1892

The club is believed to have been formed in **1892** as John Smith's FC. It wasn't until **1923** that the Tadcaster Albion AFC name was adopted. In the early years the club played in the local York League. In **1948** Albion won the York League. They continued competing in the York League during the **1950's & 60's**.

Tadcaster Albion, in the early days, played home games on the site of the cricket ground on Station Road, before moving to the Ings ground, near to where the present Samuel Smith Brewery Packaging Block now stands.

Changing facilities were in the town, at the rear of the Falcon Public House on Chapel Street, and it was a common Saturday afternoon sight to see nets, corner flags, buckets, oranges, players and officials trekking through the town.

Down the years the club has played in several leagues. In early times, Barkston Ash and later still the Yorkshire and Northern Counties East Leagues.

Football continued on the Ings ground until **1960**, when the club moved 100 yards up river to its present home at the Park.

In **1973** the club joined the Yorkshire League Division 3 and were promoted in **1975 & 1977** to reach Division 1, relegation was to follow in **1979 & 1980**.

In **1982/83** they became a founding member of the Northern Counties East League, originally in the NCEL Division Two North before league reorganisations led them to Division One in **1991**. They rarely finish in the top half of the league in the **1990's** and finished bottom in **2001/02 & 2003/04**.

At the start of **2004/05**, Jim Collis became manager and at this point fortunes on the pitch started to improve dramatically. In his first season, Albion finished 5th in the league, the following year a 3rd place finish meant promotion was missed by one point.

Jimmy Reid took over as manager in **2006**, but his time was blighted by off the field problems. An attempted hostile takeover by dissident committee members took a massive amount of money to fight. Then in Nov **2007**, an attempted arson attack on the clubhouse caused a lot of damage.

Paul Marshall took over at the start of **2008/09**, in his first season he played mostly local players and the team struggled and finished 17th.

In **2009/10**, with an influx of a few new key players, Albion won the NCEL Division One title.

In **2010**, Rob Northfield, took over as Chairman of Tadcaster Albion (2010) Ltd, and the club became a company limited by guarantee.

Albion finished fourth in their first season in the NCEL Premier Division and won the NCEL President's Cup, beating Farsley AFC 5-1 in the final. That was followed by an 8th place finish in **2011/12** and 6th in **2012/13**.

In the **2013/14** season Rob Northfield resigned a few days before the start of the season and i2i Sports Ltd agreed to take effective control of the club and company, with Matthew Gore becoming the new Chairman.

In **2014/2015** the Brewers lead the NCEL Premier for most of the season, but a poor run of games in March led to them finally finishing in third.

An excellent run in the FA Vase saw them make history by making it through to the Quarter Final of the FA Vase where they drew a record breaking crowd of 1,307, but were narrowly beaten by Highworth Town.

At the end of the season, the club opted not to renew their contract with manager Paul Marshall, and two weeks later former Harrogate Railway boss Billy Miller was unveiled as the club's new manager.

In **2015/2016** the Brewers lead the NCEL Premier for most of the season once again, but this time they held their nerve and finished Champions with a 2-1 home win over Armthorpe Welfare.

They also made it to the League Cup Final, but were beaten in a thrilling 3-2 game against Cleethorpes Town.

In **2016/2017** the Brewers will start their first ever season in the Evo-Stik First Division North. With a mix of old and new players Billy is back in his old stomping ground and his experience and knowledge of this division will come in handy to help TAD have a great first season.

Directors' NOTES

We would like to extend a warm welcome to all of the players, fans and officials of Ramsbottom United.

It has been a while since our last game at the i2i and we are looking forward to returning home today as we enter the final part of our debut campaign at this level.

Since our last home game we managed to reach the final of the West Riding County Cup Final where we will face Farsley Celtic, for a fourth time this season.

We are not 100% sure on the venue yet but wherever it is, we want you all there!!

This season has gone incredibly fast and as it is not over by a long way, we are planning for next season already with discussions about new and current players.

