“the brewers” John Smith's FC Tadcaster Albion AFC

1892

The club is believed to have been formed in **1892** as John Smith's FC. It wasn't until **1923** that the Tadcaster Albion AFC name was adopted. In the early years the club played in the local York League. In **1948** Albion won the York League. They continued competing in the York League during the **1950's & 60's**.

Tadcaster Albion, in the early days, played home games on the site of the cricket ground on Station Road, before moving to the Ings ground, near to where the present Samuel Smith Brewery Packaging Block now stands.

Changing facilities were in the town, at the rear of the Falcon Public House on Chapel Street, and it was a common Saturday afternoon sight to see nets, corner flags, buckets, oranges, players and officials trekking through the town.

Down the years the club has played in several leagues. In early times, Barkston Ash and later still the Yorkshire and Northern Counties East Leagues.

Football continued on the Ings ground until **1960**, when the club moved 100 yards up river to its present home at the Park.

In **1973** the club joined the Yorkshire League Division 3 and were promoted in **1975 & 1977** to reach Division 1, relegation was to follow in **1979 & 1980**.

In **1982/83** they became a founding member of the Northern Counties East League, originally in the NCEL Division Two North before league reorganisations led them to Division One in **1991**. They rarely finish in the top half of the league in the **1990's** and finished bottom in **2001/02 & 2003/04**.

At the start of **2004/05**, Jim Collis became manager and at this point fortunes on the pitch started to improve dramatically. In his first season, Albion finished 5th in the league, the following year a 3rd place finish meant promotion was missed by one point.

Jimmy Reid took over as manager in **2006**, but his time was blighted by off the field problems. An attempted hostile takeover by dissident committee members took a massive amount of money to fight. Then in Nov **2007**, an attempted arson attack on the clubhouse caused a lot of damage.

Paul Marshall took over at the start of **2008/09**, in his first season he played mostly local players and the team struggled and finished 17th.

In **2009/10**, with an influx of a few new key players, Albion won the NCEL Division One title.

In **2010**, Rob Northfield, took over as Chairman of Tadcaster Albion (2010) Ltd, and the club became a company limited by guarantee.

Albion finished fourth in their first season in the NCEL Premier Division and won the NCEL President's Cup, beating Farsley AFC 5-1 in the final. That was followed by an 8th place finish in **2011/12** and 6th in **2012/13**.

In the **2013/14** season Rob Northfield resigned a few days before the start of the season and i2i Sports Ltd agreed to take effective control of the club and company, with Matthew Gore becoming the new Chairman.

In **2014/2015** the Brewers lead the NCEL Premier for most of the season, but a poor run of games in March led to them finally finishing in third.

An excellent run in the FA Vase saw them make history by making it through to the Quarter Final of the FA Vase where they drew a record breaking crowd of 1,307, but were narrowly beaten by Highworth Town.

The Brewers also broke many other records throughout the season – taking more than 200 fans away to Armthorpe Welfare on a cold Tuesday night where they went on to win 10-0.

At the end of the season, the club opted not to renew their contract with manager Paul Marshall, and two weeks later former Harrogate Railway boss Billy Miller was unveiled as the club's new manager.

i2i SPORTS

A big welcome to our opponents Albion Sports who have travelled here today from Bradford. Albion Sports have started the season well and currently lie in ninth position. Their 7-0 defeat midweek to Bradford Park Avenue in the West Riding Cup does not reflect their performances in the league this season. We're not even out of October and the club has already clocked up an impressive six away wins. Hopefully it won't be seven by the end of today!

Today is TAFC's Junior Day, so we'd like to welcome all our young stars of the future to today's game. Our youth teams are currently going from strength to strength, so we hope it proves to be just as big a success as last year. All of the young players will have the chance to grace the Taddy turf by taking part in a penalty shootout, and there will also be photograph opportunities with the players and Taddy Bear.

We were naturally disappointed with the defeat to Cleethorpes Town on Saturday, but it was always going to be difficult after the midweek win over Worksop. Sometimes it's easy to forget that unlike the professional teams, our players fit their football around full time jobs. Without wanting to make excuses, we've had a lot of far-flung and difficult away fixtures of late, so there are bound to be occasions when things don't go our way. The fact that our away fixtures at Barton, Cleethorpes, Worksop and Clipstone are now out of the way can only bode well for the rest of the season.

Wednesday night away to Worksop was an incredible evening, so a big thank you to everyone who made the journey down to Nottinghamshire. The players showed fantastic determination to come away 2-1 winners; a result which could go on to prove very important at the end of the

season. Unfortunately the night did turn a little sour with some trouble at the end of the game, but we were immensely proud of our supporters who refused to rise to any provocation.

