1892

The club is believed to have been formed in **1892** as John Smith's FC. It wasn't until **1923** that the Tadcaster Albion AFC name was adopted. In the early years the club played in the local York League. In **1948** Albion won the York League. They continued competing in the York League during the **1950's & 60's**.

Tadcaster Albion, in the early days, played home games on the site of the cricket ground on Station Road, before moving to the Ings ground, near to where the present Samuel Smith Brewery Packaging Block now stands.

Changing facilities were in the town, at the rear of the Falcon Public House on Chapel Street, and it was a common Saturday afternoon sight to see nets, corner flags, buckets, oranges, players and officials trekking through the town.

Down the years the club has played in several leagues. In early times, Barkston Ash and later still the Yorkshire and Northern Counties East Leagues.

Football continued on the Ings ground until **1960**, when the club moved 100 yards up river to its present home at the Park.

In **1973** the club joined the Yorkshire League Division 3 and were promoted in **1975 & 1977** to reach Division 1, relegation was to follow in **1979 & 1980**.

In **1982/83** they became a founding member of the Northern Counties East League, originally in the NCEL Division Two North before league reorganisations led them to Division One in **1991**. They rarely finish in the top half of the league in the **1990's** and finished bottom in **2001/02 & 2003/04**.

At the start of **2004/05**, Jim Collis became manager and at this point fortunes on the pitch started to improve dramatically. In his first season, Albion finished 5th in the league, the following year a 3rd place finish meant promotion was missed by one point.

Jimmy Reid took over as manager in **2006**, but his time was blighted by off the field problems. An attempted hostile takeover by dissident committee members took a massive amount of money to fight. Then in Nov **2007**, an attempted arson attack on the clubhouse caused a lot of damage.

Paul Marshall took over at the start of **2008/09**, in his first season he played mostly local players and the team struggled and finished 17th.

In **2009/10**, with an influx of a few new key players, Albion won the NCEL Division One title.

In **2010**, Rob Northfield, took over as Chairman of Tadcaster Albion (2010) Ltd, and the club became a company limited by guarantee.

Albion finished fourth in their first season in the NCEL Premier Division and won the NCEL President's Cup, beating Farsley AFC 5-1 in the final. That was followed by an 8th place finish in **2011/12** and 6th in **2012/13**.

In the **2013/14** season Rob Northfield resigned a few days before the start of the season and i2i Sports Ltd agreed to take effective control of the club and company, with Matthew Gore becoming the new Chairman.

In **2014/2015** the Brewers lead the NCEL Premier for most of the season, but a poor run of games in March led to them finally finishing in third.

An excellent run in the FA Vase saw them make history by making it through to the Quarter Final of the FA Vase where they drew a record breaking crowd of 1,307, but were narrowly beaten by Highworth Town.

At the end of the season, the club opted not to renew their contract with manager Paul Marshall, and two weeks later former Harrogate Railway boss Billy Miller was unveiled as the club's new manager.

In **2015/2016** the Brewers lead the NCEL Premier for most of the season once again, but this time they held their nerve and finished Champions with a 2-1 home win over Armthorpe Welfare.

They also made it to the League Cup Final, but were beaten in a thrilling 3-2 game against Cleethorpes Town.

In **2016/2017** the Brewers will start their first ever season in the Evo-Stik First Division North. With a mix of old and new players Billy is back in his old stomping ground and his experience and knowledge of this division will come in handy to help TAD have a great first season.

Directors' NOTES

We would like to extend a warm welcome to all of the players, fans and officials of Kendal Town.

Tuesday night saw us stretch our unbeaten league run to five matches as we came away from Goole with a respectable point after drawing 0-0.

On a bobbly pitch away on a Tuesday night we would probably be happy with a point, but the fact that we had a goal disallowed for offside which looked suspicious, had one miraculously cleared off the line and also missed from six yards out with the goal gaping so it was somewhat frustrating.

Nevertheless, we are confident of maintaining our good form back home today in front of our fantastic supporters who turn up in their droves week in week out.

We would also like to take this opportunity to thank fans favourite Jimmy Beadle for all of his efforts across last season and the start of this one, leading the club to the NCEL title.