In the coming weeks we will be bringing you the successful candidates who have made it onto our Executive Board so make sure you keep a look out for that.

I think you will all agree that the pitch is in fantastic condition as ever and that is all down to our Head Groundsman Dave Wakefield who continues to do an incredible job.

We felt as though the pitch may struggle after the bad weather and flurry of games but the constant work and attention shown by Dave keeps it in immaculate fashion.

Finally we would like to pass on our sincere condolences to the family, friends and everyone associated with Scarborough Athletic following the tragic passing of Dave Holland.

We hope that you enjoy today's match and have a safe journey home afterwards..

The i2i Sports Directors
Matt Gore, James Gore & Kent Mayall

Manager's NOTES

Good afternoon and welcome to the i2i stadium for today's match against Ramsbottom United. We hope that the staff, players and supporters enjoy their visit and have a safe journey home afterwards.

Ramsbottom arrive in a rich vein of away form, claiming 9 points from their last 3 away days. Today will no doubt be a competitive game.

Prior to last week's postponement at Kendal Town, we have been relatively pleased with the recent results, and more importantly, the performances. Our last home game ended in a well-deserved 2-1 victory after falling behind to an early

Bamber Bridge goal. Two second half strikes, one from each Greening brother started our recent 3 game unbeaten run. Following this result, another 2-1 victory at Brighouse Town secured an exciting West Riding County Cup final later in the season. Once again the lads showed great fighting spirit to grind out a victory after conceding the first goal of the game. Carl Stewart's classy late strike gave the Tadcaster faithful an evening to look forward to.

An important mention to all supporters who followed the team and witnessed a hard fought point in our last match; our longest away trip of the season at Colwyn Bay. The management and players appreciate the time and effort put in, unfortunately we couldn't convert one of the chances we created.

We'd like to continue our recent run of form, enjoy the game today and please keep up the fantastic support.

Ramsbottom United FC

Ramsbottom United was founded in 1966, and one of the founders, Harry Williams, is still, to this day, Chairman, almost 50 years later! Harry has overseen the club progress from a parks pitch on the outskirts to a well-appointed stadium in the centre of the east Lancashire town, adjacent to Ramsbottom Cricket Club, the East Lancashire Railway and the River Irwell, capable of holding 2,000 supporters.

The early days were spent in the local Bury Amateur League, before the move to the Bolton Combination in 1969. The Rams clinched the Championship of Division One in 1973, following that up with the Premier Division title four years later.

These were just two of the many honours picked up in League and Cup competitions whilst Harry was manager between 1966 and 1985. During that time, the club moved from the unsuitable and difficult to access Chatterton ground to the current Riverside base in 1980.

The next progression on the pitch was to the wider-based Manchester League in 1989. In 1991, the double of Champions and Cup Winners in Division One was achieved, and with its promotion to the top division. Also, rather strangely, the club were runners-up in the Yorkshire Cup in 1994, by which time a strong Junior base had been created.

As well as the first team, many honours were collected by the youngsters including League titles and Cup victories, as the club developed very much into a community organisation.

The move into the 'Football Pyramid'

In 1995 an application to join the football pyramid at North West Counties League level was approved, and after much hard work on the ground, a grading was received to allow access to the second tier of the regional league. Despite finishing 12th in the inaugural season, the Rams lifted the Divisional Trophy beating Cheadle Town at Darwen's Anchor Ground – the first of a number of successes at semi-professional level.

At the end of the 1996/97 season, the club installed floodlights for the first time – acquiring a set from the soon-to-be-demolished Watersheddings ground of Oldham Rugby League Club. These were in place in time for the club to move up to the top Division, having won the championship of Division Two in only their second season.

At that time, the club also ran a Reserve team, and it, too, brought home a number of trophies, including the Reserve Division cup in 1998 and the title twelve months later.