A big thank you to everyone who attended the charity match last Friday night. Sonny has been involved with Tadcaster Albion for many years and is extremely popular with both players and supporters, so it was no surprise to see so many people turn out to show their support. It was a fantastic evening and great to see so many famous faces down at the i2i Stadium. We hope the money raised will help Sonny to achieve all of her goals. A big thank you to everyone who helped to organise the event. It was a fantastic effort and just goes to show the great sense of togetherness at our club.

This coming Saturday, we travel away to Handsworth Parramore who have started the season very strongly and currently lie in third position. So it's very important we try to build a gap between us and them. We have organised a coach which will leave Acomb Green at 12.10pm and the i2i Stadium at 12.30pm. Seats cost £10 for adults, £7 for concessions and £5 for under 16s. Please ring Emma on 01904 606000 to book your place.

Enjoy today's game, and let's cheer the lads back to winning ways!

Hungover Tadcaster Hit With Late Sucker Punch

Marc Cooper struck an 87th minute volley as Cleethorpes Town snatched all three points in an uninspiring match as The Brewers suffer a hangover from Wednesday night's terrific win at Worksop.

Manager Billy Miller was forced into making one change to the side that beat Worksop as Dan Clayton picked up a groin strain so Ryan Woodhead was given his first league start of the season at left-back.

It could have been another flying start for TADDY inside the first 60 seconds as Adam Baker was released in behind on the right hand side and beats a Clee defender but his cross was just too far behind the on-rushing Josh Greening.

It was a quiet start to the contest on a horrible day weather wise with constant downpours and gale force winds but the first effort at goal finally came after 18 minutes as a corner was cleared out only to Jimmy Beadle and his shot was awkwardly deflected but Miley Fenty adjusted well in the Cleethorpes goal.

A second TADDY corner moments later nearly ended up in there own net as The Owls broke away with pace as Brody Robertson was slotted in behind and just as the striker was about to pull the trigger, Andy Milne came flying in with a terrific last ditch tackle on his way back from the set-piece.

Half-Time: Cleethorpes 0-0 Tadcaster Albion

With the second half underway, the game unfortunately for the spectators stayed the same way, both sides giving the ball away far too cheaply and too often as well as both sides not hitting the target, even the shots at goal were few and far between.

Just past the hour mark and the travelling TADDY fans thought for a split second that they had taken the lead as Liam Ormsby's free-kick bent round the wall but unfortunately nestled into the side-netting.

Marc Cooper was the man for the home side that looked the most likely to break the deadlock as he shot narrowly wide in the 67th minute.

With the match going nowhere, it looked absolutely nailed on to finish goalless as Gary Stevens had to make a decent save to keep out Jon Ogleby's curler.

It felt like one of them matches where both teams just weren't at the races however the home side did snatch the victory with three minutes to go. It was a move that was assisted by the referee believe it or not, the ball then fell to Liam Dickens 24 yards out who's strike was met by the charging bull that is Jason Mycoe and a combination of himself, Matt Heath and Ryan Woodhead blocked the shot however it then dropped to Marc Cooper on the edge of the penalty box who volleyed into the back of the net via a slight knock off Andy Milne and that was enough to see The Owls pick up all three points.

Full-Time:

Cleethorpes Town 1-0 Tadcaster Albion

All in all, a point would have been a good result but it just wasn't our day, time to move on to next Saturday to put things right.

Team: Stevens, Armstrong, Woodhead, Milne, Heath, Mycoe, Baker, Ormsby, Greening, Black (Stewart 82), Beadle (c)

TAFC Manager's Notes

Billy Miller
TAFC Manager

Good afternoon everyone. A warm welcome to the management, players and officials from Albion Sports. We hope you enjoy your stay and have a safe journey back home after the game.

After the highs of Worksop away, possibly our best team performance of the season, we were very disappointed by the result at Cleethorpes. The game was drifting towards 0-0 when Cooper struck the blow late in the game. In contrast, our performance on Wednesday was as complete as can be. The game plan executed very well by a group of players who worked extremely hard for a single cause. We had knowledge of their weaknesses and exposed them time and time again on the night. The goals from Nick and Jason were outstanding strikes on the football field, worthy of winning any game.

The season is starting to unfold and in a month or so we will have played everyone in the league. Interesting when we visit Handsworth next Saturday we will have played five of the top six all away from home. We will have played more of the top six than anyone else at this point and look forward to them all playing each other over the coming weeks.

