division V win at Wick A. Dave Keegan (3) and Jack Pullin were the marksmen for Talbot, whose new management team will be former leading scorer Archie Lewis and his brother Paul. Ryan Frampton and Steve Hall replied for Wick.

Missing from the Wick line-up was secretary Mark Faithfull, who hit his head on a crossbar during a midweek game and was recovering from his injuries, which required stitches.

Bradley Stoke Town were saved from defeat by an 85th-minute own goal in a 1-1 draw with Shireway Sports, who took the lead through Mike Cook.

- The board of Mangotsfield United Football Club are delighted to announce the appointment of Paul Milsom as first team manager. The popular central defender takes up the reigns at Cossham Street after a successful nine week spell as caretaker manager which saw the club avoid relegation after a run of five straight victories.
- Pucklechurch Sports need a win in their rescheduled game at Hardwicke on Monday (6.30pm) to guarantee their safety after having their three-point deduction for failing to fulfil the fixture on April 7 overturned on appeal. Pucklechurch are looking for a new first-team manager to take over from Andy Frankcom.
- An inspired substitution by Roman Glass manager Dean Dursley helped secure a 2-0 victory over St Phillips MAS in a scrappy Bristol Premier Combination Cup Final at Axa Ground, Henbury.

# A TEAM END OF SEASON REPORT

Firstly I would like to thank all the players for their efforts this year. After narrowly missing out on promotion last year this season as a whole must be considered a disappointment. With the promotion of 6 very good sides from district 6 this year points have been hard to come by and the division has turned into 2 'mini leagues'. The most disappointing thing for me has not been our inability to gain many points against the top six, it has been our lack of consistency against the sides around us I believe that a couple of factors that may be to do with this are a touch of complacency after a good season last year and the fact that what was a good side unfortunately is beginning to age a little now. I hope after what I've just mentioned to be able to attract 2 or 3 more youngsters to our side for next season.

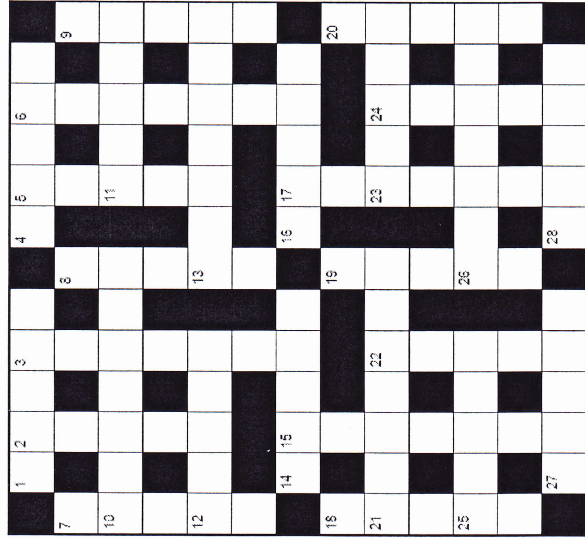

Anyway enough negatives there have been highlights to our season 2 performances in particular stand out for me, firstly our great quarter final cup performance against Warmly Saints who we knocked out on penalties after a mammoth struggle which ended 4-4 (they have since been promoted as runners up in district 4) and secondly our great 1-0 victory against then leaders Bradley Stoke who went home in a state of shock (we are the only side to keep a clean sheet against them in the league all season). Also on a positive note has been emergence of our 16 year keeper Nicky Fisher. Although Nicky still has a lot to learn on 3 or 4 occasions this year nicky has undoubtedly been m.o.m. and either won us or kept us in the game. Nicky has a great future in front of him. That just leaves one last thing for me to mention wick's 1<sup>st</sup> venture into Europe with end of season friendly in Krakow on may 17<sup>th</sup> hopefully we'll get a good travelling support and lets fire it into the polish scum bringing the trophy home.

Thanks to everyone up the club who has supported the third team this year and lets have better one next year.

**Big John**

## Players Sponsorship

It's the start of the season and we are asking each player to find £10 player sponsorship or pay £10 signing on fee. Ask family, friends, partners, bosses or colleagues to sponsor YOU.

Don't forget to tell your sponsor they will have their name printed in every home programme for the whole season and be invited to our club events.

# Euro 2008

The 2008 UEFA European Football Championship, commonly referred to as Euro 2008, will take place in Austria and Switzerland, from 7 June to 29 June 2008. It is the second successful joint bid in the competition's history, following the UEFA Euro 2000 hosted by Belgium and the Netherlands. The 2012 competition in Poland and Ukraine is scheduled to become the third jointly-hosted tournament.

A total of 16 teams will participate in the tournament. Austria and Switzerland will automatically qualify as hosts; The remaining 14 teams have been determined through qualifying matches which started in August 2006. Austria and Poland will be making their first appearance in the tournament. The winner of Euro 2008 will represent the UEFA at the 2009 FIFA Confederations Cup.

The Groups are as follows:

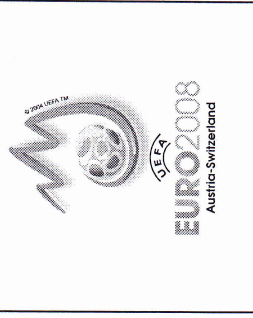

<b>Group A</b> Czech Republic Portugal Switzerland Turkey	<b>Group B</b> Austria Croatia Germany Poland
<b>Group C</b> France Italy Netherlands Romania	<b>Group D</b> Greece Russia Spain Sweden

The group stages of the finals will see the 16 finalists drawn into 4 groups. The teams will play 3 matches in a league format with the top 2 teams qualifying for the quarterfinals. The final is on 29th June 2008 in Vienna and Switzerland will open the tournament on Saturday 7th June 2008 in Basle.

The opening game is on 7<sup>th</sup> June 2008 at the Basle Stadium between Switzerland and Czech Rep. Winners in 2004 were Greece, they are drawn in Group D. The most goals scored in a competition is 9, scored by Michel Platini – France.

### Did you know?

Italy exited in dramatic style when they beat Bulgaria 2-1 with a late winner only to discover that moments later the score between Sweden and Denmark had gone to 2-2, enough to take both Scandinavian sides through at the Azzurri's expense.
