# “the brewers” John Smith's FC Tadcaster Albion AFC

# 1892

The club is believed to have been formed in **1892** as John Smith's FC. It wasn't until **1923** that the Tadcaster Albion AFC name was adopted. In the early years the club played in the local York League. In **1948** Albion won the York League. They continued competing in the York League during the **1950's & 60's**.

Tadcaster Albion, in the early days, played home games on the site of the cricket ground on Station Road, before moving to the Ings ground, near to where the present Samuel Smith Brewery Packaging Block now stands.

Changing facilities were in the town, at the rear of the Falcon Public House on Chapel Street, and it was a common Saturday afternoon sight to see nets, corner flags, buckets, oranges, players and officials trekking through the town.

Down the years the club has played in several leagues. In early times, Barkston Ash and later still the Yorkshire and Northern Counties East Leagues.

Football continued on the Ings ground until **1960**, when the club moved 100 yards up river to its present home at the Park.

In **1973** the club joined the Yorkshire League Division 3 and were promoted in **1975 & 1977** to reach Division 1, relegation was to follow in **1979 & 1980**.

In **1982/83** they became a founding member of the Northern Counties East League, originally in the NCEL Division Two North before league reorganisations led them to Division One in **1991**. They rarely finish in the top half of the league in the **1990's** and finished bottom in **2001/02 & 2003/04**.

At the start of **2004/05**, Jim Collis became manager and at this point fortunes on the pitch started to improve dramatically. In his first season, Albion finished 5th in the league, the following year a 3rd place finish meant promotion was missed by one point.

Jimmy Reid took over as manager in **2006**, but his time was blighted by off the field problems. An attempted hostile takeover by dissident committee members took a massive amount of money to fight. Then in Nov **2007**, an attempted arson attack on the clubhouse caused a lot of damage.

Paul Marshall took over at the start of **2008/09**, in his first season he played mostly local players and the team struggled and finished 17th.

In **2009/10**, with an influx of a few new key players, Albion won the NCEL Division One title.

In **2010**, Rob Northfield, took over as Chairman of Tadcaster Albion (2010) Ltd, and the club became a company limited by guarantee.

Albion finished fourth in their first season in the NCEL Premier Division and won the NCEL President's Cup, beating Farsley AFC 5-1 in the final. That was followed by an 8th place finish in **2011/12** and 6th in **2012/13**.

In the **2013/14** season Rob Northfield resigned a few days before the start of the season and i2i Sports Ltd agreed to take effective control of the club and company, with Matthew Gore becoming the new Chairman.

In **2014/2015** the Brewers lead the NCEL Premier for most of the season, but a poor run of games in March led to them finally finishing in third.

An excellent run in the FA Vase saw them make history by making it through to the Quarter Final of the FA Vase where they drew a record breaking crowd of 1,307, but were narrowly beaten by Highworth Town.

The Brewers also broke many other records throughout the season – taking more than 200 fans away to Armthorpe Welfare on a cold Tuesday night where they went on to win 10-0.

At the end of the season, the club opted not to renew their contract with manager Paul Marshall, and two weeks later former Harrogate Railway boss Billy Miller was unveiled as the club's new manager.

## i2i SPORTS

Welcome to our first game of the season against Maltby Main who have travelled here today from Rotherham. Maltby have had a strong pre-season – winning five of their seven games. Just last week they managed a 1-1 draw with a Sheffield United XI, so we're expecting a tough start to the season against a side which is bound to be full of confidence. The Miners celebrate their centenary next year, so the 2015/16 season is sure to be a special one for everyone associated with Maltby.

A big thank you to everyone who attended Taddy's pre-season games. We've been delighted to welcome clubs such as Leeds United, Oldham Athletic, FC Halifax Town and Harrogate Town to the i2i Stadium. We've had more than 2,200 people through the gate in just five games – making it Taddy's most attended pre-season ever. Hopefully our crowds will continue to rise as the league gets underway.

We're delighted to welcome former Garforth Town striker Nick Black to the club. Nick played his first game for Tadcaster last Saturday against Spennymoor Town and looked a real handful up front. We're very much looking forward to seeing what he can achieve with the Brewers this season.