Jimmy was a fantastic captain and will go down in Tadcaster Albion history, he will be sorely missed on and off the pitch and we wish him all the best for the future.

We hope that you enjoy this afternoon's match and have a safe journey home afterwards.

The i2i Sports Directors
Matt Gore, James Gore & Kent Mayall

Manager's NOTES

Good afternoon everyone and welcome to the i2i for today's game v Kendal Town FC. We wish Dave Foster and his team all the very best for the season and hope they have a safe journey home after the game.

It's been a busy week for the club with midweek fixtures and of course the news Jimmy Beadle was calling it a day to focus on amongst other things his work.

Jimmy has been one of best ever signings in my time in football. He took on the captaincy at a time the club was going through a transitional phase, especially when a lot of old fans favourites were leaving the club. His leadership, humour and character were instrumental in our title winning campaign last season. His professionalism, his ability to lift the lads and his ability to listen ensured we fulfilled our potential.

All of that before we even begin to mention his goals; Brigg away, Pickering away to mention but a few.

We wish Jimmy all the very best in the future, despite being

linked with a return to Scarborough I am sure Jimmy intends to enjoy his break from the sport which has dominated his life over recent years.

Another player linked with Scarborough in the news this week is Josh Greening. Having spoken to Josh I am certain of where his loyalty lies, he is fully aware of our long term plan and understands his role within that. Josh has been a favourite at the club now for the last three years and I am sure his future at present is with Tadcaster.

The week has seen us beat Droylsden at home before gathering a point at Goole on Tuesday night. I have always said winning away from home on a Tuesday night is the most difficult of games to win at this level of football. Despite Goole's current league position and the fact we could have scored four in the second period we will take the point.

Unfortunately we picked up a couple of unwelcome knocks most noticeable Michael Ingham who at time of writing is a real doubt for today's game. Charlie Murphy is a very able replacement and we know he is capable of playing at this level of football.

Finally, thank you to everyone who made the trip to Goole, looking around the ground and seeing so many Tadcaster fans makes all the hard work and effort worthwhile. Well done each and every one of you...

Kendal Town FC

The club's origins come as a factory team from K Shoes (Kendal Shoes), local shoe manufacturers. K Shoes were taken over in the 1980's by Clark Shoes (now C&J Clark International). Employees at the firm's nearby riverside Netherfield factory were encouraged to form a football team. This was formed as Netherfield AFC at the end of the First World War (1919-20). The new members led club were provided with land near to the K Shoes Netherfield factory on Parkside Road where the club resides to this day. The club then began to compete in local leagues as Netherfield AFC.

In 1945 the club joined the semi-professional football ranks by joining the Lancashire Combination League. For the first time in its history Netherfield played against Football League opposition when nearly 10,000 people watched the two FA Cup ties against Barrow. Netherfield was soon established as a major club by taking the Lancashire Combination Championship in 1949 and again qualifying to meet a football league side Gateshead in the FA Cup.

K Shoes continued to encourage and support the club, placing their logo on the team shirts. This was amongst the first 'shirt sponsorship' in the country.

Cup success was quickly becoming a tradition and in 1950 over 15,000 people watched Netherfield take on Watford in the second round of the FA Cup. In 1955 Wrexham were visitors to Parkside Road in the FA Cup and had to settle for a 3-3 draw. By the time Grimsby Town visited in 1956 it had been the 5th time in 8 years that Netherfield had reached the first round stage of the FA Cup. Over 5,000 local people turned up to watch the Third Division leaders beat Netherfield 5-1, a then home record crowd, more than 500 more than the previous year's tie against Wrexham. In 1956 Netherfield won the Combination Cup, a trophy they won again five years later in 1961.

In 1956 the new stands and clubhouse were completed supported by local businesses who donated time and materials. The clubhouse was run by a volunteer committee as a sports and social centre for the factory and raising funds for the football club. These original updated buildings are still in place today.

Parkside Road saw FA Cup action as Football League side Chesterfield were held to a draw in 1963. Tom Brownlee managed to score an incredible 76 goals in the 1963/4 season as Netherfield finished runners up to Chorley. The 1964/65 season was probably Netherfield's most successful as they won the Lancashire Combination First Division Championship Division, with the reserve team winning the Second Division of the Combination as well. There was also an appearance in the First

Round of the FA Cup at home to Barnsley.

