Directors' NOTES

We would like to extend a warm welcome to all of the players, fans and officials of Bamber Bridge.

Speaking of 'Bridges,' last Friday was a brilliant day for Tadcaster to see so many people out for the reopening of the Bridge and seeing the community reunite.

First of all we would just like to say a massive thank you for your continued support this season; especially at home, we have had our ups and downs but you have all been brilliant throughout and a true credit to this Football Club.

Also, we are third in the attendance table for our division with a terrific average of 339 spectators at every game, so keep it up!

Last Saturday was a rollercoaster of emotions to say the least away at Droylsden. It is never easy for an outfield player to go in goal but credit to Carl Stewart who stepped up and volunteered to replace the injured Chandler Hallwood.

Losing a 3-0 lead in any circumstance is obviously disappointing but to withstand the constant barrage of attacks with an outfield goalkeeper was always going to be extremely difficult.

However we have to take the positives from the game, to which there were plenty scoring three brilliant goals and hopefully we can get back on track this afternoon.

We would like to wish Adam Baker all the best after deciding to leave the club and join Brighouse. We understand the fans frustrations but we did not want Adam to leave the club and it was entirely his decision to go elsewhere and find more pitch time.

Nevertheless we understand that Michael Ingham and Andy Milne will be back in full training in the not so distant future which will be a big boost for us.

Finally, after today's game we are hosting Sonny's Memorial Celebration from 7:30pm in which all money raised will go towards a memorial garden and bench in Sonny's name so we do recommend you stay for that fantastic cause.

We hope that you enjoy today's match and have a safe journey home afterwards..

Matt Gore, James Gore & Kent Mayall

Manager's NOTES

Good afternoon everyone and welcome to the i2i stadium for today's match against Bamber Bridge. We hope Neil and his staff enjoy their stay and have a safe journey home afterwards.

First of all, I would just like to say how fantastic it was seeing the whole town of Tadcaster out on the streets last Friday for the reopening of the bridge. As a football club we helped out where possible and I've got to say, the community spirit amongst the town is phenomenal.

Of course last Saturday was disappointing for all involved but we can take heart from the match, we aren't playing badly

at all. We scored three brilliant goals away from home and we'll take that into today's encounter against a tough Bamber Bridge side.

The goalkeeper situation was obviously the turning point in the game but credit to Carl Stewart for going in for us for over an hour.

In the end though they worked out that they needed to put the ball into the box and not overplay and from that moment it was always going to be difficult.

When we were on the front foot however we looked incredibly dangerous with the likes of Tom Corner, Josh Greening and Rob Youhill and its great to see the two forwards move onto 13 and 11 goals respectively.

Enjoy today's game and keep up the fantastic support. We hope to see you all at Brighouse Town on Monday night for the West Riding County Cup Semi-Final.

Bamber Bridge FC

Football in Bamber Bridge can be traced back as far as the late 1800's. However, the present club was established in the summer of 1974 when the old Bamber Bridge club amalgamated with neighbouring outfit Walton-Le-Dale.

The new club played at the King George's Playing Field and the early years were marked with a high degree of success on the local football scene.

The first sixteen seasons was spent in the Preston & District League Premier Division and many honours were gained. The first season, 1974-75, proved a somewhat modest one with a 12th place finish in the league.

However, an improved showing the following term saw the fledgling club finish 5th in the table and they won their first piece of silverware, when lifting the Lytham Medal competition. Modest though this first honour may have been, it was to be the first of many successes to come the clubs way throughout the years that followed.

The Premier Division championship was won for the first time in the 1980-81 season and was the first of four title successes. This honour was also achieved in 1985-86, 1986-87 and for the last time in 1989-90. The club also finished as Premier Division runners-up three times in 1978-79, 1982-83 and 1984-85.

During those sixteen seasons spent in the Preston & District League 'Brig' also enjoyed success in the League Cup competition, the Guildhall Cup. They emerged winners of the tournament on four occasions; firstly in 1978-

79 and again in 1980-81, when they achieved the 'league and cup double' for the first time.

