## Car Parking at CRFC

There are 2 possible options for parking at our new ground. If you are in any doubt, then use option 2 - it gives you 4hrs free parking

## Option 1 - If you are a club member then you will need to follow these instructions at

https://s3-eu-west-

<u>1.amazonaws.com/files.pitchero.com%2Fclubs%2F33745%2Fzsj4ceIFRA289Kn77c4v\_Rugby+Club+-</u> +How+to+register+for+a+permit.pdf

Once you have done this there will be a delay whilst your details are checked and matched once this has been done then when you arrive (or you can pre-book) select the mipermit app – click nearest or favourites and 820950 will appear like below

Then press 820950 and it will bring up image 2, press pay to park and image 3 comes up

So then select your vehicle reg, when you want to book parking (this can be done in advance) and the time you wish to park then you must select the tariff.

If no tariff comes up then the parking is not chargeable – be aware that this may be the case for Saturday/Sundays but this is only because CBC have given us leeway to get everyone on the app – do not assume the parking is free all the time – ALWAYS TRY THE APP FIRST.

			Cancel	Continue
			total cost including any ole) will be displayed on before payment	the confirmation screen

Image 4 shows the no tariffs available message, image 5 shows the free parking if you are a member.

## Option 2 – if you are coming to the club for rugby but are not a member.

You will need to park your car then walk into the sport centre and use the computer pad to enter your vehicle reg details. Our CRFC club house will have a terminal to do this soon but for now use the leisure centre. This will give you 4hrs of free parking and is the simplest and easiest option.

Please be aware CRFC are not responsible for any fees or fines charged , and are not liable for any costs incurred as this is a third party parking agreement. Should you cease to be a member of the club or not renew subscriptions you will be liable to any charges at the normal rates.

Any abuse of the parking rights will lead to removal of the access rights for the member.

Please ensure you have read and understand all the Mi Permit rules and regs