In 1968 the Club accepted the challenge of becoming a founder member of the Northern Premier League. The 1970s were not kind to Netherfield as they languished around the bottom of the Northern Premier League for most of the decade.

In 1980 Netherfield and Bridlington Trinity set a record for cup tie replays when they played each other seven times in the first round of the FA Trophy. After a total of thirteen and a half hours of play Netherfield won 2-0 to go through to the second round. However the cost to both clubs was dear, totalling £1,800. It depleted the finances of Netherfield causing the club to move down into the North West Counties League Division 1 in 1982.

As modern legislation arrived, in 1986 members withdrew from running the sports and social club. The clubhouse was converted by a local businessman, run separately and it became a nightclub called The Park. The building was further converted in the 1990's so it could also act as a function suite.

In 1987 the Northern Premier League expanded into a new division, League Division 1 which provided a route back for the Club to play at a higher level.

In 1998 the club to gain more national recognition changed its name to become Netherfield Kendal. In 2000 the club again changed to its current name of Kendal Town FC. In the same year the nearby Netherfield factory was closed and reopened as a shopping outlet called the K Shoes Village. This site at the bottom of Parkside Road has now been cleared and replaced by a modern shopping and housing complex.

New state of the art floodlights began a process of gradual ground redevelopment. In 2004 2,500 fans turned up to watch the lights switched on for a visiting Manchester United XI squad. Manager Tony Hesketh returned to the club for a second spell as Manager in 2004/5 steering the club to fifth place in the league. In the ensuing play-off final the club travelled to AFC Telford as underdogs. Although Kendal could not overhaul the favourites they won much respect from the 4,250 Telford fans watching as they narrowly lost 2-1.

2005/6 saw the Kendal's most successful season for 40 years as they achieved promotion for the first time in their history to the Unibond Premier League. The run-in to the end of the season was nail-biting. Kendal missed out on automatic promotion on the last day of the season by a single goal difference. In the play-off final at Parkside Road (former Manager) Peter Smith popped up to score the

winner in the last minute against Gresley Rovers to seal a famous promotion.

After a fine start to the 2006/7 season in the Unibond Premier League, reality kicked in for Kendal Town. After a series of poor results, both in the league and in cup competitions, manager Tony Hesketh resigned and was replaced by club captain Lee Ashcroft. The club hovered around the relegation zone for some time but managed to avoid relegation. The highpoint of the season was when Preston and England legend Sir Tom Finney OBE was persuaded to be club President: Sir Tom recounted he had as a teenager had been turned down by Netherfield as a player by the club.

The 2007/8 season saw the club finish in mid table. The following two seasons were Town's best in the Unibond Premier League where they secured two play-off places in a row losing in the semi-finals each time.

Longstanding Chairman David Willan was replaced by Haydon Munslow in 2010.

Manager Lee Ashcroft left to join Northwich Victoria half way through the 2012/13 season taking many of the playing team with him. Steve Edmondson took over as Manager but despite winning many of the remaining games with a new hastily formed squad was unable to prevent the club being relegated.

In 2013 the club house which still runs in private ownership was taken back by the club and renamed by supporters as Finney's (after Sir Tom). In the same year Kendal Town Ladies was formed and a local Youth Development Centre established.

The 2013/14 season was one of consolidation in the Evo Stick First Division North. Former club striker David Foster replaced Steve Edmondson as Manager. The season opened with hopes of a play-off place, but after a series of indifferent results David Foster departed and his assistant Michael Stringfellow stepped up as replacement. He was able to produce a number of exciting home wins against highly rated clubs but couldn't find a consistent run of results.

The 2014/15 started well for Michael Stringfellow with good results. A troubled period then followed with an outside Lancashire based business consortium trying hard to take over the club. Internal friction amongst the club's members was mirrored by increasingly poor results on the pitch. Chairman Haydon Munslow resigned and was replaced by George Gudgeon. Michael Stringfellow resigned and was replaced by a new coaching team led by Gary Fawcett and returning David Foster. The consortium withdrew. Results started to again improve, leading to a mid-table finish.