They won the Guildhall Cup for the third time in 1984-85 and again in 1989-90, when winning the 'league and cup double' for the second time.

The club were also Finalists in 1977-78, 1979-80 and 1987-88. Along the way, the club finished as finalists in the Premier Division Ward Shield in 1983-84.

In those early years Bamber Bridge won the prestigious Lancashire FA Amateur Shield in 1981-82 and were finalists in 1980-81 and 1989-90.

Throughout this period, the club committee had Dreamtime and worked towards establishing a football ground of their own and in 1983 a piece of derelict land was purchased with the help of South Ribble and Sports Council's.

It took four years of dedicated work and considerable expense to change this overgrown land into a football pitch, which was named Irongate after the local area. It was indeed a proud moment to see the team play on the club's own ground after having played on a park pitch for so long.

The first game at Irongate was played in August 1987 and since then continual development and improvements have taken place at the ground to enable the club to enjoy a place within the National Leagues System.

Sustained success in the Preston & District League prompted the club to seek progression and at the beginning of the 1990-91 campaign the club joined the North West Counties League.

In their first season, in what was in those days, the first rung of the National Leagues System, 'Brig' finished in a creditable 4th spot in the Second Division. Twelve months later and the club won its first honour in the semi-professional game when taking the North West Counties League Second Division championship and with it promotion to the top flight.

The 1992-93 campaign proved to be a storming success with a runners-up spot in the First Division which was to see the club promoted for the second season running with a place in the First Division of the Northern Premier League.

That memorable season the club reached the Semi-Final of the FA Vase, only one step away from the famous Wembley Stadium. Then just to top things off, 'Brig' were finalists in the North West Counties League Floodlit Trophy. The clubs three year stay in the NWCL had been a rollercoaster ride.

During this period floodlights were installed at the Irongate ground and further ground improvements were made to facilitate promotion to the Northern Premier League. In their first season in the NPL, the club finished in a creditable 13th place in the First Division and were finalists in the First Division Cup.

Tadcaster Albion

Team History & Player/Staff Profiles

In the following term, 1994-95, the club won promotion for the fourth time in its history, after finishing runners-up in the First Division. Also that term, Brig captured the Northern Premier League Challenge Cup when overcoming those famous cup fighters, Bishop Auckland, by 2-1 at Bolton Wanderers old ground, Burnden Park, before lifting the Lancashire FA Challenge Trophy, with a 2-1 victory over favourites Morecambe at Deepdale.

Against all the odds in 1995-96, their first season in the Premier Division, the club won the Northern Premier League title beating off late challenges from Hyde United and Boston United, the final outcome depending on the results on the last day of the season - a history making season for the club. 'Brig' reached the Lancashire FA Challenge Trophy Final for the second time on the trot, but this time finished as runners-up, losing 0-1 against Morecambe; the Final once more being played at Deepdale.

Bamber Bridge entertained the Czech Republic International team in a friendly game prior to the Czech's opening game against Germany in the European International Championship Finals in 1996. The successful Czech side had used Irongate for some of their preparations for the tournament in which they eventually finished as finalists.

In 1999-00 the club enjoyed an excellent run in the FA Cup, reaching the Second Round Proper for the first time in their history before bowing out by a narrow 0-1 margin at Football League Second Division side Cambridge United, the result decided on a disputed penalty. The club made it to the Lancashire FA Challenge Trophy Final for the third time that season but once again finished as runners-up after going down heavily by 0-5 against Marine in the Final at Chorley's Victory Park.

After enjoying seven years in the Premier Division, the 2001-02 season proved a disaster with the club finishing bottom of the pile, and despite a last minute reprieve via the play-offs failing to materialise, the club experienced relegation for the first time in its

history. Restructuring of the National League System at the start of the 2004-05 season saw the club regain Premier Division status after two years in the lower section.

Time spent back in the higher grade though lasted only twelve months and the club once again experienced the bitter pill of relegation at the end of the 2004-05 season, after finishing second from the bottom of the table. The season however, was not a complete disaster and despite the loss of Premier Division status, the Northern Premier League, League President's Cup was lifted with a 3-2 aggregate win over Witton Albion.