Having entered the FA Vase a couple of years earlier, the club's first taste of FA Cup action took place in 1998, and they progressed to the 3rd qualifying round before losing at home to Conference side Southport in front of a then-record 829 home gate (easily beating the previous figure of 464 for the local derby with Haslingden).

Third place in the Premier Division was attained in season 1999/2000. The following season brought many high spots, especially the 3-0 home derby win against top-of-the-

table Rossendale United. When the return fixture was played and won at Dark Lane at Easter, the Rams were just six points behind the leaders with four games in hand. Hopes were high that the championship could be clinched. Alas a late dip in form saw those hopes dashed, but high standards had been set.

Tragedy struck in 2001, as successful manager Ken Bridge collapsed and died following a home game against Cheadle Town, but he is remembered with the gates at the entrance of the ground being named in his honour.

The next few seasons brought little in the way of success, with the local Bolton Hospital Cup victories producing the only trophies on three occasions. The only bright spot was the appointment of Derek Egan as manager in the summer of 2004 reigniting hopes of a tilt at the title. A newly-assembled squad produced some entertaining football, including a double over eventual winners Fleetwood Town, but again, a disappointing finish resulted in a fifth placed spot in the league.

The Morley and Johnson Revolution! Egan resigned at the end of the season, and a number of managers came and went without success until the Chairman took the bold step of appointing joint-managers in players Bernard Morley and Anthony Johnson at the beginning of the 2009/10 campaign.

Supporters questioned the appointment after the first game! A 5-0 drubbing at the hands of Newcastle Town, although no-one was

Tadcaster Albion

Team History & Player/Staff Profiles

to know that Town were to embark on a 30 game unbeaten run as they sailed towards the championship. Stability soon ensured, and the players brought in by the duo began to produce the style of football that had not been seen since the Egan days. On the whole, the campaign was a success. A ten-year best total of 81 points and a club-record 14 away victories, along with the April Manager-of-the-Month award, and, for forward Andy Sensale, the Player-of-the-Month acclaim for October. The first season in charge for the two local lads was merely an indication of what was to come.

2010/11 proved to be even better as the crowds began turning up in increasing numbers at the newly named "Harry Williams Riverside Stadium" (the sign going up without the Chairman's knowledge!). Finishing runners-up to New Mills (only one team promoted from the NWCFL), the team scored over 100 goals winning more league games than ever before. The managers won two "Manager-of-the-Month" awards, with monthly player accolades going to Phil Dean and Jon Robinson.

But even better was to come! The 2011/12 season finally saw the Rams move up again after 17 years in the North West Counties League. More goals, more points, more home wins and more supporters (the club's then attendance record of 1653 was achieved against FC United of Manchester) culminated in the team edging out Runcorn Town with a magnificent end-of-season unbeaten run. The Championship trophy was raised after a 5-2 home win over Winsford United in front of over 500 fans, and the club could now look forward to renewing acquaintances with many former opponents in the Evo-Stik Northern Premier League.

Into the Northern Premier League The Main stand was extended, a new covered stand erected behind the Railway end, and a Sponsor's Lounge arrived at the ground, as improvements continued to enhance what used to be a plot of waste land aside the cricket pitch. The new challenge hardly saw the club falter after three years of entertaining and successful football. But for a winning goal scored by the champions

Skelmersdale United in time added on in the last game of the season in west Lancashire, the Rams would have competed in the play-offs at the end of a great first season which saw them agonisingly miss out in sixth spot.

2013/14 will go down in folklore in the town. After a dreadful start which saw the club bottom of the league after the early rounds of games, steady progression saw a gradual push up the table. More Player and Manager-of-the-Month awards were achieved as the race between up to a dozen clubs for the play-off spots (Curzon Ashton ran away with the top spot) continued to the very last week of the season. A last day home draw with Bamber Bridge saw both teams qualify, but it meant that the Rams had to travel up to Durham to meet the re-incarnation of former Football League side, Darlington.