Match PREVIEW

On Saturday Tadcaster Albion welcome Kendal Town to the i2i stadium as they look to remain in the play-off places in the Evo-Stik Division One North. Taddy go into the match on the back of a 0-0 draw at Goole on Tuesday night.

A point away from home in midweek would normally be a good result, but I'm sure The Brewers will be somewhat disappointed that they didn't come away with all three after hitting the woodwork twice and squandering several clear cut chances in the second half.

With that being said, it is still a respectable point and it extended the unbeaten league run to five games. Kendal are also coming into the contest on the back of a draw, but will surely feel somewhat disappointed after throwing the lead away twice away at Droylsden.

Kendal currently sit in 10th place in the Evo-Stik Division One North with five wins, three draws and five losses after 13 games played. Kendal's record on the road has been inconsistent; winning 2, drawing two and losing two.

Oliver Wood has four goals in his last four outings for Town and will be looking to keep up his goal scoring tally on Saturday. At the other end, Tom Corner is the hit man for Taddy netting seven goals for the season so far.

A win for The Brewers today could potentially see them rise to second place if other teams fail to pick up points.

Team News: Number one Michael Ingham is a doubt after injuring his foot in the midweek draw at Goole. Defender Gregg Anderson is also a doubt after missing Tuesday night with a leg injury.

Jimmy BEADLE

Club Captain and fans favourite Jimmy Beadle has left the club due to personal reasons.

Jimmy, who is a self-employed miner and starts work in the early hours of the morning recently suffered a back injury. Coupled with the significant travel time from Scarborough, he has decided to take a break from football for the time being. Beadle was hugely instrumental in our famous promotion of last season scoring a terrific 22 goals along the way.

Tadcaster Albion Manager Billy Miller has backed Jimmy's decision. *"I fully understand and support Jimmy's decision. He was one of my best ever signings, massively influential in our triumph last year."* *"His commitment and attitude have been second to none and we all wish him well for the future."*

Chairman Matt Gore said *"This has really come out of the blue and quite a shock but we fully understand his situation."*

"I had a long chat with Jimmy during the week and he is a true gent."

"He has been unbelievable for the club and a brilliant captain. His goals will live long in the memory and he will go down in the club's history."

"Who knows what the future will hold and one day we may see him return."

"No doubt there will be huge interest for him to sign for clubs more local should he decide that is right."

Meanwhile Jimmy himself has issued the following statement.

"Thanks to everyone involved with Tadcaster. It has been an unbelievable 15 months with the club and I'm so grateful for the opportunity and honoured to be captain."

"There's an amazing spirit within the club and I'm sure it's just going to go from strength to strength."

"It's with great regret that I'm leaving as I'm just struggling to make the commitment the club deserves."

"I wish the club all the best for the future and hope they continue to climb the leagues."

"Thanks to Matt and Jimmy for everything they have done for me. They are two of the best blokes I have ever met and deserve all the success in the world."

"Thanks to Billy too for making me skipper."

From everyone at Tadcaster Albion we wish the one and only Jimmy Beadle the very best for the future.

As he said week in week out on the pitch, 'We're All Tad Aren't We'

A second half double from Tom Corner saw The Brewers climb up to third place in the Evo-Stik Division One North.

Tadcaster made two changes to the side that lost at Glossop in the FA Trophy with Liam Shepherd coming in at left-back and Gregg Anderson returning to captain the side.

It was Droylsden who started the contest a little spritelier with Liam Caddick hitting the target inside four minutes.

Taddy's first meaningful attack came two minutes later when Rob Youhill got the better of Adam Farrell before digging a cross out to Josh Greening who's header deflected into the grateful arms of James Coates.

It was tit for tat in the opening stages at the i2i stadium as Taddy looked to break their two-game duck. Gregg Anderson came close to doing just that after quarter of an hour but the defender saw his shot blocked on the line by Sean Clancy.

Anderson was involved again from another corner moments later as his powerful header towards goal was flicked over the bar by Tom Corner.