Further restructuring of the National League System in season 2007-08 saw the club placed in the First Division North of the Northern Premier League. 'Brig' reached the play-offs in the first season of the new regionalised set-up; losing out by 2-3 to United of Manchester in the Semi-Final at Gigg Lane, Bury. 'Brig' once again reached the Lancashire FA Challenge Trophy Final for the fourth time in 2010-11 but lost out by 0-1 against AFC Fylde in the Final at Bolton Wanderers Reebok Stadium.

Due to financial restrictions the season 2012-13 was one of consolidation in the 1st North and by Easter saw a change in manager, with Tony Greenwood leaving the club and Neil Crowe who was Tony's assistant stepping up to the managers job, also appointed was Neil Reynolds who had re-joined the club at the start of 2009-2010 season and joined the coaching staff the following season, stepped up further to assistant manager to Neil Crowe.

The season proved to be a very hard one both on and off the field, but a 13th place reflected on all the hard work that the management and players had put in.

Season 2012-13 started off very slowly with win consistency very hard to come by, the after the Christmas period, things began to improve with new signings, and two great runs especially the last one which saw us lose only 3 games out of the last 17, to finish the season just outside the play offs in 9th place.

After suffering the defeat at the hands of Ramsbottom United in extra time of the play final, in what turned out to be the last game to be played at The Irongate Stadium, as local legend Sir Tom Finney passed away in February, we kindly obtained permission to rename the ground The Sir Tom Finney Stadium, it is a name that is world famous in football and we all feel very proud and humble that Sir Toms family agreed, we also made his son Brian a honorary president of the club.

After the worst possible start to season 2014/2015, when we conceded 7 goals on the 1st match of the season, the only way from there was UP. With one or two changes in the playing staff, things got much better with new signings and we then became a force at both home and away.

In the middle of October we made what was thought to be one of the best players to wear a B.B.F.C. Shirt in the vastly experienced ex Preston North End and Nottingham Forrest midfielder Paul McKenna, after a couple of games Paul settled in and results improved all the time.

So much so that apart from a blip in form around Christmas we finished in third place, and after beating Northwich Victoria in the semi final of the play offs we lost the final for the second season in a row this time to Darlington 1883.

Season 2015/16 was a indifferent season as regards the league, but a F.A.Cup campaign that saw the Brig reach the 4th Qualifying round enabled some well needed revenue enter the Brig coffers. After one of the worst December's on record for rain, Brig did well to finish the season at The Sir Tom Finney Stadium due to a collapsed drain and that hard earned revenue in the F.A.Cup was soon spent on repairing the pitch.

There was some consolation when the Brig won the prestigious Fair Play Award for the three divisions, which came with a cheque for £1000,

Yorkshire born Lawrance joined the ranks of Bamber Bridge in the summer of 2016, where he impressed in pre season, he was on the books of Harrogate Railway for two seasons until joining THE BRIG at the start of the season 2016.

MATT LAWLOR [Defender]

Matt started his football education at Blackpool, where he was sent out on loan to Leigh and Farsley before being released.

Joined A.F.C.Fylde in 2006 and made over 110 appearances, before signing for Bamber Bridge in November 2011.

ADAM DODD [Midfield/Defender]

Adam was a regular for previous club Chorley until injury limited his 1st team place after a season in and out of the 1st team Adam signed for Brig during season 2015/16, where he made the left back spot his own, later on in the season he moved to midfield where he looks very much at home.

STUART VASEY [Striker]

Stuart signed from local football, after impressing in pre-season, scoring 4 goals in as many games, he has soon settle in at non-league level, and we are hoping that he will continue with his early promise.

GLENN STEEL [Defender]

Glenn is a very experienced central defender, who has played in the most successful non league clubs in the area, most recently A.F.C.Fylde and then Lancaster City.

Glenn decided to return for his 2nd spell at Bamber Bridge, and we are sure his experience can only help the younger players to develop.

CURTIS THOMPSON [Midfield]

Having left Bamber Bridge for Skelmersdale United Curtis returned to Bamber Bridge early 2014-15 season, the ex Blackpool player was voted Bamber Bridge Young Player of the Season playing 43 games and scoring 8 goals.