The squad have worked hard in training this week and are looking forward to getting back on track, although we all know today's opponents are capable of beating anyone on their day. We will be without Andy Milne who is away for a few weeks due to work commitments. But I do feel the squad is strong enough to cope with the loss. Jason is more than capable of filling in and Carl, Nick and Josh are looking fitter by the week.

With the media spot light on non-league football this week, I hope you all got a chance to watch the Salford documentary. Whilst we might not have the profile they do (due to the backgrounds of those involved there), we do have the same ambition. It was a great insight into the running of the football club and highlights just how much hard work is required.

Finally I must mention the vocal support at both Worksop and Cleethorpes, it really makes a difference. The journey is long, hard and full of ups and downs. But made so much easier when we are all side by side. Thank you for your continued support of Tadcaster Albion Football Club.

Yours in Sport, **Billy** #tadallover

This afternoon we welcome the fans, officials and players of Albion Sports. The Lions are in 9th place in the table with 26 points from their 17 games played. They have played 11 games away from home winning 6 of them including a win at Barton Town Old Boys. Last season in the corresponding game at Tadcaster in November, The Brewers won 2-1 thanks to late penalties by Liam Ormsby in front of a crowd of 399. They were to end the season in 10th place. This is their 3rd season in the NCEL Premier and they have always been competitive whilst in the league.

Last weekend in the NCEL Premier League, Worksop Town won 3-2 at Pickering Town and they followed that up with a 6-0 home win against Liversedge in

midweek. Handsworth Parramore won their third successive game with a 4-3 home win against Parkgate to be 4 points behind The Brewers with 3 games in hand in 3rd place. Barton Town Old Boys, Cleethorpes Town and Clipstone remain in the mix just a few points back.

There is a reduced NCEL Premier programme today with a number of teams being in FA Vase action, so it is a good chance for The Brewers to go back to the top of the table as they are currently a point behind Worksop Town.

Albion Sports Football Club was founded in 1974 and initially played in the Bradford Amateur Sunday League.

After a brief spell in the lower divisions, gaining promotions on a regular basis and winning the Amateur District and Senior cups along the way, Albion Sports in 1995/96 won the Premier league title for the first time, this was to prove the catalyst for what was to come.

Albion Sports won a further five league titles, two County Cups, three District Cups and seven Senior Cups. Other highlights included reaching the final of the National F.A Umbro Sunday Cup on two occasions. The first in 2000 at the City Ground (Nottingham Forest) Albion Sports were beaten 1 -0 by Prestige Brighams (Hull). The second in 2005 at Anfield (Liverpool F.C), this time beaten 3 -2 by Gossoms End (London).

Albion Sports have been honoured by receiving three civic receptions from the City of Bradford as well as winning an award of 'Ambassadors of West Yorkshire' beating the likes of Patrick Stewart (Star Trek actor) and the late Richard Whitley (Countdown presenter) into 2nd and 3rd place respectively.

Albion Sports resigned from Sunday football in 2007 in order to progress up through the Football Association pyramid.

In 2007/08 Albion Sports joined the Telegraph and Argus league and won promotion in the first season as well as winning the League Cup.

Albion Sports F.C were elected to the WRCAFC in 2008, gained promotion in the first season and also won the District Cup. In 2009/10 Albion Sports finished runners-up in the Premiership and won the Divisional Cup. In 2010/11 they again finished runners-up and were then successfully elected to join the NCEL 2011/12 season.

Albion Sports missed out on promotion by a solitary point in their debut season but quickly rectified this the following season (2012/13) by gaining promotion to the Premier division as Champions.

Albion Sports finished in a very creditable 6th place in their debut premier League season (2013/14).

Here, we look back at previous meetings between Tadcaster Albion and today's opponents.

As this afternoon's visitors to the i2i Stadium, Albion Sports, have only been members of the Northern Counties East Football League (NCEL) since 2011, there have only been a handful of meetings between the clubs.

They first met at Farsley Celtic's Throstle Nest ground in September 2013, when The Brewers came from behind to draw 1-1, thanks to a Carl Stewart goal.

Three months later, a crowd of 221 saw the visitors winning 1-0 at Tadcaster, with Liam Ormsby netting Albion Sports' winning goal. This result brought an end to The Brewers' 24 game unbeaten run in the NCEL Premier Division.

Last season brought two narrow victories for the Brewers.

The fixture at the i2i Stadium in November finished 2-1, despite Albion going 0-1 down to a 78th minute goal. Liam Ormsby, now a Brewer, scored two penalties in the final eight minutes, bringing huge relief to the

majority of the 399 strong crowd.

The return match at Throstle Nest, in April, resulted in a 1-0 triumph for The Brewers.

The top scorer for the 2014/15 season, Josh Greening, scoring the winning goal in the 64th minute.

If there is to be a first half goal this afternoon, it will be the first in any of the NCEL games between the two teams.

All of the previous seven goals have been scored in the second half, with the earliest being in the 58th minute.

For the lovers of statistics, the average goal time is the 73rd minute.

Ian Clark - Post Worksop Match -
"In the past week Cleethorpes have beaten us, Barton beat Cleethorpes, Worksop beat Barton and we beat Worksop. Handsworth and Clipstone took points off each other earlier in the month. Including Rainworth, there are 7 teams at the top all capable of beating each other which is what makes it a such a great league which will twist and turn right to the wire. Most people would have thought that if we came away from Worksop and Cleethorpes with draws it would be a decent achievement from two trips to top 5 opponents in 4 days. In fact we picked up 3 points out of the 6! Meanwhile we've now been away to almost all of the top six and they all still have to visit Fortress Ings Lane :-). All in all we're looking pretty good I'd say!!!"

Robin Derry - Post Cleethorpes Match -
"We go again other teams will drop points. It's only October after all."

Rob Watson - Post Cleethorpes Match -
"The game has gone now you win a lot you lose some onwards and upwards c'mon Tad heads up and go again at the weekend..."

Ian Clark - "A Big Welcome to the guy on Twitter who says he's finished watching Leeds to follow Tad instead. I did the same this Summer after 20 odd years after finally having enough of being taken for granted by a club that's been passed around from one greedy asset stripper to another employing one journeyman coach after another and hoards of journeymen players with not a hope in hell or any real intention of getting the club back to the top where it ought to be. In a few short months following the Brewers has reignited my passion for the game. A well run club with everyone giving it their best on the field and off it. A team of down to earth lads who love their football rather than how much they can earn and a club who puts on a free coach for fans to a massive away game, AND, AND it all costs a fraction of watching a league club!!!"

Weekend Round Up

As you will already know The Brewers suffered a hangover from the elation of the Worksop win as Cleethorpes pinched a 1-0 victory in a woeful match.

There were some huge score lines in the NCEL Premier Division on Saturday, it would have certainly been a day to utilise the 'Goals Galore' coupon at the bookies.

Starting with Rainworth Miners Welfare who thumped the hapless Liversedge, this was Sedge's tenth league loss on the bounce. It was effectively game over at half-time as the home side went into the break 5-1 in front. Another two were added in the second half to comfortably pick up the three points, Liam Morris the pick of the bunch scoring a hat-trick. Rainworth sit in 7th position.

It's been a good week for Thackley who recorded back to back league wins for the first time this season which has seen them rise from the pit of the division up to a much more comfortable 15th place. After defeating Nostell in the previous week, the Bradford based side must have gone into the match against Athersley Recreation buoyed with confidence as they came from behind to win it 4-2, Andrew Wood scoring twice for his new club after recently joining from Liversedge.

However on the other end of the spectrum, it's not getting any better for Brigg Town as they are still stuck on seven points at the bottom of the league. It was Retford United this time who capitalised on the poor form of the Humberside club scoring three goals in each half, Adam Lee completing his hat-trick in the 77th minute with striker Brad Kerr netting a brace.

Worksop Town left it extremely late again away at Pickering Town as an injury time goal from Conor Sellars clawed The Tigers to pick up maximum points 3-2.

It was goals galore for both sides over at Maltby Main as 84 people watched a 3-3 bonanza. The home side led 3-1 at the half time interval thanks to two goals from Brian Cusworth and one from Nicky Darker however Alex Denton scored twice in the space of two minutes to complete his hat-trick and earn a draw for The Cobras.

There was a seven goal thriller at Sandy Lane as Parkgate's late fightback against Handsworth Parramore just wasn't enough. The Ambers took a 4-1 lead in the 56th minute as Jon Froggatt scored another brace to make it 15 for the season for his personal tally keeping the striker at the top of the league scoring charts. Gate gave a valiant effort in the second half as Alex Lill completed his hat-trick but this wasn't enough and Handsworth won the match 4-3.

Barton Town Old Boys recorded their 10th league victory of the season last Saturday with a 2-0 win over Bridlington Town, Scott Phillips scoring another two getting his tally up to 14 for the season.

Two first half goals from Luke Mangham and Curtly Martin-Wyatt was enough to see Garforth Town defeat Staveley Miners Welfare.

