# 1892

The club is believed to have been formed in **1892** as John Smith's FC. It wasn't until **1923** that the Tadcaster Albion AFC name was adopted. In the early years the club played in the local York League. In **1948** Albion won the York League. They continued competing in the York League during the **1950's & 60's**.

Tadcaster Albion, in the early days, played home games on the site of the cricket ground on Station Road, before moving to the Ings ground, near to where the present Samuel Smith Brewery Packaging Block now stands.

Changing facilities were in the town, at the rear of the Falcon Public House on Chapel Street, and it was a common Saturday afternoon sight to see nets, corner flags, buckets, oranges, players and officials trekking through the town.

Down the years the club has played in several leagues. In early times, Barkston Ash and later still the Yorkshire and Northern Counties East Leagues.

Football continued on the Ings ground until **1960**, when the club moved 100 yards up river to its present home at the Park.

In **1973** the club joined the Yorkshire League Division 3 and were promoted in **1975 & 1977** to reach Division 1, relegation was to follow in **1979 & 1980**.

In **1982/83** they became a founding member of the Northern Counties East League, originally in the NCEL Division Two North before league reorganisations led them to Division One in **1991**. They rarely finish in the top half of the league in the **1990's** and finished bottom in **2001/02 & 2003/04**.

At the start of **2004/05**, Jim Collis became manager and at this point fortunes on the pitch started to improve dramatically. In his first season, Albion finished 5th in the league, the following year a 3rd place finish meant promotion was missed by one point.

Jimmy Reid took over as manager in **2006**, but his time was blighted by off the field problems. An attempted hostile takeover by dissident committee members took a massive amount of money to fight. Then in Nov **2007**, an attempted arson attack on the clubhouse caused a lot of damage.

Paul Marshall took over at the start of **2008/09**, in his first season he played mostly local players and the team struggled and finished 17th.

In **2009/10**, with an influx of a few new key players, Albion won the NCEL Division One title.

In **2010**, Rob Northfield, took over as Chairman of Tadcaster Albion (2010) Ltd, and the club became a company limited by guarantee.

Albion finished fourth in their first season in the NCEL Premier Division and won the NCEL President's Cup, beating Farsley AFC 5-1 in the final. That was followed by an 8th place finish in **2011/12** and 6th in **2012/13**.

In the **2013/14** season Rob Northfield resigned a few days before the start of the season and i2i Sports Ltd agreed to take effective control of the club and company, with Matthew Gore becoming the new Chairman.

In **2014/2015** the Brewers lead the NCEL Premier for most of the season, but a poor run of games in March led to them finally finishing in third.

An excellent run in the FA Vase saw them make history by making it through to the Quarter Final of the FA Vase where they drew a record breaking crowd of 1,307, but were narrowly beaten by Highworth Town.

At the end of the season, the club opted not to renew their contract with manager Paul Marshall, and two weeks later former Harrogate Railway boss Billy Miller was unveiled as the club's new manager.

In **2015/2016** the Brewers lead the NCEL Premier for most of the season once again, but this time they held their nerve and finished Champions with a 2-1 home win over Armthorpe Welfare.

They also made it to the League Cup Final, but were beaten in a thrilling 3-2 game against Cleethorpes Town.

In **2016/2017** the Brewers will start their first ever season in the Evo-Stik First Division North. With a mix of old and new players Billy is back in his old stomping ground and his experience and knowledge of this division will come in handy to help TAD have a great first season.

## Directors' NOTES

We would like to extend a very warm welcome to all of the fans and players for tonight's special Charity match.

We would especially like to thank all of the former Pro's for taking part tonight and we hope they enjoy getting their boots back on and getting back out onto the field.

I'm pretty sure there will be no complaints regarding the pitch however. Our Groundsman Dave Wakefield has done a tremendous job and it was one of the main talking points when Leeds United visited on Tuesday night.

All of tonight's proceeds will go towards the Tadcaster Albion Flood Relief Fund which will be supporting the cost of the new stand. We are sure you will agree that the progress made since the devastating floods has been quite amazing. A huge thank you for all your incredible help and support.

We would like to thank all of the fans that turned up in their magnificent numbers on Tuesday night for the match against

Leeds United. We expected a big crowd but I'm not sure we ever anticipated we would pull in over 1,312.

It was another ground breaking night for the club after pulling in a record attendance at the i2i stadium. It was a brilliant night and we would like to thank Leeds United for their co-operation, professionalism and class shown throughout the evening.

A huge thank you must also go out to PRO-AM Kits who have sponsored tonight's game and provided the kit for the PREM XI. They have also generously donated the kit worn by the PREM XI for auction to raise funds for the Tadcaster Albion Flood Relief Fund. The shirts will be signed by the players and auctioned at a later date.

We hope that you enjoy tonight's match.

The i2i Sports Directors  
**Matt Gore, James Gore & Kent Mayall**

## Manager's NOTES

Good evening and welcome to tonight's game, a huge thank you to Jono, Rich and Bryan for putting together what I am sure will be a great side. We hope that everyone associated with tonight's game enjoys their time with us and wish them all a safe journey home.

After Tuesday's outstanding turnout it would be great to get somewhere near half of that tonight. The appeal of the club is growing on a weekly basis and with the new stand open and close to completion there is a real buzz about the place.

Everyone is working hard to ensure we enter our new

campaign firing on all six cylinders. The challenge of Step 4 football is fast approaching now and we for one are really looking forward to it, as I know you are too.

