If you select not set you can see who needs chasing for availability. This can be done using the prompt function. You can tick or untick the box to the left of each parent and then click on the green prompt button

The screenshot displays the Pitch Hero admin interface for team availability. The main heading is "Availability - Sunday, 27th Sep 2015". Below this is a table of fixtures for the day, including home (H) and away (A) matches between various teams like U12 vs Amersham & Chalfont U12A, U12 vs St Albans U12A, etc.

Below the fixtures table, there is a green button labeled "Send availability prompt to 37 members". To its right is a search bar for players and filters for "Sort" (set to "Player") and "Teams" (set to "Junior: U12, U1...").

The bottom section of the screenshot shows a table of player status:
