# Formed in 1892

The club is believed to have been formed in **1892** as John Smith's FC. It wasn't until **1923** that the Tadcaster Albion AFC name was adopted. In the early years the club played in the local York League. In **1948** Albion won the York League. They continued competing in the York League during the **1950's & 60's**.

Tadcaster Albion, in the early days, played home games on the site of the cricket ground on Station Road, before moving to the Ings ground, near to where the present Samuel Smith Brewery Packaging Block now stands.

Changing facilities were in the town, at the rear of the Falcon Public House on Chapel Street, and it was a common Saturday afternoon sight to see nets, corner flags, buckets, oranges, players and officials trekking through the town.

Down the years the club has played in several leagues. In early times, Barkston Ash and later still the Yorkshire and Northern Counties East Leagues.

Football continued on the Ings ground until **1960**, when the club moved 100 yards up river to its present home at the Park.

In **1973** the club joined the Yorkshire League Division 3 and were promoted in **1975 & 1977** to reach Division 1, relegation was to follow in **1979 & 1980**.

In **1982/83** they became a founding member of the Northern Counties East League, originally in the NCEL Division Two North before league reorganisations led them to Division One in **1991**. They rarely finish in the top half of the league in the **1990's** and finished bottom in **2001/02 & 2003/04**.

At the start of **2004/05**, Jim Collis became manager and at this point fortunes on the pitch started to improve dramatically. In his first season, Albion finished 5th in the league, the following year a 3rd place finish meant promotion was missed by one point.

Jimmy Reid took over as manager in **2006**, but his time was blighted by off the field problems. An attempted hostile takeover by dissident committee members took a massive amount of money to fight. Then in Nov **2007**, an attempted arson attack on the clubhouse caused a lot of damage.

Paul Marshall took over at the start of **2008/09**, in his first season he played mostly local players and the team struggled and finished 17th. In **2009/10**, with an influx of a few new key players, Albion won the NCEL Division One title. In **2010**, Rob Northfield, took over as Chairman of Tadcaster Albion (2010) Ltd, and the club became a company limited by guarantee.

Albion finished fourth in their first season in the NCEL Premier Division and won the NCEL President's Cup, beating Farsley AFC 5-1 in the final. That was followed by an 8th place finish in **2011/12** and 6th in **2012/13**. In the **2013/14** season Rob Northfield resigned a few days before the start of the season and i2i Sports Ltd agreed to take effective control of the club and company, with Matthew Gore becoming the new chairman.

In **2014/2015** the Brewers lead the NCEL Premier for most of the season, but a poor run of games, in March led to them finally finishing in third.

An excellent run in the FA Vase saw them make history by making it through to the Quarter Final of the FA Vase where they drew a record breaking crowd of 1,307, but were narrowly beaten by Highworth Town.

At the end of the season, the club opted not to renew their contract with manager Paul Marshall, two weeks later former Harrogate Railway boss Billy Miller was unveiled as the club's new manager.

In **2015/2016** the Brewers lead the NCEL Premier for most of the season once again, but this time they held their nerve and finished Champions with a 2-1 home win over Armthorpe Welfare. They also made it to the League Cup Final, but were beaten in a thrilling 3-2 game against Cleethorpes Town.

In **2016/2017** the Brewers started their first ever season in the Evo-Stik First Division North.

With a mix of old and new players Billy Miller was back in his old stomping ground and his experience and knowledge of this division was needed. The Brewers started the season well and were in the play-off spots, then injury problems hit the team and the season seemed to run away from them and they finished 19th in the league. The Brewers had a great chance for silverware in the West Riding County Cup Final, the game finished 1-1 but they lost out to Farsley Celtic 4-2 on penalties.

In **2017/2018** the Brewers started the season with a new management team, the Directors made a tough decision at the end of last season and decided to change the management team and out went Billy & Matt and in came Michael and Simon. Michael and Simon are full of energy and excitement after finishing the season with the i2i Football Academy and TAFC Under 21 squads both winning silver ware and finishing first and second in their respective leagues. Now the duo have a chance to continue that form and take Taddy to greater heights.

## Director's · NOTES

Good afternoon and welcome to the i2i Stadium for today's pre-season friendly against Evo-Stik Premier Division side Farsley Celtic.

With exactly a month to go until the start of the new season, we wanted to start today's notes by letting you know how much tireless work has been going on behind the scenes over the summer. Starting off with the ground maintenance; all of the fences at the front of the clubhouse and the car park have been repainted, all of the weeds in the bottom car park have been dug out and tidied, all of the railings, steps and posts inside the ground have been repainted plus a massive sweep up and much more. Inside the clubhouse there has been development work throughout including the changing rooms and new windows.

We obviously couldn't do this without you, our volunteers, as well as our sponsors along with huge support from the staff at i2i, so a massive thank you to everyone who has helped out over the past couple of months. It certainly goes a long way to making our home look the best it can. It's no coincidence that we get plenty of compliments from visiting teams.

Turning our attention back to today's match, it should be a really tough test, they put in a great performance at National League side Harrogate Town just over a week ago but these are kinds of teams we need to be testing ourselves against in lead up to the new season. The lack of

goals is obviously a slight concern for all involved but work continues to take place on the training field as well as looking at new personnel to come in and challenge for a place. Michael Ingham is yet to concede in pre-season and we have looked good at the back for the main, it's just the final third where things are stalling slightly but we know with the quality we have that will come good.

Just a gentle reminder of our annual pre-season friendly against Leeds United which always draws in a huge crowd down at the i2i and we are hoping for the same this year. Leeds are likely to bring a strong youthful squad with the possibility of a few first-teamers. Get it in your diaries and don't miss it, Tuesday 31st July with a kick-off of 7:30pm.

We also want to point you in the direction of our upcoming FA Cup tie. Your support makes a massive difference to our team's confidence so we urge you to be at our Preliminary Round match against Shildon on Saturday 25th August (3pm). You look at what Hyde achieved last season reaching the First Round Proper and getting the incredible chance to play live on the BBC against a Football League side. Just think what a run like such could do for ourselves.

Enjoy the game and we wish you all a safe journey home.

## Manager's · NOTES

Michael Morton & Simon Collins

Good afternoon and welcome along to Tadcaster Albion for our next pre-season friendly as we take on Evo-Stik Premier Division side Farsley Celtic today.

We went across to the CNG Stadium last Friday evening to watch today's opponents against Harrogate Town and to be honest we were very impressed with both sides. It was a very good game to watch, both teams played some great stuff, plenty of goals too and we are looking forward to today's challenge. It was great to see Casey Stewart doing his thing for Harrogate too, he's currently on trial there after impressing with us last season, who knows what the future has in store but what we do know is he is extremely talented and has a big future ahead of him.

Turning our attention back to ourselves, we are aware that we haven't quite hit the ground running in front of goal yet but it is just a matter of time. Whoever the opposition has been whether it's Sheffield United, Barton or Boston we've created plenty of good chances but just haven't taken them. We said it in our post-match interview on Tuesday night but it would be much

more alarming if we weren't creating the chances but we are.

It's also important to point out that our number one Ingy hasn't conceded yet but as we know pre-season sees plenty of substitutions and squad rotations to give everyone enough minutes on the pitch. Performances, bar against Barton, have been good, we've held a very strong National League North side in Boston to the 85th minute and also could have easily got a result against Sheffield.

We are still continuing to look for new players who would improve us and we had three new lads who are used to playing at a higher level, two of which being strikers, attend training on Thursday night and should be involved today.

Just four weeks until the season gets underway again, excited? We are!

Enjoy the game.

# Team · HISTORY

Farsley Celtic

The current football club was formed in June 2010 from the embers of Farsley Celtic AFC which entered Administration in June 2009 whilst in the Blue Square North and which failed to fulfil its fixtures, eventually being expelled from that league early in 2010.