We hope that everyone enjoyed the Open Training Session that we organised on Wednesday night. It was a fantastic opportunity to see what goes on behind the scenes and to also hear about Billy's plans for the season ahead.

Next Saturday we travel to Hebburn Town FC of the Northern League Division 2 for the FA Cup Extra Preliminary round. Kick-off is 3pm, and we're hoping to take a big crowd up to Tyne & Wear, as we know plenty of you will relish a day out in Newcastle. Look out for travel details on social media next week. If we manage to get past Hebburn,

we'll face Barnoldswick Town or Colne at home in the 1st Preliminary Round.

Enjoy today's game and fingers crossed for another exciting season for the Brewers!

## YORK CITY BREWERS

### Today's Match Sponsor

York City Brewers, an informal group of York City fans who also support Tadcaster Albion, are delighted to sponsor another match at the i2i Stadium.

Like all fans of the Brewers, we're hoping that this season will be the one when the club climbs further up the football pyramid. A little bit of cup success would be

appreciated as well.

Pre-season results may not look good at first glance but most of our opponents have been from higher leagues and we have not been outclassed.

As Minstermen supporters, it was a disappointment that there wasn't a pre-season friendly against

York City but we did get to see some of our ex players with other clubs. Andy Bishop (Halifax), Andy McWilliams (Harrogate) and Liam Henderson (Spennymoor) spring to mind.

Hopefully there will be plenty of candidates for the 'man of the match' Champagne today. As the father of a young goalkeeper, I

will be keeping an eye on the form of Gary Stevens and Pete Lawrie but would prefer a forward to be leading the vote for the bubbly, after scoring a hat-trick.

Good luck to Billy and his team, from your supporters a few miles down the A64.

Ian Tyssen - York City Brewers

# TAFC Manager's Notes

**Billy Miller**  
TAFC Manager

Good Afternoon everyone and welcome to the i2i stadium for the first league game of the new season. It gives me great pleasure to welcome Maltby Main FC, I hope they have a successful season, a great stay with us and a safe journey home.

After a really positive pre-season against some really high class opposition it is finally nice to get on with it. We have had tremendous support across pre-season with 2500 coming into the i2i Stadium to see the lads in action.

Having support like that brings an additional dimension to what we do and I for one know the lads are overwhelmed by

your unconditional support for the club. I have met and spoke to a number of you over pre-season and have been excited like yourselves about the forthcoming season. I hope we can give you something to talk about today and hope the result is the right one.

Talking things for granted can often lead to their downfall; with this in mind we know we have a tough test on our hands today. We must always respect everyone we play this year and understand you have to earn the right to win football matches. We have worked hard with the squad to ensure they are able to manage the games on the pitch, to remain emotionally in control at all

times. We have established a clear structure and embraced a style of play that will see us be difficult to beat first and foremost.

I feel we have the players to make a big impact and understand that the league title is a priority, but it is too a number of other teams as well. We must make sure we take each game as it comes, never get ahead of ourselves and continually work hard to improve.

Let the season commence!

Yours in Sport, **Billy**

The original football club was formed in 1916 as Maltby Main FC (the local colliery). All players were employed at the nearby pit - indeed, a good footballer was often guaranteed employment at the colliery so he could represent the football club!

The original Maltby Main FC was disbanded in 1965.

Maltby Miners Welfare FC was formed in 1970 and was the football section of the Miners Welfare. The club played in the Sheffield Senior League until 1972, when they joined the old Yorkshire League and then the Northern Counties East League formed from the merger of the Yorkshire & Midland Leagues. The club began their NCEL life in Division One (South) but the installation of floodlights earned a place in the Premier Division for the 1990/91 season, a very creditable sixth position being attained having won 10 and drawing 2 of the fifteen home games.

Success continued during what was to become the 4 year reign as manager of Colin Walker, the ex-Rotherham United, Sheffield Wednesday, Doncaster Rovers and New Zealand player, who took the club from the Northern Counties East First to the Premier Division where they finished 4th and won the President's Cup in his final season in charge (1992-93). Colin then left to manage Barnsley's Youth team.

In season 1993/94, under the guidance of new player-manager Gary Waller, the Miners briefly headed the table and remained strong championship contenders until the final month of the season when they fell away to finish 7th. Gary resigned because of work commitments just before the start of the 1994/95 season, with his assistant, Richard Moon taking over the helm.