JAMIE MILLIGAN [Midfield]

Vastly experienced midfielder player, who played League football with Everton and Blackpool, before playing for Hyde United. He joined Fleetwood Town in 2005 and made over 200 appearances for them, he then had spells Stockport County, Southport and Harrogate Town, before joining Brig in pre-season of 2015.

REGAN LINNEY [Striker]

Teenage striker signed from A.F.C.Fylde who scored consistently for their Academy side signed for Brig in July 2015, came off the bench in extra time to score the winner in the NPL Division North play off semi-final, at the expense of Northwich Victoria in 2014-2015.

GEORGE BOWYER [Defender]

George started his football education at Rochdale where he went on to become captain of the youth and reserve teams, he is now on his 3rd spell with Brig having had spells with Ramsbottom, Curzon Ashton and Droylsden,

CHRIS CHURCHMAN [Midfield]

Chris joined Brig at the start of the 2016/17 season after impressing in pre-season, very talented midfielder who has had spells at Macclesfield and Stockport County, he played in the Europa League at Connahs Quay at the start of the current campaign before joining Brig.

KIT GREGORY [Midfield]

Kit is a product of the Brig's academy link with Preston College and was promoted to the 1st team squad at the start of the 2016/17 season, very skilful, and highly rated at the Brig, one for the future.

ELLIOT POND [Striker]

Another product of the youth set up Elliot joined the 1st team squad at the start of the season 2016/17, shows good awareness in and around the box, Elliot is a relative of Fleetwood legend Nathan Pond.

Match PREVIEW

Tadcaster Albion welcome Bamber Bridge to the i2i stadium today looking to put last Saturday's disappointing defeat firmly in the past.

Taddy were 3-0 up away at Droylsden last week thanks to goals from Josh Greening (2) and Tom Corner before the pendulum swung in favour of the home team.

The Brewers ended up losing the match in the last minute 4-3 after goalkeeper Chandler Hallwood had to be replaced in the first half due to injury meaning outfield player Carl Stewart had to go in goal for over an hour.

Brig come into the match on the back of two very credible home victories against Kendal (2-1) and Glossop North End (2-0) respectively.

The Lancashire based outfit will be gunning for all three points as they are perched just three points off the play-off places in the Evo-Stik Division One North.

When the two sides met earlier in the season it finished goalless in an uneventful encounter at the Sir Tom Finney Stadium.

Team News: Andy Milne (knee) and Michael Ingham (foot) remain out but Chandler Hallwood should be fit after his facial injury sustained at Droylsden.

For full commentary on the match you can follow it all **@TadcasterAlbion** on Twitter.

Jay Taylor #ATAW

Attacker Adam Baker has tonight decided to leave Tadcaster Albion.

As a club we certainly wanted Adam to stay but the player was adamant he needed a move in search for more pitch time. We respect that decision.

Baker netted a brilliant 19 goal return in last season's title winning season including the goal that effectively sealed promotion against Armthorpe Welfare.

We would like to thank Adam for all of his efforts during his time at the club and wish him and his family well for the future.

NEWS TAFC CLUB

Centre-back Andy Milne has been out since Christmas following a nasty knee injury sustained in the cup tie at Yorkshire Amateur.

On the 6th February the defender received the results of a scan and is expected to be out for an additional 4 - 6 weeks.

However Milne is chomping at the bit to get back in action and is hoping to return before this time.

There were initial fears of it being a cruciate injury but the results show a tear in his medial ligament along with a damaged cartilage.

Milne made 27 appearances before starting a rare spell on the side-lines chipping in with two goals.

INTERNATIONAL AFFAIRS (Part 2 – The Solutions)

In the previous column I reported on FIFA's recent announcement that they intend to redesign the format of World Cup Finals tournaments with effect from that of 2026.