Two draws to end the weekend round-up; first of all Nostell Miners Welfare who played out a 1-1 draw with Armthorpe Welfare and Pontefract Collieries who drew two a piece with Albion Sports.

Mid-Week Round Up

On Tuesday evening, Clipstone got back to winning ways with a 6-1 crushing away at Nostell Miners Welfare, who interestingly fielded Harrogate Railway's Manager in goal for the game.

Gareth Owen's 53rd minute goal for Barton Town Old Boys was cancelled out just six minutes later as Courtney Hastings earned Staveley a valuable away point.

The final game on Tuesday was actually abandoned with 15 to go due to fog, unfortunately for Thackley, they were on for their third consecutive league victory as they led 4-0 away at Garforth Town.

On Wednesday night Worksop Town leapfrogged Taddy to move into top spot as they played one of their games in hand. I think it's fair to say that the win was never in doubt as The Tigers hit struggling Liversedge for 6, Mitch Husbands the man of the night netting four.

Retford United certainly had a few days to remember as they followed up the 6-0 win over Brigg with a 5-2 win away at Pontefract Colls. The Badgers were cruising 3-0 at the break before making it 5-0 just past the hour mark. Colls did pull two consolation goals back and that is all they were as Retford bounced up into 12th.

Cleethorpes Town v Handsworth Parramore on Wednesday night was postponed due to an accident on one of the roads.

TAD'S History

By Ian Tyssen

The NCEL Years 2006-2007 Season

The Northern Counties East Football League (NCEL) membership grew by one club - from 36 to 37 - for the 2006/07 season. The Premier Division continued to have 20 clubs and Division One increased to 17.

Both Buxton and Harrogate Railway were promoted to the Northern Premier League's First Division at the end of the 2005/06 season, with no teams moving in the opposite direction. Carlton Town and Retford United had also been promoted within the NCEL, from Division One to the Premier Division. Again, no clubs were relegated to take their places in the lower tier.

Three new members joined the NCEL Division One from its feeder leagues - Dinnington Town (Central Midlands League Supreme Division), Nostell Miners Welfare and AFC Emley (both West Yorkshire League Premier Division).

Tadcaster Albion's league season started with 2-1 home win over Dinnington Town but this was followed by a 0-5 thrashing by Winterton Rangers, who went on to finish second in the league.

In September, the Brewers picked up two wins and two draws from five games. The highlight was a 7-1 win at Ings Lane against bottom club Rossington Main, when Steve Ward scored a hat-trick.

Albion strung together three consecutive victories in October, including home wins over South Normanton Athletic and Lincoln Moorlands, who finished the season in third and fifth place, respectively.

A run of six league defeats, which included back to back one goal losses against champions Parkgate, brought 2006 to an end.

2007 started with the Brewers going unbeaten for 12 games - seven wins and five draws. During this period of the season, there were 4-1 wins at Teversal, when Stefan Zoll scored a hat-trick, and at sixth placed Staveley Miners Welfare. Fourth placed Nostell Miners Welfare were also beaten 3-2.

Guiseppe Downing, who was Albion's leading goalscorer, netting 19 times in league games, scored a first half hat-trick in a 3-3 draw with Borrowash Victoria.

The unbeaten run came to an end with a 1-4 loss at South Normanton Athletic but the season did end on a high with a 3-1 home win against Gedling Town. Although the final day crowd of only 34 was the lowest of the season.

Tadcaster Albion **U21's, U19's & Junior** Teams

Our U21s play in the West Riding County FA Floodlit League (Central). During the 2014/15 season, they also made it to the Semi Final of the West Riding Floodlit League Cup. The players, who are aged 16 and over, train between 1 and 10 hours a week and also compete in regular development friendlies. Many of these friendlies are against youth teams from local professional clubs such as Leeds United and York City – giving each of our players a unique insight into the UK's football system. Our U21 coaches Mike Morton and Simon Collins not only have their FA Level 3 (UEFA B) qualification, but they also have experience of coaching with professional clubs such as Manchester City and Leeds United. For more information on our U21 set up, please email info@tadalbion.com.

Contact:

Mike or Simon on **01904 606 000**

Our Under 19 team is a newly formed side, which has been set up to help local talented players develop and hopefully progress into the Under 21s and the Tadcaster Albion first team. Players are all aged 16 and over. Coach Rich Taylor has coached in the USA and has also had a spell at Leeds United.

For more information on our U19 set up, please email info@tadalbion.com.

Richard on **01904 606 000**

The U9s team currently have 10 registered players who play 5 a-side, non-competitive matches in the York Mitchell League on a Sunday morning.