The 1995-96 season was difficult with injuries and suspensions plaguing the manager and following a good Easter period, all the remaining fixtures ended in defeat, the club ending the season in its lowest ever Premier Division position of next-to-bottom. The club retained its Premier Division status only because of the resignation from the Northern Counties East League of Goole Town.

Following the split from the Miners Welfare in mid-1996, the club decided to revert to its former name of Maltby Main FC, although they continue to play on the Welfare ground at Muglet Lane.

Following the resignation of Richard Moon, Dave McCarthy was appointed to the vacant position. Dave was manager at Hallam and formerly assistant at Parkgate. His playing career includes spells at Crewe Alexandra, abroad in Finland, New Zealand and Australia, and non-league football with Ilkeston Town, Worksop Town and Alfreton Town. After a season of consolidation and

14th place, the 1997/98 season saw the Miners top the Premier Division for much of the mid-season period before slipping back to finish in a creditable 6th position. McCarthy was lured away to take over as manager at Unibond League Alfreton Town and former Rotherham United and Maltby player, Steve Fleetwood, was appointed manager in the close season, with Bob Haddrell as his the Cup assistant.

The 1998/1999 season was difficult and, despite a successful start and a place in the President's Cup Semi-finals, relegation was avoided only on goal difference and Steve resigned in the close season because of work commitments which took him out of the country for long periods.

Glyn Kenny moved from Parkgate to take over the reigns, along with his assistant, Glyn Reeves, coach Les Harris and several of the previous season's Parkgate squad and, with several promising youngsters coming through the ranks of the very strong junior sides, hopes were high for an improvement in fortunes.

After an uncertain start, the 1999/2000 season proved to be one of consolidation and, despite goalscoring problems, the team finished the season strong in defence and midfield only for the NCEL to relegate the club for not being able to fund hard-standing around the pitch for the new season. This scandalous decision was stubbornly adhered to by the league despite the fact that Maltby Miners Welfare, in close season, spent £¼ million on new dressing room and hospitality facilities which were arguably the best in the league. If, instead, the relatively paltry sum of £6000 had been spent on hard standing and a new portakabin for hospitality, the club would have remained in the Premier Division with the players having to continue to use damp overcrowded changing facilities - such is the logic of football authorities!

With relegation came the resignation of the management team after only one season in charge and Paul Cavell and Glen Morris took over. Early season form was poor and, with Main rooted to the foot of Division One, with only one league victory, Paul resigned and the board moved swiftly to appoint Russ Eagle as team manager. Despite defeats in his first three matches, Russ managed to turn things around and with only 5 defeats in the last 20 fixtures, Main finished a creditable 9th.

Much hard work was put in the close season to bring Muglet Lane up to standard for the 2001/2002 season. The required hard standing was laid and toilets installed in the new dressing rooms in order that the club retain its league status, but this took a huge financial toll on the club. With all the previous season's players retained, the club and its supporters were

hoping for better things with promotion back to the Premier Division but, after a poor start, Russ Eagle left the club and Wilf Race and Vinnie Brady were put in charge of team affairs. Wilf had left Parkgate a month before Eagle's departure from Muglet Lane, but several players followed him to Maltby and a spectacular run of form saw The Miners rise, in three months, from next to bottom to head the Division One table. The poor start to the season, however, eventually told and, following an indifferent run in, the club finished in 6th position.

Wilf Race stunned the club in June 2002 with a shock resignation, but the board moved quickly to appoint former player Mark Smith as team manager, with Vinnie Brady staying on as Assistant Manager. Despite a promising start with a win at Tadcaster Albion on the first day of the 2002/03 season, several defeats, some heavy, followed and, following Vinnie's departure back to Parkgate, Mark Smith resigned after only a few weeks in charge.

Chairman, Gary Kitching took over team affairs on a temporary basis but was very successful - two wins and a draw in his three matches at the helm before the former Rotherham United, Doncaster Rovers and Altrincham midfielder, Shaun Goodwin was chosen as new manager from a host of applicants with Bryn Webster as his assistant. League results were disappointing but the club did reach the semi-final of the Sheffield Senior Cup, narrowly losing 2-1 to Doncaster Rovers at Belle Vue.