FIFA president Gianni Infantino has been behind the move, saying the World Cup has to be **"more inclusive"**. **"We are in the 21st century and we have to shape the World Cup of the 21st century,"** he said at a news conference after the announcement. **"It is the future. Football is more than just Europe and South America. Football is global. The football fever you have in a country that qualifies for the World Cup is the biggest promotional tool for football you can have. This football promotion, in many parts of the world where today they have no chance to play [at the World Cup], was at the top of our thoughts."**

I went on to explain that, while I am all for more inclusivity in football, I feel that there are other fatal flaws in the structure of the World Cup (and international football in general) that are crying out to be addressed.

Key issues I flagged were:

- a) Mini-group football is RUBBISH wherever it exists. Most group games have nothing riding on them and are played at a tedious pre-season/testimonial tempo.
- b) Top divisions in domestic leagues around the world (and the top two in England) suffer from constant interruption every few weeks, in order to accommodate qualifying fixtures and friendlies.
- c) Players are overloaded with unnecessary travelling and largely meaningless games and their consequential tiredness and injuries also harm their clubs.

d) International teams are similarly disadvantaged by having usually just 3 days to assemble a functioning team which contributes to the poor quality of most games.

So with the ultimate power to right all of these wrongs, what is FIFA's solution? Well, from 2026 the World Cup Finals tournament will be expanded to host 48 teams. An initial stage of 16 groups of three teams will precede a knockout stage for the remaining 32. The number of tournament matches will rise to 80, from 64, but the eventual winners will still play only seven games. Infantino says the decision on who will get the extra qualification slots has yet to be decided but **"this will be looked at speedily"**. According to FIFA research, revenue is predicted to increase to £5.29 billion for a 48-team tournament, giving a potential profit rise of £521 million!

Sadly, and all too predictably, the key point in that previous paragraph is to be found in the very last sentence. Of course FIFA and the various national FAs are profit-making businesses and, in the 21st century global economy, finance is undoubtedly a hugely significant factor. But surely the quality and integrity (and thus popularity) of competitions must remain paramount. The huge profits are a by-product of these.

FIFAs new format simply compounds the problems I listed above. With 2 teams qualifying from each mini-group at the Finals, simply avoiding defeat in the two group games will all but guarantee progress whereas one defeat will mean almost certain elimination. How many more goalless bore-draws are likely to ensue in the group stage? No clarity is given regarding how the extra 16 Finals berths will be allocated. However I suspect that rather than reducing the length of the qualifying process FIFA will simply grant an extra qualifying slot in some of the qualifying groups, thereby degrading the 2-year qualifying process yet further.

"So, Ian, what would you suggest to improve matters?" I hear you ask...

Well, my solution is quite simple...

Firstly, ABOLISH ALL QUALIFIERS!

Everybody gets to play in the finals – that's about as "inclusive" as it gets! Two years' worth of meaningless, tedious poor-quality games, tired and jet-lagged players, stop-start domestic leagues, hastily-assembled international squads, unnecessary travel, all eliminated at a stroke.

Secondly, EVERY GAME IN THE FINALS TO BE STRAIGHT KNOCK-OUT! Thus EVERY game is meaningful and valid. To win the tournament a side would need to play a maximum of 8 games as opposed to 7 at present. Due to the number of nations in the world not everyone would need to take part in the first round anyway. Just need 128 left in for round 2. In total there would be around twice as many games as there will be under FIFAs blueprint. But currently stadiums only tend to stage 3 or 4 games over the course of a month-long tournament. Modern hybrid pitches could easily cope with double that. And think of all that extra money FIFA!

With qualifiers abolished, domestic seasons could be compacted with longer close-seasons. Then in World Cup Summers, international sides could assemble 2 months in advance of the tournament to train (and, yes, play some warm-up games) if they wished and build a cohesive club-like set up. I'm sure teams would be more polished and the quality of football would be higher.

We would even have time for a tournament every second Summer – how great would that be?! I guess more tournaments could only increase the probability of England ever lifting the trophy again – statistically at least!