The old Farsley club (the name Celtic being added later) initially competed in the Leeds Amateur leagues and played its first game at the current site in 1948. Throughout the 1950s and 60s Celtic established themselves in the Yorkshire Leagues, being crowned champions in 1959/60 and 1968/69, although failing to be promoted as a result of ground regulations. A First Round FA Cup tie against Tranmere Rovers at Leeds United's Elland Road ground in 1974 proved to be the highlight of the decade, and the 11,000 crowd that saw the Celts lose 2-0 to a Steve Coppell inspired Rovers is still the largest crowd in the club's history.

As the Yorkshire and Midland leagues merged in 1982, Farsley began in Division One North. By the mid-80s the club was invited into the Northern Premier League.

After a few largely uninspiring seasons, the new decade brought unparalleled success. In 2004/05 under the inspired management of Lee Sinnott, the team won the Unibond League Premier Division only to have points deducted as the result of Spennymoor Town going out of business and its results being expunged. The reduction in points resulted in the Celts securing only a Play-off place, losing controversially on penalties against Workington in the final.

Promotion was secured the following season after a Play-off final victory against North Ferriby and in the following campaign, the club's first in the Conference North, they reached the First Round of the FA Cup losing in a replay to MK Dons as well as securing promotion to the Conference National following a memorable evening at the Pirelli Stadium in Burton Upon Trent, when Simeon Bambrook's last minute penalty saw the Celts beat Hinkley United 4-3.

A single season of Conference National football resulted in relegation to the Conference North. On-going financial difficulties saw the Administrators appointed in June 2009 with the club's results expunged in March 2010 when the Administrator prohibited the club from fulfilling its fixtures.

The re-formed club were placed in the NCEL Premier Division for their first season which turned out to be highly successful with a league and cup double recorded. Many of the former players remained loyal to the club and top spot was held for much of the season, with the title confirmed on the penultimate weekend of the season. The club also reached two cup finals, the NCEL Presidents Cup, in which Tadcaster won but the season ended on a positive note with the League Cup being lifted despite Farsley having to play the majority of the final with 10 men.

The 2011/12 season was almost as successful, with a top five spot being secured ensuring qualification for the Play-offs. Unfortunately, the Semi-Final opponents were Witton Albion who won 3-0 and deservedly booked a place in the Final, going onto win promotion after defeating Curzon Ashton.

The following league season didn't quite go to plan with a disastrous run in the closing months, saw Neil Parsley's side go without a win in the final eight games. Inconsistent form before this point had all but put an end to the club's play-off chase and a 14th place finish was all that could be mustered. On a positive note, Farsley reached the Quarter-Finals of the Doodson Sports League Cup. After beating Ossett Albion and Clitheroe, Farsley beat Premier Division opposition Whitby Town and Workop Town before bowing out to Matlock Town in the final eight.

The side made it through to the Final of the Doodson Sport League Cup against Warrington Town in the 2014/15 season at Edgeley Park. Despite a goalless score line at full time Farsley eventually lost out on penalties. The game proved to be the last for the club as Farsley AFC as they they had their original name reinstated through the close

season. On May 19th 2015 the club were officially known as Farsley Celtic FC once again.

2015/16 started disastrously with only two points gained from the opening seven league fixtures and the Celts rooted in the relegation spots. The season though turned with an incredible 15 game unbeaten league and cup run, which started in mid-November with a 2-0 League Cup win over Shaw Lane and lasted until late February when Burscough won 3-0 at Throstle Nest in the league. That run put Farsley in the hunt for a play-off spot, but the pursuit of promotion was dashed during March, when a single point was taken from a six league encounters. A topsy-turvy season ended with the Celts in ninth place, seventeen points adrift of a play-off spot.