Hopes were high that 2003-04 would see Main challenging for a return to the Premier Division and these hopes were justified as Shaun and Bryn made subtle changes to the side and made it one to be feared as they clinched the second promotion spot. Shaun's reign as Manager in the Premier Division was relatively short-lived as, despite a good run in the FA Cup, the team struggled and Wilf Race returned to the club and took over in early January 2005. Early results were disappointing but Wilf quickly turned things around and the side became a match for anyone in the division, despite losing many key players to wealthier clubs, finishing 8 points clear of relegation.

Wilf then took a back-seat role in the club and former Sheffield United player, Sean Kay, who has a wealth of coaching experience, particularly at Rotherham United, took the reigns for the 2006/2007 campaign. Main surprised everyone (even themselves) as they dominated the Premier Division for the first half of the season, putting all the division's "big spenders" to shame before falling away to finish 10th as injuries and suspensions took their toll on a small squad of players.

Despite high hopes of a good 2007-2008 campaign and promotion aspirations from the management team, the season was a real let-down for the club. With superb sponsorship from Hargreaves, the new Maltby Colliery owners, all involved were looking forward to a successful season but it was not to be. Sean Kay resigned in December following a string of poor results and Robbie Barron took over the reigns until the end of the season. Most of the playing squad left with Kay but Robbie assembled a new squad in record time which was good enough to keep the club in the top flight.

Steve Adams came from Stocksbridge PS to take the helm for 2008-2009 and enjoyed moderate success, with the side finishing 12th in 2008-09, 16th in 2009-10 and 11th in 2010-11, but struggled in 2011-12 and finished in 18th position, one place and 4 points above a relegation place.

Steve resigned before the 2011-12 season and the club appointed Chris Dunn as manager, assisted by Andy Carney and Gary Middleton, who remained with the club from the Steve Adams era. Chris had achieved success managing in local football and, after a shaky start, the team did well and finished a creditable 14th place. Unfortunately, Chris resigned because

of work commitments after only one season in charge and the club was once again facing a pre-season management crisis.

Then, in stepped local businessman, Chris Ducker to take the reigns as club chairman and he moved swiftly to appoint Brian Cusworth and Paul Staniforth as joint player-managers, with Wilf Race returning to the club as Director of Football. However, after gaining only one victory in their first 9 games, Mick Norbury was appointed manager with Brian and Paul reverting to a purely playing role and Wilf Race switching to Assistant Manager.

The change proved fruitful with good wins at Lincoln, Nostell and Liversedge with Brian resuming his customary free-scoring touch with 7 goals in the ensuing 5 games. Despite suffering a 12 point deduction for fielding a player under contract with a club higher in the pyramid, the team finished a creditable 15th and were looking forward to an enjoyable 2014-15 NCEL season.

Last season proved to be somewhat of a disappointment. Wilf Race assumed the role of club Chairman, after the departure of Mark Ducker, with the stated aim of maintaining our Premier Division status, with a mid-table position

the goal. Main found themselves in 7th position in mid September but results declined thereafter and, following the resignation of Mick Norbury towards the end of the campaign, finished in 19th place, one spot above the relegation zone but 12 points clear of 20th position.

Spencer Fearn and Mark Askwith were appointed joint managers with former player Andy Tomlinson as 1st Team Coach, John Stancliffe as goalkeeping coach and Katie Johnson as fitness coach. Spencer is no stranger to football having owned East Stirling FC and being vice-chairman of Stockport County.

For the past year he has been coaching and working through his coaching badges.

Mark has been managing locally for ten years since retiring from playing football and has achieved seven promotions in this time. Both of the Co-Managers have a long association and were schoolboys together at Sheffield United.

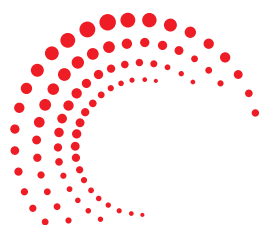

So, hopes are again high among the Maltby faithful for a much improved campaign in 2015-2016, coupled with celebrations of the club's centenary.