Droylsden were seeing the vast majority of the ball in the first half without creating any serious chances on goal. Billy Hasler-Cregg was looking dangerous cutting in from the right-hand side and he almost gave the Bloods the lead by doing just that, bending narrowly wide of Ingham's goal.

The away side ramped up the pressure as the half went on, Clancy's lofted in free-kick evaded everyone and once again bounced just wide of the left-hand upright. If a goal was to come, it was looking likely that it would come from a set-piece as Anderson saw his effort cleared off the line once again.

Taddy were struggling to get into any sort of rhythm, in contrast to Droylsden who were growing in confidence by the minute on an Autumnal Saturday in Yorkshire. The Brewers would have been trailing inside half an hour if it wasn't for Josh Barrett and goalkeeper Michael Ingham.

First of all Barrett flew across to superbly block Liam Caddick's clear shot at goal and then moments later Ingham showed his class keeping the same man out with a terrific left-hand.

Taddy did create one very good chance in the half and that came two minutes from time. Rob Youhill's teasingly driven cross was weighted perfectly to Conor Sellars who swept first time towards the far corner but James Coates got down well to his right to push out of Corner's path.

The home side were forced into making a change right on the stroke of half-time as Gregg Anderson limped off with a leg injury which saw Fatlum Ibrahim enter the fray, Josh Barrett move to centre-back and Jason Mycoe move to right-back.

Brewers boss Billy Miller opted to change the shape at half-time to match up their opponents and it almost paid dividend immediately.

Josh Greening set Tom Corner away in behind the Bloods' defence but a fantastic recovering tackle from captain Domaine Rouse shut the door.

Droylsden continued to knock at the door at the start of the second half as Ingham had to be on his toes to beat away Jack Rudge's strike.

It was however a somewhat uneventful start to the half with both sides working hard on and off the ball to gain an advantage but creating very little in front of goal.

The introduction of Adam Baker seemed to have a positive impact on the Brewers as they started to go through the motions and put their opponents under some scrutiny. Taddy did break the deadlock and their recent duck in the 69th minute through top scorer Tom Corner.

Dominic Rouse was touch tight to Tom Corner inside the six yard box but when Conor Sellars' corner kick came in, the defender

had no chance and the target man flicked past Coates and into the back of the net.

Despite going behind, Droylsden continued to plug away at the Brewers' stingy defence and they wanted a penalty kick with thirteen minutes to go, unlucky for some though as the attacker was booked for diving.

Adam Farrell looked to drive around Josh Barrett but after minimal contact and a theatrical fall the striker was cautioned for simulation. A big decision made by referee Jan Suchecki.

The Brewers then inflicted further frustration on the visitors as Tom Corner rounded off a sublime move to make it two for Tad and two for himself.

Conor Sellars slid it in behind to substitute Adam Baker who could have fired at goal directly but unselfishly chose to simply square it across to Tom Corner who again couldn't miss from five yards netting his seventh of the season.

However it wasn't to be a straight forward last ten as Droylsden pulled a goal back with six minutes to play.

Substitute Lingouba Amour Cesaire wriggled his way past Any Milne down the right-hand side before pulling back to Adam Farrell who fired past Ingham.

But it was all too little too late for the visitors as Tadcaster Albion held on to all three points keeping up their unbeaten home league record.

Taddy extended their unbeaten league run to five games on Tuesday night after a goalless draw at Goole.

However, two points dropped may be the overriding feeling after several guilt edge chances spurned in the second half.

Miller made two changes to the side that shrugged off Droylsden on Saturday. Fatlum Ibrahim and Adam Baker were handed starts in place of Conor Sellars and Gregg Anderson, who was ruled out after injuring his leg last week.

This meant a slight reshuffle once again with Josh Barrett sliding across to centre-back and Jason Mycoe moving to right-back. On a brisk evening at the Victoria Pleasure Ground, Goole skipper Derry Robson tried to break the deadlock in supreme fashion but lashed narrowly off target.

Taddy went one better in the 10th minute when Adam Baker's low drive hit the target via a slight deflection.

Ombeni Ruhanduka threatened to hurt the visitors with his pace but when able to stretch his legs, Andy Milne stormed across and put in a perfectly timed challenge to bring the attack to a sudden halt.