The 2016/17 campaign turned out to be a dramatic, but ultimately successful one. After a League season that saw the Celts battle Lancaster City all the way to the last game of the season, but in which the Dolly Blues claimed the automatic promotion spot and the title, Farsley had to do it the hard way. They overcame Colne 4-0 in the Play-off Semi-Final and had to come from behind to take the game to extra-time and ultimately a 4-2 win over Ossett Town to clinch promotion to the EVO-STIK Premier Division. The various cup competitions also proved fruitful with good runs in both the Emirates FA Cup and the Buildbase FA Trophy and the Celts won the West Riding County FA Cup, taking the trophy 4-2 on penalties after the game finished 1-1 in ninety-minutes.

Last season saw Farsley return to the EVO-STIK Premier and finish a highly creditable fifth spot and in doing so, clinch the last Play-off position. Unlike the 2016/17 season there was to be no happy ending though, as the Celts lost 2-1 at eventual Play-off winners, Ashton United. Whilst there was no long runs in the FA Cup, FA Trophy or Integro League Cup, Farsley made it to the West Riding County FA Cup Final, lifting the trophy for a second successive year, beating Selby Town 4-1 and giving the management team of Adam Lakeland and Mark Betts their first piece of silverware at the Nest.

## Manager: Adam Lakeland

Farsley Celtic moved swiftly to appoint Adam Lakeland as manager following the resignations of Neil Parsley and John Deacey during the summer prior to the 2017/18 season. Lakeland is a UEFA 'A' listed coach who was a first team coach at Curzon Ashton when they gained promotion to the National League North. After working with the Blackburn Rovers Academy for a year, Lakeland became the manager of Northwich Victoria where he guided them to the EVO-STIK Division 1 North Play-offs despite a nine-point deduction. He then resigned amid financial issues for the club in December 2016, and had been out of football until he was appointed as the Celts' manager. Last season he picked up his first piece of silverware as Farsley lifted the West Riding County FA Cup beating Selby Town 4-1.

**Assistant Manager:** Mark Bett  
Adam Lakeland appointed Mark Bett as his assistant manager, the striker having spent two spells at the club as a player. Bett enjoyed a prolific non-league career also playing for Guiseley AFC, Bradford Park Avenue, Ossett Town and Curzon Ashton, before working with Adam Lakeland at Northwich Victoria.

## Strikers

### Nathan Cartman

Nathan spent August 2017 at Throstle Nest on-loan, scoring two goals in that spell. The frontman then returned to parent club Darlington at the beginning of September 2017. However, when James Walshaw left for Scarborough in mid-November 2017, the Celts were quick to sign permanently the renowned goal-scorer. Nathan began his career at Leeds United Academy and includes amongst his previous clubs Harrogate Railway Athletic.

### Paul Walker

### Luke Parkin

Young forward Luke Parkin adds another dimension to the Celts attack, operating either out wide or through the middle. Parkin spent his youth career at Leeds United before turning professional at the age of 18. Parkin spent time on loan at Guiseley AFC, before leaving Leeds and plying his trade with Gainsborough Trinity and Brighouse Town.

### Will Hayhurst

Another of Adam Lakeland summer signings from Warrington Town, Hayhurst brings Football League experience to the squad as he started his career at Preston North End, achieving promotion to the Championship with the Lancashire club in 2015. Tadcaster Albion 0-1 Boston United

Last Thursday night Tadcaster put in a promising display against Boston United matching the National League North outfit for the entirety.

Team: **Ingham, Barkworth, Walters, Barrett, Coates, Miller, Langton, Davidson, Whitehouse, Lumsden, Savory**

A real even affair on a hot summer night edged out by the higher league opposition courtesy of an 85th minute goal from the infamous Mr A Trialist. It's a well-known cliché that pre-season friendlies are all about gaining fitness and experimenting with new shapes and formations and it is but the Brewers battled tremendously hard against a tough side.

Manager Michael Morton was able to hand a debut to new striker Joe Lumsden as well as welcoming number one goalkeeper Michael Ingham into his team for the first time in pre-season. It was the visitors from Lincolnshire that were first to threaten as a corner kick caused Albion problems with Spencer Harris blocking a clearance which cannoned off the face of the crossbar.

At the other end Joe Lumsden was looking to impress his new supporters and he showed some promise in a frantic start to proceedings. The ex-Stocksbridge forward got his first real opportunity to show what he's about four minutes from the break when he drove into the box only to come unstuck by Qualter again when twisting and turning and trying to pull the trigger. An even better chance fell Lumsden's way two minutes later when a mistake from Qualter allowed the new Tad man to bare down on goal only to be denied by first goalkeeper George Willis and then defender John McCombe with a well-timed block.

The second half saw both sides make a number of substitutions, the majority of which being trialists for Boston and one of those aiming to catch the eye almost scored in bizarre circumstances when a daisy cutter squirmed through the legs of Michael Ingham only to be just retrieved just before rolling over the line.

Taddy continued to produce pleasing patterns of play out from the back and they came increasingly close to breaking the

deadlock when Lumsden's cross ran for Jack Walters at the back post who checked inside onto his weaker right-foot and bent a beauty off the crossbar.

Both sides continued to plug away at one another as Craig Elliott's Boston side tried to force the issue as expected being two leagues higher. Another trialist flicked past the advancing Ingham but also past the post before they struck the woodwork for a second time, a trialist unleashing a soaring strike off the underside of the bar.

Albion, who had fewer substitutes, pushed hard once more with Aiden Savory seeing his deflected header hacked out from the six-yard box. Nevertheless it was the National League side who scored the only goal of the game five minutes from a time as a miscued finish beat substitute goalkeeper Tom Young.

Plenty more positives to take against a strong higher league opposition.

Tadcaster Albion 1-2 Barton Town

The Brewers continued their pre-season preparations on Saturday with a tough second game in the space of two days.

by Jay Taylor

## Pre-Season Recap:

## Tadcaster Albion 1-2 Barton Town

Team: **Ingham, Barkworth, Walters, Coates, Mycoe, Miller, Roper, Metcalfe, Baker, Pugh, Lumsden**

Subs (all used): **Wilton (GK), Barrett, Davidson, Langton, Savory, Whitehouse**

New left-back Jack Walters came within a lick of paint of netting his first Tadcaster goal against Boston on Thursday night but he did open his account against Barton Town with a sumptuous volley.

On the tight 3G surface at York St John's Haxby Road, the NCEL side bit back in the second

half as a mixture of tough sessions and back-to-back matches took its toll on Albion. A long-range rocket beat substitute goalkeeper Joe Wilton before a last minute goal saw the visitors take the win.

Donald Chimalilo, Matty Savage and Owen Marshall have all been key figures in Taddy's U21's side for the past couple of years, all having featured in the first-team too but on this occasion they turned out for Barton Town. Michael Ingham is yet to be beaten in pre-season and he aimed to keep it that way as he pulled off several outstanding stops in the first half.

The first of which coming after four minutes when a whipped free-kick from 19 yards was pushed away by the fully stretched Northern Irishman.

Sixty seconds later and Taddy should have opened the scoring. A brilliant piece of high-pressure from Jack Walters saw the left wing-back win possession on the edge of Barton's box which led to Adam Baker blazing over from eight yards out. However it was 1-0 to Tadcaster on 10 minutes when Ellis Barkworth's deep cross was thumped into the far corner by Jack Walters, a stunning volley on

his weaker right-foot to open his account for Albion.

The NCEL Premier Division side were making a very good account of themselves as they continued to cause Taddy problems. If it wasn't for an exceptional point blank save from Michael Ingham then the Swans would have been on level terms. The big number 14 squeezed through the Taddy back-line but saw his powerful strike superbly pushed over by Ingham from close range. The same Barton forward squandered another chance two minutes later when controlling on his chest and dragging wide of the left-hand upright.

It was an end-to-end opening at YSJ with chances free-flowing at both ends. Joe Lumsden came within a couple of inches of opening his Tadcaster account when he thundered a rocket off the underside of the crossbar leaving the keeper with no chance. The woodwork was well and truly rattled.