The home side were expecting to progress, but having already achieved the double over them, a trip to Darlo's temporary home at Bishop Auckland held no fears. Despite the vociferous and partisan crowd of almost 2,000, the hundred or so who had made the journey up from Lancashire were treated to a performance that silenced the home fans and deservedly saw a return home with plans afoot for the short trip to meet Bamber Bridge again at Irongate four days later.

The play-off final attracted over 1,200 people, and whilst it was a tight affair with a last kick penalty squaring the game for the home side, the Rams notched another in extra time to deservedly win the game and with it a remarkable second promotion in three seasons.

The first season at Evo-Stik Premier level was probably the most traumatic in the club's history. Having begun the campaign well with basically the same squad, the management team decided to accept an offer to join Salford City, one Division below, and promptly moved in early January with the club just outside the play-off positions.

They then proceeded to take the coaches and eight players with them, leaving the

Rams in a state of turmoil. Long-serving striker Jon Robinson was handed the onerous task of putting together a new squad and preserving the club's status. Despite some understandably disappointing results, he, along with returning player/assistant manager Phil Edghill, managed to avoid a relegation battle with four games to go, much to the relief of all at the Harry Williams Riverside Stadium.

The club also attracted it's record crowd when 2104 turned up for the game against FC United of Manchester.

However, after a poor start to the 2015-16 campaign, manager Robinson resigned in September, his place being taken by former Trafford manager Garry Vaughan, who was assisted by Phil Edghill and coach Wayne Goodison.

On Boxing Day 2015, the ground was submerged under 5 feet of water from the adjacent River Irwell, causing damage running into thousands of pounds. This resulted in the team having to play eight consecutive matches away from home.

It merely emphasised what a miserable year 2015 truly was!

Sadly, the club could not escape the clutches of the bottom four, and for the first time in the 50 year history, relegation ensued, and the Rams returned to Evo-Stik Division One North.

Vaughan, Goodison and Edghill departed, making way for a return to the successful joint-manager situation which had proved so successful, with former Nelson manager Mark Fell and prolific non-league scorer Paul Fildes, with over 500 goals to his credit, taking on the task of reviving the Rams fortunes and challenging once again for a place in Evo-Stik Premier Division.

Fildes departed at the end of December 2016, with Mark Fell reverting to the position of sole Team Manager.

He played 10 games at the end of the 13/14 season for the Rams, never once being on the losing side, making a game-winning late save that has him down in Rammy folklore! Re-signed for the Rams from Skelmersdale United in December 2016.

MATTHEW ATHERTON: 28 year old experience player who can be used at left back or left wing. A teacher by trade 'Athers' is currently studying for his UEFA A coaching badge and joined the club in the summer after becoming the record appearance holder for Runcorn Linnets. Match PREVIEW

Tadcaster Albion welcome Ramsbottom United to the i2i stadium looking to start a charge up the table as the season enters its penultimate month.

Both sides saw their fixtures postponed last Saturday following the heavy rainfall across the country.

Last time out Rammy came out on the wrong end of a seven goal thriller with Kurt Willoughby scoring late for jubilant visitors Clitheroe.

The Brewers were also last in action a fortnight ago when the TSC took over North Wales in what was an uneventful goalless draw at Colwyn Bay.

It was an enthralling feast of footballing drama when the two sides met back at the beginning of November however with Josh Barrett and Adam Baker both on target in the final minutes to snatch a point.

Taddy currently sit 15th in the Evo-Stik Division One North eight points behind opponents Ramsbottom.

Manager Billy Miller will miss the game due to being in Vietnam so Assistant Manager Matt Heath will take the reins.

Team News: Andy Milne, Michael Ingham and Jono Greening are all away on work commitments. Ingham is back in light training after recovering from a nasty foot injury sustained back in mid-October.

THE NORTHERN PREMIER LEAGUE

Well, here we are then; almost three-quarters of the way through our debut season in the "Evo-stik" League...