Moving on from a moment of fantasy there, now we face the reality of the vital game against Bamber Bridge this afternoon. There's nothing "meaningless" about this encounter. Three massive points are there to be fought for – **Come on you Brewers!!**

i2i International Soccer Academy v Newcastle University - Mens 2nd

Date: Wednesday 22nd February 2017 Time: 14:00

The i2i International Soccer Academy team is made up of aspiring Footballers from across America, Canada, Nigeria and Germany and are managed by Taddy's very own Jono Greening and Michael Ingham along with ex-Premier League's Bryan Hughes.

With just two University games to go, promotion is still a possibility in their debut season playing football in England.

i2i/York St John University sit five points behind league leaders Newcastle University with the two teams going head-to-head on the 22nd in a race for promotion.

Obviously if i2i did pick up the three points in that match they would need to win their final game and hope that Newcastle drop points.

On Wednesday afternoon i2i/YSJ brushed aside Sunderland University 4-1 to keep the pressure on the leaders.

Sunderland opened the scoring in the 35th mins before Californian Max Valdivia equalised from a

couple of yards right on half-time.

The home side took complete control in the second half and stamped down their authority. The second half was just seven minutes when i2i went in front for the first time. Valdivia turned provider this time curling in a teasing ball for Nick Massey to pounce upon and turn in from close range. Cue impressive back flip.

Four minutes later and it was 3-1. Sunderland failed to clear their lines and wide-man Gunner Gilland side-footed into the back of the net with his weaker left-foot.

It was a dominant and lethal start to the second half from i2i and they then netted their third goal in the space of ten minutes when striker Marcos Garcia headed into the top corner to seal the victory.

Tadcaster Albion/i2i U21's v Halifax Town U21's

Date: Monday 13th February 2017 Time: 19:30 i2i Stadium

U21's Too Powerful For Ponte As The Title Race Hots Up.

First half goals from Sean Hunter and Tom Hullock (2) put the Brewers in control before Jack Simpson, Fraser Hansen and Donald Chimalilo all came off the bench to seal the victory. Dan Davison should have broken the deadlock inside two minutes after a scuffed clearance fell to the attacker six yards out but could only strike straight at the goalkeeper. However Taddy were looking to stamp their authority on the contest from the off and did deservedly take the lead on nine minutes.

After a positive run from Harry Sheppeard, Tom Hullock's cross from the right-hand side flicked off a Colls header and past the goalkeeper at the near post. Full-back Harry Sheppeard forced the issue once again for the second goal driving into the Pontefract half before Sean Hunter made no mistake from five yards.

Dan Davison and Rob Hutton both went close to putting Taddy three goals to the good before Tom Hullock did just that netting his second of the match.

Sean Hunter was pickpocketed in front of goal but with the keeper in no man's land, in-form Tom Hullock tapped in at the back post.

The promising youngsters were cruising however they were pegged back right on half-time when Pontefract's number nine sprung the offside trap and squeezed underneath Nick Lock in the Taddy goal to set up an intriguing second half.

Intriguing then became interesting as eight minutes into the second half the visitors reduced the deficit to just one.

Number 10 burst in on goal and knocked it past goalkeeper Lock who had charged off his line and rolled it into the back of the net. Back came Taddy and Sean Hunter should have restored their comfortable lead when Matty Savage slid the striker in goal but the goalkeeper once again stood tall.

Two minutes later though and the Brewers were comfortably back in the driving seat as substitute Fraser Hansen arrowed a free-kick beyond the goalkeeper from 22 yards.

Eight minutes later and the three points were effectively wrapped up by another substitute. Jack Simpson used his explosive pace to burst past his man down the right-hand side and drive through the keeper's legs. And finally it was 6 up for Taddy in stoppage time with Donald Chimalilo heading in Savage's pinpoint cross.

Full-Time:

Tadcaster Albion U21's 6-2 Pontefract Collieries U21's

The victory means that Tad are now five points behind leaders Harrogate Town and one point behind second place Halifax Town, with a game in hand. And next Monday Taddy U21's take on second place Halifax Town at the i2i stadium, one not to be missed.

Taddy Team: Lock, Sheppeard, Woodhead @, Holmes, Dunnett, Rose, Wales, Hutton, Hullock, Hunter, Davison

Subs (All Used): Wintie, Simpson, Hansen, Savage, Anderson, Barber, Chimalilo