Centre-back Harry Coates has caught the eye in the first few weeks of his Tadcaster career for his and he too almost netted his first goal in yellow. The giant defender marauded into Barton's half, played a slick one-two with Lumsden before powering beyond two more blue shirts and pulling a shot inches wide.

This wasn't your bog standard pre-season friendly though as several full-blooded challenges graced the artificial surface. In some ways that's what both teams want, no injuries is obviously number one priority but a contest replicating that competitive mid-season feel won't be far behind. Skipper for the day Michael Ingham certainly wasn't taking things lightly as he pulled off another top stop to claw a header out of the top corner.

The side from across the Humber Bridge equalised at the beginning of the second half courtesy of a screamer from 25 yards leaving substitute stopper Joe Wilton with no chance. Two games in the space of two days

on top of several tough training sessions began to take its toll on the Brewers in the second half. Morton & Collins' men were still creating chances on goal however as Mitch Langton's well struck volley was well held by the goalkeeper before Aiden Savory lost his marker in the box but couldn't generate enough power on his header to find the net. As the friendly entered the final few minutes, Taddy almost retook the lead in strange fashion. Barton were preparing their wall for a free-kick when Pete Davidson quickly took the set-piece but missed the far corner. The referee clearly didn't state 'on my whistle' on this occasion.

Barton were in the ascendancy for the majority of the second half and the fresher legs prevailed in the end as a goal in the last minute saw the Brewers narrowly edged out at Haxby Road.

## Pre-Season Recap: Selby Town 1-0 Tadcaster Albion

The lack of goals continues to be somewhat of a concern for Morton and Collins after a number of missed chances went begging.

by Jay Taylor

Selby: **Lawrie, Kennedy, Robinson, Ramsay, Gothard, Alasan-Ann, Collier, Snodin, Flanagan, Clamp, Cable**

Tadcaster: **Ingham, Howarth, Walters, Barkworth, Coates, Miller, Roper, Davidson, Savory, Whitehouse, Lumsden**

Aiden Savory squandered Taddy's best chance of the evening blazing over Billy Whitehouse's cutback from six yards out with the goal gaping. In the end Selby punished the misfiring Brewers with Gary Collier rounding off a sharp counter attack by chipping perfectly over Tom Young with the outside of his boot.

"I'd be worried if we weren't creating chances" said boss Michael Morton in his post-match interview. It has however become a growing issue having found the net just three times in five friendlies.

On a picturesque low-sun evening at the Fairfax Plant Hire Stadium, Tadcaster started as expected being the higher league side, dominating possession and asking frequent questions of their opponents. Former Taddy goalkeeper Pete Lawrie had a busy night in-between the sticks for his new club as he comfortably palmed Joe Lumsden's effort away in the early exchanges.

It was a bright start made by the Brewers who continued to put Town's defence and goal-

keeper under pressure. The deadlock should have been broken on 18 minutes when Corey Roper's curling cross dropped to the feet of Aiden Savory but he could only poke into the body of Lawrie from eight yards.

Selby were given very few opportunities to test Michael Ingham but some well-engineered play from Gary Collier forced the giant Northern Irishman to beat a swirling shot clear. It was at the other end where the most noteworthy moments arose as Lawrie was called into action once again getting down well to tip Paddy Miller's difficult low free-kick wide of the mark.

Frustration began to grow in the Taddy ranks as Lumsden pulled a shot off target before Savory drove across the face of goal but no blue shirts were on hand to help themselves to a tap-in.

Half-Time: Selby 0-0 Tadcaster

Michael Morton's men came out and continued to boss proceedings as it still only seemed a matter of time before they opened the scoring. Five minutes into the second half and close they went again as man mountain centre-back Harry Coates escaped his marker only to see his towering hooked off the line by Alex Robinson.

You get the sense that it might not be your night when last year's top scorer Aiden Savory blazed over the bar from close range after some

good work by Joe Lumsden and Billy White-

house. The pitch wasn't quite as pristine as Albion are used to back home but it's something that can't be used as an excuse.