Hmmm... The Evo-stik League? Throughout this entire season I have not yet heard anyone refer to this League by any name other than that of its sponsor. It's a moniker that has stuck like, well, glue! Only the other day it struck me how this must in fact be one of the most successful sponsorship deals of its type, since its original incarnation in 2010. I mean, last season virtually no one in everyday conversation talked excitedly about how well we were doing in "The Toolstation" – and that's despite the fact that "The Northern Counties East League" doesn't trip off the tongue especially easily.

Evo-stik is a brand of international adhesives giant Bostik which is now headquartered in Paris. Although its creator's forerunning business, the Boston Blacking Company was originally founded in 1889 in Chelsea of all places – Chelsea, Massachusetts (USA) that is – so there was a loose footballing connection from day one!

The "real" name of this League is, of course, The Northern Premier League (NPL). It was founded in 1968 and, along with The Southern League, The Isthmian League and The Northern League, it represented the fifth tier of English football at that time. Of course there was no automatic promotion and relegation between the Football League and the non-league in those days. Clubs finishing in the bottom four places of the

old Division Four would need to apply for re-election to the Football League. Applications for promotion from leading non-league sides would be considered (theoretically, at least!) and then existing Football League clubs only would cast votes to decide who should stay or go.

Needless to say, the Football League members' "old pals act" generally ensured the continuation of the status quo. However, on the rare occasion that the cosy "gentleman's club arrangement" of the annual re-election process ever resulted in the expulsion of a member club from the old basement division, then it was quite possible that their replacement could come from the NPL. Hedy days indeed for our League!

After umpteen reorganisations of "The Non-League Pyramid" in the intervening 39 years, these days the NPL comprises 68 member clubs and sits at "Pyramid Steps" 3 and 4 – i.e. tiers 7 and 8 of the English game overall. These 68 clubs are split into 3 divisions: At "Step 3" is the Premier Division, which currently boasts 24 clubs as far apart geographically as Blyth Spartans and Stourbridge (both incidentally battling for the one automatic promotion spot to the National League North). There is a further promotion place available via play-offs for clubs who finish in places 2 to 5.

At "Step 4" there are two 22-club divisions: Division One South and our own current home, Division One North. Each of these offer two passports to the Premier Division – automatic promotion for the champions and one further place via the play-offs for 2nd to 5th placed sides. Unusually, only two clubs are relegated from each of these divisions, putting them amongst the most secure rungs on the ladder. The flip-side of that, as we know all too well, is that it makes this league extremely difficult to gain access to. Still, we've already achieved that honour and so now it's someone else's problem. We must continue to look upwards!

Although the regionalisation of Division Ones North and South goes some way to reducing the burden of excessive travelling distances at our level, the fact that the NPL covers more than half of England (and not forgetting North Wales!) means that it's certainly not a league for "stay-at-home" types! Indeed, one disappointing feature of this season has been that our away support has decreased significantly and I can only imagine that increased distances are a key factor in this. Although, conversely, our best away following to date was for the longest trip of all – across the border at Colwyn Bay! The noise and support there were superb – please keep on travelling in big numbers!!!

Excluding rearranged fixtures caused by recent postponements, the farthest originally-scheduled midweek away game of the season was that at Ramsbottom on November 1st. What a night that was! Very unusually for us, we were totally outplayed in the first half and, despite rallying to dominate the second period, we found ourselves still 3-1 down with around five minutes to play. Cue a superb comeback to salvage a point at the death and more amazing scenes! So, today, perhaps rather than "a game of two halves", we should be hoping for a game of two second halves and a good win for the men in yellow shirts – Come on you Brewers!

Player TALK

JOSH BARRETT

Barrett insists there's more to come from this squad and is excited by potential brother challenge

This week we spoke to one of the Brewers' most consistent and arguably most improved players, defender Josh Barrett.

Barrett, who is the most featured player this season with 31 appearances so far, reflects on the club's first season at this level.