## TAD'S History

By Ian Tyssen

### The NCEL Years 1996-1997 Season

In the 1996/97 season, the Northern Counties East League (NCEL) reduced in size by one club, with Stocksbridge Park Steels being promoted, Goole Town folding due to financial issues and Glapwell joining the league. The Premier Division remained with 20 teams and Division One reduced from 16 to 15.

Selby Town and Pontefract Collieries had been promoted to the Premier Division at the end of the previous season, meaning that the Brewers lost a couple of their relatively local opponents in Division One.

The league season started with a 1-2 defeat at Hall Road Rangers, which was followed by a mixed set of results in the next month. Louth United were beaten 2-0 at Ings Lane and draws were picked up in home games against local rivals Harrogate Railway and Garforth Town.

October brought three straight losses for the Brewers, including a 1-4 home defeat against Blidworth Welfare, who would go on to finish bottom of the league.

The first of three away wins, during the season, was achieved at the start of November - 1-0 at Rossington Main - but a seven game losing run would follow over the next few months. Heavy defeats at Yorkshire Amateur (0-7) and champions Eccleshill United (0-7 at home and 0-6 away) in consecutive games started that losing run.

February was a dream month for any 'Football Pools' fans with four 1-1 draws for the Brewers, including against the NCEL new boys, Glapwell.

The final two months of the season saw a slight upturn in results for Tadcaster Albion with two draws and three wins. The wins were at Borrowash Victoria (2-1) and Blidworth Welfare (1-0) but a 0-0 draw at third placed Harrogate Railway was probably a more impressive result.

The Brewers finished the season in 13th place, with 22 points from their 28 games.

It was another disappointing season in the cups, with immediate exits in five of the six competitions.

Brandon United, from County Durham, knocked the Brewers out of the FA Cup, with a 3-1 home win in the preliminary round.

Another north east club, Ashington, were beaten in the FA Vase first qualifying round before Brandon United, again, brought an end to Albion's hopes, with a 6-2 second qualifying round victory.

In the League Cup, a fellow Division One club, Worsbrough Bridge Miners Welfare, won 5-2 at Ings Lane in a first round tie.

Two more Division One clubs, Hall Road Rangers (4-2) and Yorkshire Amateur (3-0), knocked the Brewers out in the first round of the President's Cup and Wilkinson Sword Trophy, respectively.

Liversedge, who finished bottom of the NCEL Premier Division, won 3-1 at Tadcaster in the first round of the West Riding County Cup.

In the 16 club Reserve Division, Albion finished bottom with just six points from their 30 league games and a goal difference of minus 102.

The only win of the season came against Pontefract Collieries Reserves (6-2) in mid season. Draws were picked up against second placed Farsley Celtic (0-0), fourth placed Emley (1-1) and Glasshoughton Welfare (0-0).

The heaviest losses for the Brewers' reserves were 0-11 against Ossett Town, 1-9 at Liversedge, 1-8 at Thackley and 0-7 at Eccleshill United.

In the Reserve Team Cup, Albion's second XI lost 1-3 against Emley.

This afternoon's opposition, Maltby Main, finished 14th in the NCEL Premier Division and reached the quarter finals of the President's Cup.

# Tadcaster Albion U21's, U19's & Junior Teams

Our U21s play in the West Riding County FA Floodlit League (Central). During the 2014/15 season, they also made it to the Semi Final of the West Riding Floodlit League Cup. The players, who are aged 16 and over, train between 1 and 10 hours a week and also compete in regular development friendlies. Many of these friendlies are against youth teams from local professional clubs such as Leeds United and York City – giving each of our players a unique insight into the UK's football system. Our U21 coaches Mike Morton and Simon Collins not only have their FA Level 3 (UEFA B) qualification, but they also have experience of coaching with professional clubs such as Manchester City and Leeds United. For more information on our U21 set up, please email [info@tadalbion.com](mailto:info@tadalbion.com).

Contact:

Mike or Simon on **01904 606 000**

Our Under 19 team is a newly formed side, which has been set up to help local talented players develop and hopefully progress into the Under 21s and the Tadcaster Albion first team. Players are all aged 16 and over. Coach Rich Taylor has coached in the USA and has also had a spell at Leeds United.

For more information on our U19 set up, please email [info@tadalbion.com](mailto:info@tadalbion.com).