The home side were forced into a change after 23 minutes as Nathan Modest picked up a head injury which saw the introduction of former Garforth Town forward Curtly Martin-Wyatt.

Chances were few and far between in the first half but Josh Greening could have

potentially done better scooping over a Corner flick down from close range.

The Vikings had a good half chance of their own four minutes from the break and it fell to Ruhanduka once again. Conner Harman sprung the offside trap and floated a deep cross to Ruhanduka who failed to hit the target from four yards out.

Into the second half and Taddy almost nudged in front in spectacular fashion. A clearing header found its way to Josh Greening who chested, flicked over Louis Kirk and volleyed all in one swift movement, only to see his luscious effort kiss off the top of the crossbar. Almost a 'Dele Alli' like goal.

The small figure of Ruhanduka was certainly looking the most likely scorer for Goole. The winger was getting into dangerous positions but just lacked a cool head in front of goal, this time acrobatically firing over the mark.

The officials weren't the most popular figures at the VPG on Tuesday evening, and were even more disliked by the travelling fans shortly after the hour mark when the Brewers had a goal disallowed.

Adam Baker's fierce shot was well saved by Barford but Josh Greening was quickest on the scene to follow up and slide into the bottom corner, only to be greeted by an offside flag.

On second viewing, it looks as though the Tad forward comes from an onside position when Baker lets fly.

Taddy were operating through the gears as the second half went on and with 22 minutes remaining Tom Corner was denied by a terrific close range block.

It felt like only a matter of time until Tadcaster broke the deadlock at this point and were unbelievably denied again with

thirteen minutes to go.

Josh Greening was threaded in on goal down the right-hand side before squaring across to Adam Baker who looked certain to score from five yards with the goalkeeper out of the equation and with the goal gaping.

But as Baker struck goalwards, defender Jordan Cooke got the slightest of touches which diverted the shot onto the post which allowed Goole to hack clear.

With the home side on the ropes and clinging on for a point, The Brewers had one final moment of exasperation to despair to.

Josh Greening's in-swirling corner was padded down by goalkeeper Barford which dropped to Josh Barrett whose ferocious strike towards goal looked certain to win Taddy the three points, but how the match was going it of course smashed into Tom Corner and hooked to safety.

After a positive second half, Taddy will be disappointed to only leave Goole with just the one point but it's another clean sheet and it extends the unbeaten league run to five.

Tadcaster Albion

Here we look back at previous games played by the Brewers on this day in;

On This Day

By Ian Tyssen

1983 - Tadcaster Albion slumped to a 0-3 defeat against neighbours Selby Town in the Northern Counties East Football League (NCEL) Division Two North and had picked up just two points from their opening six league games. The Brewers were bottom of the league but would finish one place higher - above Brook Sports on goal difference - by the end of the season. The Robins finished the campaign in fourth place.

1988 - The Brewers went into their NCEL Division Two home game against Ossett Town on the back of a five game unbeaten run and were in fifth place in the league. Unfortunately, the West Yorkshire club went home with a 2-0 win and jumped above their hosts. The clubs continued to move in opposite directions, with Town ending the season as champions and Albion finishing tenth in the 14 team Division Two.

1994 - Albion travelled to Brodsworth Welfare for an NCEL Division One fixture and registered a 1-1 draw - their third away game without victory. Brodsworth weren't bottom of the league - their final position - at that

stage of the season but they had played several games more than other teams. The Brewers would finish 12th out of the 16 clubs.

2005 - In a clash between the teams who would finish first and third in the NCEL Division One, Tadcaster Albion lost 0-3 against Carlton Town. An above average crowd of 73 saw the eventual champions claim three points thanks to a brace of first half goals from Phil Bignall and one in the second half from Steve Chaplin.

2011 - After losing their opening two NCEL Premier Division games, the Brewers extended their unbeaten run in the league to nine games with a 1-0 win over Lincoln Moorlands Railway. Watched by 70 fans at Tadcaster, the home side's goal was scored by Danny Gray on 39 minutes. The result lifted Paul Marshall's team to fourth in the league but they would slip down to eighth by the end of the season. The visitors from Lincoln ended the campaign in 19th place.