We have a number of fixtures over the next week that will allow us to give plenty of pitch time to all the players, let's hope they make the most of their opportunities. This time of year always sees someone come from nowhere to earn a place in the team. The squad is looking strong and we are very pleased with its current progress. There are a couple of areas to strengthen but they will fall in to place in the coming weeks.

I have said time and time again thank you for support and will continue to do so, once the roof is on the new stand I am sure you will make plenty of noise behind the goal. It's an old cliché but you really are our 12th man.

Yours in Sport, **The Management** #tadallover

Match PREVIEW

**T AFC get more valuable pitch time against an extremely talented and young Leeds United side on a night which saw T AFC break their attendance record.**

It was another fantastic night for the club all round with the i2i stadium completely packed out with the always impressive Leeds fans flooding in their droves.

It is still absolutely remarkable to see the turnaround the club has made following the devastating floods which occurred over the winter period sustaining over £200,000's worth of damage.

The sun was beaming down on the hottest day of the year, the pitch was quite simply faultless after Dave Wakefield's none stop work, the clubhouse was packed, the queue for the bar was out the door – it was fantastic to see.

We were unsure as to what kind of Leeds team would make the short journey to Tadcaster however with the first-team just returning from a pre-season tour in Ireland as well as training on the day, it was primarily an U18's side that featured. The majority of the U21's side were also with the first-team but it was still a great test for The Brewers.

**Tadcaster First-Half Team:** Murphy, Trialist, Milne, Morgan, Jeff, Trialist, Jono Greening, Mycoe, Baker, Josh Greening, Beadle.

As expected, the team in the famous white started the contest confidently and assertively passing the ball around crisply. The visitors came within inches of taking the lead inside ten minutes but Tom Pearce saw his cutely clipped free-kick from the edge of the area kiss off the underside of the bar and into the grateful hands of young stopper Charlie Murphy.

Bailey Peacock-Farrell is one of Leeds' up and coming stars and is highly regarded by all at the club. Taddy did have several opportunities to test the young goalkeeper from set-pieces in the opening stages and did just that but Peacock-Farrell was looking like an experienced and confident head on young shoulders.

He did however fail to punch one corner clear but Jono Greening's close-range blast was superbly blocked by forward Jack McKay.

As assured as Peacock-Farrell was with claiming cross after cross, set-pieces were looking like Taddy's best chance to find the net with Jimmy Beadle heading over the mark on a couple of occasions.

With 18 minutes on the clock it looked like the home side were going to have a clear one v one chance to beat Peacock-Farrell. A trialist surged in behind the whites' backline but a brilliant last ditch touch from Callum Nicell saw what looked to be a great chance, vanish.

Leeds were looking potent in patches on what was the hottest day of the year. Following on from some good battling in midfield by A Trialist and a perfect through ball by A Trialist, McKay struck low but Murphy got down well with a strong left hand.

Right on the stroke of half-time LUFC took the lead and in some style. You wouldn't have guessed it but it was the omnipresent A Trialist who broke the deadlock.

The number 4 received the ball 25 yards from goal and despite some late pressure from Adam Baker, he rifled a thunderbolt into the top corner leaving Murphy left to simply admire the rasping strike.

**Tadcaster Second-Half Team:** Trialist, Trialist, Anderson, Barrett, Woodhead, Clayton, Trialist, Shepherd, Youhill, Corner, Sellars.

The second half began in the same vein with Leeds trying their luck from distance, this time it was Number 8 Trialist who tested the now Trialist Taddy goalkeeper.

Jack McKay was looking lively up top for LUFC, his movement was impressive but it was just beating the goalkeeper which was proving a problem for the striker. He squandered another good chance when Jack Shackleton drove forward and timed his threaded ball to perfection but McKay could only hit the keeper's legs.

The Trialist stopper for T AFC was to be very busy in his 45 minutes in the spotlight as Tom Pearce made him get down to save well once more.

The Brewers were putting together some nice passages of play but just couldn't quite produce in the final third. Although Rob Youhill did give full-back Tom Pearce something to think about when driving at the Leeds man. Youhill got his cross past Pearce but it couldn't find the loitering Tom Corner.

With just under 20 minutes to go, LUFC squandered a glorious chance to double their lead. Some Nice intricate play by Henry Rollinson and Lewis Knight lead to Clarke Oduor in behind The Brewers' backline but blazed narrowly over the crossbar.

Taddy were still defending well in numbers and looking to carve open Leeds on the counter and Dan Clayton almost did just that in the 76th minute. A strong positive run down the left and cross down the corridor from Clayton almost fell perfectly for the on-running Tom Corner but a fantastic recovery from Bobby Kamwa halted the attack.

T AFC's Trialist goalkeeper was tested several times in the second half but was determined to keep a clean sheet, and he did so up until the 80th minute.

Leeds United made it two with ten minutes to go as at full stretch Sammy Ammisah impressively guided into the far corner to seal the win.

**We would like to thank Leeds for the match and we hope to see you all again next year – Good luck for the upcoming season!**

# TAFC U21's, U19's & Junior Teams

Our U21s play in the West Riding County FA Floodlit League (Central). During the 2014/15 season, they also made it to the Semi Final of the West Riding Floodlit League Cup. The players, who are aged 16 and over, train between 1 and 10 hours a week and also compete in regular development friendlies. Many of these friendlies are against youth teams from local professional clubs such as Leeds United and York City – giving each of our players a unique insight into the UK's football system.

Our U21 coaches Mike Morton and Simon Collins not only have their FA Level 3 (UEFA B) qualification, but they also have experience of coaching with professional clubs such as Manchester City and Leeds United. For more information on our U21 set up, please email [info@tadalbion.com](mailto:info@tadalbion.com).
