### Chairman's Message

I would like to take this opportunity to thank our past and present ( and hopefully future) sponsors' for supporting our club, you really do make a massive difference both on the pitch and throughout the wider community of the town and surrounding areas.

The club continues to grow and we plan to build on the success of recent seasons none possible without the vital support of our sponsors and we hope that you may be willing to support in whatever way you can.

From paying for kits and equipment, subsidising the club's energy and floodlight costs, to investment into the infrastructure at the clubhouse itself, the club would not have survived the pandemic nor continue to manage rising energy and wholesale prices were it not for the support of its many generous supporters. Therefore, on behalf of all active playing members at Guisborough Rugby Club, whether they be 5 or 65, I would like to say once again thank you for your support, and we hope you might continue to give generously in the months ahead.

Dr Simon Taggart.