"We knew at the start of the season it was going to be much harder than last year. You can't have a bad game in this league otherwise teams will punish you. I think for our first season in the Evo-Stik we have done okay, I still believe we have a squad that is good enough to make the play-offs. If we have a good run from now on then who knows."

Barrett, who in recent years has fluctuated between right-back and right-wing has now moulded himself into a strong and reliable centre-back.

"The gaffer and Heathy spoke to me at the beginning of the season and said I would be a good centre-half and I do enjoy playing centre-back. It's hard to rate your own performances, I always give 100% in every game and if we keep a clean sheet and win then that's good enough for me."

"I feel in some games we have out played and been the better side but have conceded very late on, but that's

football. It's definitely been a learning curve for me, first time playing in the Evo-Stik with and against good players."

Tadcaster Albion

Taddy Bring A Point Back From Wales.

Tadcaster Albion played out a second goalless draw in the space a month with North Wales side Colwyn Bay at Llanelian Road.

Brewers boss Billy Miller named an unchanged starting team for the third successive match, a first for the season.

There were a few new additions to the bench however with i2i International Soccer Academy Athletes Ilyess Jeridi and Leon Pohls earning a spot in the squad for the first time.

The travelling Taddy fans were in fine voice all afternoon but it was the home side who looked to force the issue early on with Danny Bartle and Scott Bakkor both going close.

'God Save the Queen' and 'Tad All Over' were just a couple of songs that were being belted out by the well fuelled up Brewers but Bay continued to look the more assertive as captain Sam Barnes glanced narrowly wide of the mark.

With the likes of Tom Corner and Josh Greening up front, Taddy are a threat to any team and the aforementioned Corner missed a glorious opportunity to ripple the back of the net.

Jordan Armstrong galloped down the right wing and delivered the perfect cross for the towering frontman but Corner misjudged the flight of the ball and ended up shouldering agonisingly over the crossbar from five yards.

If Corner made a clean contact with his head he'd have been celebrating his 14th goal of the campaign.

Taddy came out in the second half and took to the game to their Welsh opponents and almost found a way through ten minutes in.

Josh Greening performed a sumptuous piece of skill to beat Danny Collins before seeing his through ball fortunately make its way to Conor Sellars.

With the ball dropping out of the sky Sellars just had goalkeeper Kieran Wolland to beat.

Sellars side-footed first time on the volley and it almost squirmed underneath the

goalkeeper but Wolland managed to trap the ball under his legs and collect.

Colwyn Bay have struggled for form in recent weeks which has seen them slowly teeter down the division but they were gifted a clear sighting at goal four minutes later.

A ball over the top chased down by Danny Bartle caused the Brewers problems as goalkeeper Chandler Hallwood rushed off his line but missed the ball.

With the goal open and Josh Barrett busting a gut to get back, Bartle panicked and blazed well over from an acute angle.

It was a game lacking in quality as both sides looked assured in the main defensively but not quite having the clinical edge in front of goal.

Tad chief Billy Miller insisted that the strong winds made it difficult for both sides to get a foothold on the contest.

Taddy's final chance of the afternoon came five minutes from time when Josh Greening was pulled back right on the edge of the penalty area.

Set-piece specialist Conor Sellars stood over the free-kick but could only curl into the hands of Kieran Wolland.

Both the Brewers and the Seagulls will think they could have won it late on with a couple of chances.

Jamie Rainford signed for Bay from Glossop North End a fortnight ago and he couldn't

have asked for a better chance to open his account after coming off the bench.

He played a lovely one-two inside Taddy's penalty area but the striker could only turn tamely into the path of Chandler Hallwood.

The last action of the match was a half-hearted penalty appeal from Taddy deep into injury time.

Substitute and Monday night's match winner Carl Stewart felt he was pulled back by defender Matty Regan but referee Ben Atkinson was unconvinced.

