Changes to Playing Subscriptions and Match Fees

It was agreed at the AGM that the following changes are made to the structure of playing subscriptions and fees.

- ◆ Match fees for paying, playing members of £5 per match are discontinued
- ◆ Playing membership subscriptions are increased from £15 per month to £20 per month
- ◆ Match fee for those not paying subs remains at £10 per match

We now ask all of you who are paying by standing order to increase the monthly payment to £20. Please also email Dan Bell (dbell@dng.co.uk) to advise him that you have done so.

If you do not currently make a standing order (or up front) payment, please use the following details to set up a monthly Standing Order payment of £20. Please also email Dan Bell (dbell@dng.co.uk) to advise him that you have done so.

Free Prize Draw

As if “paying your way” and “not relying on your teammates to subsidise you” weren’t incentive enough, we have decided to hold a prize draw for ALL members (those who have paid upfront or are making SO payments for social or playing membership).

The draw, for **two tickets to an England autumn international**, will be made on 1st November.

To enter, you need only to have made a membership payment in or by October 2014.

(Note. Tickets are non-transferable and not eligible for re-sale. If the winner cannot make the date, another winner will be re-drawn)