Joe Lumsden is still searching for his first Taddy goal after another frustrating night but the striker was still getting himself into great areas where chances were being carved out. First his close-range volley was well stopped by Lawrie before running into the penalty area but opting to slide across goal in which Adam Baker couldn't quite latch onto.

Substitute goalkeeper Tom Young made a positive attacking save when flying off his line to thwart a loose ball but it was the home side who netted the only goal of the game eight minutes from time. It all started from an Albion free-kick which quickly broke down with Selby igniting a break. It looked to be control when Jack Walters held possession but an intended back-pass off a teammate led to Gary Collier superbly chipping over Young.

**Five friendlies down and five to go for the Brewers as they continue their pre-season preparations by taking on Evo-Stik Premier side Farsley Celtic this afternoon.**

With exactly one month to go until the Evo-Stik East league season kicks off against Carlton Town, Taddy will be looking to hit their stride, especially in front of goal as missed chances continues to be the recurring theme of pre-season.

The goals may have dried up somewhat recently but with it being in pre-season, how much of a concern should it be. As both Michael Morton and Simon Collins said on Tuesday night, they'd be more worried if they weren't creating chances but obviously it's

something that is frustrating when you are gearing up for another big campaign.

The Celts had an exceptional first season in the Evo-Stik Premier Division finishing in fifth place and narrowly missing out on promotion via the play-offs after losing 2-1 to Ashton United. They started their pre-season friendlies much later than Albion after a narrow defeat at Harrogate Town was followed up by a 3-1 victory over Eccleshill United.

The two club's last met in the West Riding County Cup Final a couple of years back with Farsley edging the trophy win after a penalty shoot-out.

**Enjoy the game!**

### Team News:

**Michael Morton** and **Simon Collins** may welcome several new trialists into the squad but forward **Aiden Savory** is away.

## BREAKING NEWS | Trigger Happy!

We are pleased to announce that defender Jason Mycoe has committed to the club for the 2018/19 season.

by Jay Taylor

The experienced defender made 34 appearances in the club's play-off chase, 25 of which being starts.

"I'm looking forward to my fourth consecutive season at Tadcaster" said Mycoe who won Fans Player of the Season in the club's promotion winning campaign from the NCEL in 2015/16.

"It's a brilliant club to be at, everyone involved is professional, ambitious and the fans are great

so it was an easy decision to commit for another year."

It's no secret that Mycoe has struggled with fitness over the past couple of years after suffering a career threatening knee injury but he is keen to keep contributing.

"Mikey and Si have made some great signings ahead of this year as well as retaining the ma-

ajority of the squad that finished last season so strong so that's certainly a positive."

"I think we were fortunate to make the play-offs last season after a poor start but I'm confident we can build on last year's end to the season and be serious contenders for a promotion place come next April."

## BREAKING NEWS | Howey Commits

We are delighted to announce that Chris Howarth has committed to the Brewers for the 2018/19 season.

by Jay Taylor

The veteran defender/midfielder was the second most featured player last season after notching 45 appearances, 44 of which being starts. Howarth impressed in his debut season at Ings Lane starting out as a tough-to-beat full-back before moving into a central midfield role for the second half of the campaign. The former Farsley Celtic man also played his part in the final third recording two goals and two assists.

"It didn't really feel like last season was my first year at Tadcaster" said Howarth.

"I was always made welcome by the fans, management and the players that Mikey & Si brought in. I felt as though it was always going to be work in progress having

changed management and bringing in more or less a completely new squad. However I knew I could add something with my experience and versatility as a player."

"It's is a tough league and you haven't got much time to make many mistakes but I always had confidence that we would get things right with the right people around. Building on last season we can only improve, with having a full season together and adding further quality to the squad it's an exciting time to see what this season brings."

Assistant manager Simon Collins understands the importance of having something of Howarth's experience not just on the

pitch but off it also. "We are pleased to retain the services of Howey again, he was great for us last year. He gave us a great balance when playing in both defence and midfield and his disciplined mentality is key at times."

Welcome back, Howey!