On reflection, the real winners of the day were the 80+ Taddy fans who made the six hour round trip and roared their side on for 94 minutes in Wales.

i2i International Soccer Academy **Next Game**

The i2i International Soccer Academy team is made up of aspiring Footballers from across America, Canada, Nigeria and Germany and are managed by Taddy's very own Jono Greening and Michael Ingham along with ex-Premier League's Bryan Hughes.

Last time we spoke we were gearing up towards the University league finale and last week they welcomed leaders Newcastle University to Yorkshire knowing that a win would take it down to the final day of the season.

The visitors came for a point which would see them clinch promotion and on an extremely windy afternoon the i2i International Soccer Academy just couldn't find that elusive goal to take it to the last game.

The best chance of the game came late on with just two minutes remaining but Nick Massey failed to hit the target so Newcastle took the one promotion spot with a draw.

Looking at the West Riding U21's

League, they remain in the Cup after a dominant 4-0 victory on Monday night.

Ilyess Jeridi and Gunner Gilland both powered in behind and into the back of the net to put i2i into a deserved lead at the break before Nick Massey and Adetowo Oyewumi rounded off the win.

In terms of next year's intake; Jono Greening, Michael Ingham, Andy Milne, Richard Cresswell and Jacob Gore are all currently in the Sunshine State of Florida on the hunt for the next i2i Soccer Athlete.

U21's Too Powerful For Ponte As The Title Race Hots Up.

First half goals from Sean Hunter and Tom Hullock (2) put the Brewers in control before Jack Simpson, Fraser Hansen and Donald Chimalilo all came off the bench to seal the victory. Dan Davison should have broken the deadlock inside two minutes after a scuffed clearance fell to the attacker six yards out but could only strike straight at the goalkeeper. However Taddy were looking to stamp their authority on the contest from the off and did deservedly take the lead on nine minutes.

After a positive run from Harry Sheppeard, Tom Hullock's cross from the right-hand side flicked off a Colls header and past the goalkeeper at the near post. Full-back Harry Sheppeard forced the issue once again for the second goal driving into the Pontefract half before Sean Hunter made no mistake from five yards.

Dan Davison and Rob Hutton both went close to putting Taddy three goals to the good before Tom Hullock did just that netting his second of the match.

Sean Hunter was pickpocketed in front of goal but with the keeper in no man's land, in-form Tom Hullock tapped in at the back post.

The promising youngsters were cruising however they were pegged back right on half-time when Pontefract's number nine sprung the offside trap and squeezed underneath Nick Lock in the Taddy goal to set up an intriguing second half.

Intriguing then became interesting as eight minutes into the second half the visitors reduced the deficit to just one.

Number 10 burst in on goal and knocked it past goalkeeper Lock who had charged off his line and rolled it into the back of the net. Back came Taddy and Sean Hunter should have restored their comfortable lead when Matty Savage slid the striker in goal but the goalkeeper once again stood tall.

Two minutes later though and the Brewers were comfortably back in the driving seat as substitute Fraser Hansen arrowed a free-kick beyond the goalkeeper from 22 yards.

Eight minutes later and the three points were effectively wrapped up by another substitute. Jack Simpson used his explosive pace to burst past his man down the right-hand side and drive through the keeper's legs. And finally it was 6 up for Taddy in stoppage time with Donald Chimalilo heading in Savage's pinpoint cross.

Full-Time:

Tadcaster Albion U21's 6-2 Pontefract Collieries U21's

The victory means that Tad are now five points behind leaders Harrogate Town and one point behind second place Halifax Town, with a game in hand. And next Monday Taddy U21's take on second place Halifax Town at the i2i stadium, one not to be missed.

Taddy Team: Lock, Sheppeard, Woodhead @, Holmes, Dunnett, Rose, Wales, Hutton, Hullock, Hunter, Davison

Subs (All Used): Wintie, Simpson, Hansen, Savage, Anderson, Barber, Chimalilo
